

Invocation for Clearing the Heart

In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Mother of Light, Amen.

In the name of the I AM THAT I AM, Jesus Christ, I dedicate this invocation to the manifestation of the perfect vision of Christ in . . . (insert personal prayer here).

I honor the heart

I honor my heart as the very center of my Being. I honor my heart as the beginning of my thoughts, feelings and actions. I AM willing to purify my heart of all imbalances and imperfections.

I AM willing to follow Jesus' command to love the Lord my God with all my heart, and with all my soul, and with all my mind, and to love my neighbor as myself. I AM willing to be among the pure in heart who shall see God. I AM willing to know the condition of my heart, to see all imperfections and to surrender them so that they are consumed by the Flame of God that I AM.

I acknowledge that where my treasure is, where my desires are, there will my heart be also. I AM willing to purify my desires of all that is less than my divine plan and the immaculate concept for my life. I AM willing to draw nigh unto my God Flame with my heart, so that I can lay up for myself treasures in Heaven and give up the desires for the things of this world.

I AM willing to purify my heart that it may be the good treasure that brings forth much good fruit. I AM willing to purify my heart, that my every word will flow from a balanced Threefold Flame, and express God's power, wisdom and love in perfect harmony, purifying the Mother Light of all imperfect images.

I draw nigh to God with my heart. I AM willing to see with my eyes, and hear with my ears, and understand with my heart, and be converted, and healed by the Living Christ. I honor God with every aspect of my Being, and

my every thought, feeling, word and action seeks to lift up all life and bring God's kingdom to Earth.

My treasure is the kingdom of God, and that is where my heart is. I honor my heart as the Heart of God that is the open door for my God Flame to express itself in this world. Therefore, I and my father are one in heart.

1. Throat, Solar plexus

Hail Mary, we give praise
the Mother Light in all you raise.

Refrain:
