

Jesus' Invocation for Victory over Death

In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Mother of Light, Amen.

In the name of the I AM THAT I AM, Jesus Christ, I dedicate this invocation to the manifestation of the perfect vision of Christ in . . . (insert personal prayer here).

I AM willing to solve the riddle of life and death

Beloved Jesus, I am willing to solve the mystery of life and death. I am willing to confront my fear of death, the fear that prevents me from taking a closer look at death and thus prevents me from understanding the reality that death is unreal. I am willing to understand your inner teaching about life and death, so that I can move away from being among those who are spiritually dead and join the ranks of those who are spiritually alive.

Beloved Jesus, teach me the way that leads from death into life. Show me the straight gate and the narrow way that leads to eternal life. I am willing to abandon the wide gate and the broad way that leads to destruction, so that I am no longer a blind follower of the blind leaders. I desire to be one of your disciples, and I declare that I am willing to leave behind anything that prevents me from following you on the Way of Life. I am not attached to my material, emotional or mental possessions, nor am I attached to my mortal sense of identity. Thus, I am willing to leave my nets of entanglements with the things of this world in order to follow the Living Christ. I am willing to deny myself, take up my cross and follow you. Show me the Way that I may be a Follower of the Way—the Way of Life.

I accept accountability for my own salvation

1. Beloved Jesus, I accept you as my spiritual teacher and I accept that you are one with the hierarchy of the Ascended Host, who are the true teachers of humankind. Beloved Jesus, I want to come into Oneness with the Hierarchy of Life, and I want to leave behind the false teachers of death—including my ego. Show me all elements of the consciousness of death in my being, and I WILL choose life.

Hail Christ within

**Oh Christ within, my source of Life,
I choose to leave behind all strife.
Mine eye is single as I see
beyond the veil of duality.
My Being is all filled with Light
to free the soul from its dark night.**

**Oh Jesus, I give up the ghost
and join with the Ascended Host.
In Oneness I am now reborn,
the miracle of Easter morn.
I hear the Bell of Oneness ring,
as death has ever lost its sting.**

2. Beloved Jesus, I am willing to leave the way that seems right unto a human but the end thereof is the way of death. Help me fully internalize the truth that the way of death seems right because it does not require people to leave behind the ego. Help me see that the true way—the Way of Life—requires me to let the ego die so that my soul can be resurrected into eternal life. Thus, the Way of Life is the way of the death of the ego. Show me all elements of the consciousness of death in my being, and I WILL choose life.

Hail Christ within

3. Beloved Jesus, I am willing to make the eternal choice to choose life over death. Help me fully internalize the truth that will empower me to consciously choose life and to consciously let the ego die. Help me see that the Way of Life is the Path of Oneness, whereas the way of death is the path of separation. Show me all elements of the consciousness of death in my being, and I WILL choose life.

**Oh Christ within, my source of Life,
I choose to leave behind all strife.
Mine eye is single as I see
beyond the veil of duality.
My Being is all filled with Light
to free the soul from its dark night.**

**Oh Jesus, I give up the ghost
and join with the Ascended Host.
In Oneness I am now reborn,
the miracle of Easter morn.
I hear the Bell of Oneness ring,
as death has ever lost its sting.**

4. Beloved Jesus, I am willing to take full and final responsibility for my life, both my life in this world and my entry into eternal life. Help me fully internalize the truth that when the Conscious Self accepts full responsibility, I am in the consciousness of life, but when my Conscious Self abandons this responsibility, I fall into the consciousness of death. Show me all elements of the consciousness of death in my being, and I WILL choose life.

Hail Christ within

5. Beloved Jesus, I am willing to walk the Way of Life, the path that leads me back to Oneness with God. Help me fully internalize the truth that it was my choice to separate myself from the Hierarchy of Life, that caused me to start walking down the spiral staircase that leads into the consciousness of death, into the pits of hell. Help me see that I must consciously undo each choice – give up each ghost – that brought me one step down. Thus, I can ascend the staircase and come back to Oneness with the Hierarchy of life of which I have always been a

part. Show me all elements of the consciousness of death in my being, and I WILL choose life.

Hail Christ within

6. Beloved Jesus, I am willing to deny my ego self and take up my cross and follow you. Help me fully internalize the truth that my Conscious Self must make the choice to deny the sense of identity based on the ego. Help me see that only by taking up my cross, namely my responsibility to overcome all illusions in my four lower bodies, can I follow you into the eternal life of the Christ consciousness. Show me all elements of the consciousness of death in my being, and I WILL choose life.

Hail Christ within

7. Beloved Jesus, I am willing to overcome the illusion of death, the illusion of separation. Help me fully internalize the truth that without God, without the Word of the Cosmic Christ consciousness, was not anything made that was made. Therefore, I can never be separated from God in reality—separation can exist only as an illusion created by the ego. Help me see that my Conscious Self can identify itself as anything it chooses, and thus I am only separated from God's kingdom as long as I identify myself with the ego. Show me all elements of the consciousness of death in my being, and I WILL choose life.

Hail Christ within

8. Beloved Jesus, I am willing to walk the Way of Life that leads me to be whole. Help me fully internalize the truth that because I AM an extension of my Creator, I have access to God's kingdom, I have the key of knowledge, right within myself. Help me see that I have the potential to be whole by reconnecting to my own higher Being, the Hierarchy of Life. I surrender the ego's illusion that I need something or someone from outside myself in order to be whole. Show me all elements of the conscious-

ness of death in my being, and I WILL choose life.

**Oh Christ within, my source of Life,
I choose to leave behind all strife.
Mine eye is single as I see
beyond the veil of duality.
My Being is all filled with Light
to free the soul from its dark night.**

**Oh Jesus, I give up the ghost
and join with the Ascended Host.
In Oneness I am now reborn,
the miracle of Easter morn.
I hear the Bell of Oneness ring,
as death has ever lost its sting.**

9. Beloved Jesus, I am willing to accept full accountability for my salvation. Help me fully internalize the truth that it is the ego that creates the illusion that I need an external church, an external savior or an external God in order to be saved. Help me see that the true key to salvation is to enter the kingdom of God within me and attain Oneness with the internal God. Show me all elements of the consciousness of death in my being, and I WILL choose life.

Hail Christ within

The Living Christ Is Victorious on Earth

1. Beloved Jesus, you have won,
God has awakened everyone.
The second coming is at hand
as Christed ones now take a stand.

Refrain:

**The Living Christ is in me now,
the seal of Christ upon my brow,
The love of Christ is in my heart,
in Jesus' mission I take part.**

**The Christ is come again in me,
I shine his light for all to see.
His perfect love consumes all fear,
so all can sense his presence here.**

2. No longer can the leaders blind
divide and conquer humankind.
we follow Christ the inner king
his truth to all we vow to bring.

3. Our eye is single as we see
the truth of Christ that makes us free.
We shout his message from the roof
as we become his living proof.

4. Beloved Jesus, we will be
the Christed ones who keep Earth free.
In defense of life we take a stand,
the second coming is at hand.

5. The torch of Pisces we uphold
Aquarius we now unfold.
We share your love for Saint Germain
he will the Earth with Justice reign.

6. Your victory for Earth is won,
the Golden Age has now begun,
the inner Christ will make all free
in God's own Presence now to be.

NOTE: Give the entire decree at least one time. You can give it as many times as you like before continuing the invocation.

I am willing to give up the ghost

1. Beloved Jesus, I am willing to follow your example and give up the ghost of my ego and all sense of identity based on the ego. Help me fully internalize the truth that my Conscious Self has created the ego by making the choice to separate itself from the Hierarchy of Life. Help me see that only my Conscious Self can give up the ghost of the ego by reaffirming my Oneness with the pyramid of life. Archangel Michael, cut me free from all ties to the consciousness of death.

**Oh Christ within, my source of Life,
I choose to leave behind all strife.
Mine eye is single as I see
beyond the veil of duality.
My Being is all filled with Light
to free the soul from its dark night.**

**Oh Jesus, I give up the ghost
and join with the Ascended Host.
In Oneness I am now reborn,
the miracle of Easter morn.
I hear the Bell of Oneness ring,
as death has ever lost its sting.**

2. Beloved Jesus, I am willing to follow your example and give up all attachments to the things of this world. Help me fully internalize the truth that in every situation where I responded to life through the consciousness of death, I created a ghost, a sense of identity that is unreal. Help me see that only by giving up every ghost created through the consciousness of separation can I come back into Oneness. Archangel Michael, cut me free from all ties to the consciousness of death.

Hail Christ within

3. Beloved Jesus, I am willing to take up my cross and follow you. Help me fully internalize the truth that it is the ghosts I have created that keep me nailed to the cross and make me feel paralyzed. Help me see that I am stuck in this world only as long as I identify myself with – identify myself as – the ghostly sense of identity created by the ego. Archangel Michael, cut me free from all ties to the consciousness of death.

Hail Christ within

4. Beloved Jesus, I am willing to separate myself entirely from the ghostly identity of the ego. Help me fully internalize the truth that as long as I allow any elements of the consciousness of death – any ghosts – to remain in my container of self, I am tied to the planetary consciousness of death and hell. Help me see that I can come back to Oneness only by breaking the

connection between my energy field and the pits of hell. Archangel Michael, cut me free from all ties to the consciousness of death.

Hail Christ within

5. Beloved Jesus, I am willing to move from death into life. Help me fully internalize the truth that any connection between myself and the consciousness of death forms an opening for the forces of death to enter my energy field. Help me see that the magnetic, gravitational pull of the planetary momentum of death pulls me away from the Path of Oneness. Archangel Michael, cut me free from all ties to the consciousness of death.

Hail Christ within

6. Beloved Jesus, I am willing to recognize that only the power of God can set me free. Help me fully internalize the truth that I do not have the power to cut myself free from the consciousness of death. Help me see that I can be cut free only through the power that descends from the Hierarchy of Life. Archangel Michael, cut me free from all ties to the consciousness of death.

Hail Christ within

7. Beloved Jesus, I am willing to ask so that I can receive. Help me fully internalize the truth that whereas the hierarchy of death has no respect for my free will, the Hierarchy of Life has ultimate respect for God's law. Help me see that help from Above is freely given but only to those who ask. Thus, I now ask for the Hierarchy of Life to release the God Power that will set me free, as I give up my attachments to my "life" in this world. Archangel Michael, cut me free from all ties to the consciousness of death.

Hail Christ within

8. Beloved Jesus, I am willing to give up the dream of an automatic salvation. Help me fully internalize the truth that the intercession of the Hierarchy of Life will never go against my free-will choices. Help me see that I must be willing to undo the choices that created the connection between my container of self and the consciousness of death. Archangel Michael, cut me free from all ties to the consciousness of death.

**Oh Christ within, my source of Life,
I choose to leave behind all strife.
Mine eye is single as I see
beyond the veil of duality.
My Being is all filled with Light
to free the soul from its dark night.**

**Oh Jesus, I give up the ghost
and join with the Ascended Host.
In Oneness I am now reborn,
the miracle of Easter morn.
I hear the Bell of Oneness ring,
as death has ever lost its sting.**

9. Beloved Jesus, I am willing to come into Oneness with the Hierarchy of Life. Help me fully internalize the truth that the Hierarchy of Life will not save me, but will empower me to save myself. Help me see that I am saved only through the power and grace of God but that I must be willing to direct that power as an extension of the Hierarchy of Life. Thus, my father works hitherto and I work. Archangel Michael, cut me free from all ties to the consciousness of death.

Hail Christ within

Archangel Michael, take command

1. Archangel Michael, take command,
God government in every land.
God's power, wisdom and his love
flows to our planet from Above.

Refrain:

**Archangel Michael, let your power
rain upon us every hour.
Fill us with God's Diamond Will,
our destiny we will fulfill.**

**Mother Earth is now set free,
to manifest her destiny.
As Liberty is in command,
she spreads her light to every land.**

2. Raise up the torch of Freedom's Flame,
that all may know the "I AM" name.
We keep our course all through the night,
as we are guided by your light.

3. Humanity is always free,
one people under God to be.
Our love for Earth is so intense,
we take our stand in her defense.

4. Archangel Michael, you are here,
to keep our vision always clear.
As we our sacred work begin,
we know God's kingdom is within.

5. We form God's Body here below,
the open door for Grace to flow.
Consuming now all patterns old,
the future looks so bright and bold.

6. As into action now we spring,
the Golden Age we will to bring.
We have the vision and the fire
to lift this planet ever higher.

NOTE: Give the entire decree at least one time. You can give it as many times as you like before continuing the invocation.

I am willing to overcome aloneness by being reborn into All-Oneness

1. Beloved Jesus, I am willing to overcome all fear of change, which is what leads to death. Help me fully internalize the truth that I can be saved only by being spiritually reborn. Help me see that for every step on the spiritual path, I must be reborn into a new sense of identity. Thus, the old sense of identity must die. I must die daily. Beloved Saint Germain, help me overcome all fear of abandoning the ego's control and accepting my spiritual freedom.

**Oh Christ within, my source of Life,
I choose to leave behind all strife.
Mine eye is single as I see
beyond the veil of duality.
My Being is all filled with Light
to free the soul from its dark night.**

**Oh Jesus, I give up the ghost
and join with the Ascended Host.
In Oneness I am now reborn,
the miracle of Easter morn.
I hear the Bell of Oneness ring,
as death has ever lost its sting.**

2. Beloved Jesus, I am willing to overcome the fear of loss. Help me fully internalize the truth that the real me will not lose anything when a part of my ego dies. Help me see that only when I identify myself with the ego, will I fear that the death of the ego means the death of my identity. Beloved Saint Germain, help me overcome all fear of abandoning the ego's control and accepting my spiritual freedom.

Hail Christ within

3. Beloved Jesus, I am willing to acknowledge that I AM more than the ego. Help me fully internalize the truth that my Conscious Self is an extension of the Hierarchy of Life. Help me see that this greater Being that I AM is obscured by the limited sense of identity created by the ego. Thus, only by letting this mortal sense of identity die, will I be able to see the immortal spiritual Being that I AM. Beloved Saint Germain, help me overcome all fear of abandoning the

ego's control and accepting my spiritual freedom.

Hail Christ within

4. Beloved Jesus, I am willing to overcome all sense of loss. Help me fully internalize the truth that when I identify myself with the ego, I separate myself from the River of Life. This gives rise to the fear of loss and the sense of lack. Help me see that by being spiritually reborn, I can receive the abundant life that it is the father's good pleasure to give me. Beloved Saint Germain, help me overcome all fear of abandoning the ego's control and accepting my spiritual freedom.

Hail Christ within

5. Beloved Jesus, I am willing to overcome all sense of struggle. Help me fully internalize the truth that as long as I am separated from the River of Life, my life will be an ongoing struggle. Help me see that by holding on to the mortal identity of the ego, I am keeping myself from receiving the abundant life. Beloved Saint Germain, help me overcome all fear of abandoning the ego's control and accepting my spiritual freedom.

Hail Christ within

6. Beloved Jesus, I am willing to rejoin the Way of Life. Help me fully internalize the truth that the ego keeps me on the false Path of Less instead of the true Path of MORE. Help me see that by separating myself from the false path, I will not lose anything but will gain the abundant life that is the Path of MORE. Beloved Saint Germain, help me overcome all fear of abandoning the ego's control and accepting my spiritual freedom.

Hail Christ within

7. Beloved Jesus, I am willing to take up my intended role as a co-creator and make my own decisions. Help me fully internalize the truth that making no decisions is still making a decision. Thus, the ego is lying when it claims that if my Conscious Self doesn't make any decisions, I can make no mistakes. Help me see that by not taking up my responsibility to choose, I am making the biggest mistake of all. Thus, I now CHOOSE TO BE instead of choosing not to be. Beloved Saint Germain, help me overcome all fear of abandoning the ego's control and accepting my spiritual freedom.

**Oh Christ within, my source of Life,
I choose to leave behind all strife.
Mine eye is single as I see
beyond the veil of duality.
My Being is all filled with Light
to free the soul from its dark night.**

**Oh Jesus, I give up the ghost
and join with the Ascended Host.
In Oneness I am now reborn,
the miracle of Easter morn.
I hear the Bell of Oneness ring,
as death has ever lost its sting.**

8. Beloved Jesus, I am willing to overcome all sense of aloneness. Help me fully internalize the truth that it is the ego that keeps me separated from the Hierarchy of Life and thus makes me feel alone. Help me see that the ego has created the illusion that if I let the ego die, I will be all alone and have no one to help me make decisions. In reality, by letting the ego die, I will reconnect myself to the Hierarchy of Life, whereby I have the perfect guidance for making right decisions. Beloved Saint Germain, help me overcome all fear of abandoning the ego's control and accepting my spiritual freedom.

Hail Christ within

9. Beloved Jesus, I am willing to come into All-Oneness. Help me fully internalize the truth that by letting the ego die, I move from aloneness to All-Oneness. Help me see that this will reconnect me to the perfect love that will cast out all of the fears that spring from the ego's separation from God. Beloved Saint Germain, help me overcome all fear of abandoning the ego's control and accepting my spiritual freedom.

Hail Christ within

The Earth is sealed in Freedom's Flame

1. Oh Saint Germain, bring Freedom's Flame, you come to Earth in Christ's own name. The violet flame is your own plan to raise the Christ in every man.

Refrain:

**Violet flame, let it flow,
saturate all life below,
always flowing, ever growing
upon us all grace bestowing.**

**Violet fire, penetrate,
violet fire saturate,
violet fire purify,
violet fire sanctify,
we are pure, we are healed,
in your light, we are sealed,
forever free
in God to be.**

2. For Christ is Lord and you are king, as peace and freedom now you bring. with Jesus you now point the way that brings the dawn of a new day.

3. Together you will turn the page and lead us to the Golden Age. Where Freedom's flame will reign supreme, fulfilling Heavens highest dream.

4. Oh Saint Germain and Jesus dear, to you and Mary we draw near. From you above to us below, we will maintain a constant flow.

5. Together we now bring the light that makes the Earth a star so bright. her radiance will shine through space awakening the I AM race.

**Violet flame, let it flow,
saturate all life below,
always flowing, ever growing
upon us all grace bestowing.**

**Violet fire, penetrate,
violet fire saturate,
violet fire purify,
violet fire sanctify,
we are pure, we are healed,
in your light, we are sealed,
forever free
in God to be.**

6. By Michael raised for all to see,
the banner of Christ Victory.
All darkness is replaced by light,
as all of cosmos shines so bright.

7. Oh Saint Germain, we keep the flame
of freedom burning in your name,
until the Golden Age we see,
an age in which all life is free.

NOTE: Give the entire decree at least one time. You can give it as many times as you like before continuing the invocation.

I am willing to move from ego control to God control

1. Beloved Jesus, I am willing to acknowledge that I am not the doer. Help me fully internalize the truth that I can do nothing of myself but can co-create only by using the Father's power and the Mother's light. Help me see that because the ego is separated from God, it has created the illusion that it can act on its own. Beloved Mother Mary, help me surrender all ego control and BE one with the I AM THAT I AM within me.

**Oh Christ within, my source of Life,
I choose to leave behind all strife.
Mine eye is single as I see
beyond the veil of duality.
My Being is all filled with Light
to free the soul from its dark night.**

**Oh Jesus, I give up the ghost
and join with the Ascended Host.
In Oneness I am now reborn,
the miracle of Easter morn.
I hear the Bell of Oneness ring,
as death has ever lost its sting.**

2. Beloved Jesus, I am willing to surrender the ego's need for control. Help me fully internalize the truth that because the ego thinks it is the doer, it is seeking to control the entire universe and make it conform to its graven images. Help me see that this is an impossible quest because the expanding force of the Father and the contracting force of the Mother will inevitably break down the mortal sense of identity that separates me from God. Beloved Mother Mary, help me surrender all ego control and BE one with the I AM THAT I AM within me.

Hail Christ within

3. Beloved Jesus, I am willing to abandon all desire to possess anything in this world. Help me fully internalize the truth that the ego is seeking to control the world by bringing the River of Life to a stop. Help me see that no force in this world can stop the River of Life, but that my ego can create the illusion that I am separated from the river. This illusion inevitably imprisons me in the sense of lack that turns my life into an ongoing struggle. Beloved Mother Mary, help me surrender all ego control and BE one with the I AM THAT I AM within me.

Hail Christ within

4. Beloved Jesus, I am willing to BE a co-creator with God and multiply my talents. Help me fully internalize the truth that my Conscious Self is designed to shine the Light of my God

Flame into this world by freely giving what I have freely received. Help me see that I am not designed to be separated from my God Flame but to consciously direct the Father's power in order to take dominion over the Mother light and bring God's kingdom to Earth. Beloved Mother Mary, help me surrender all ego control and BE one with the I AM THAT I AM within me.

**Oh Christ within, my source of Life,
I choose to leave behind all strife.
Mine eye is single as I see
beyond the veil of duality.
My Being is all filled with Light
to free the soul from its dark night.**

**Oh Jesus, I give up the ghost
and join with the Ascended Host.
In Oneness I am now reborn,
the miracle of Easter morn.
I hear the Bell of Oneness ring,
as death has ever lost its sting.**

5. Beloved Jesus, I am willing to let God be the doer in my life. Help me fully internalize the truth that my Conscious Self is designed to be an extension of the Hierarchy of Life that extends from my I AM Presence all the way to God, the I AM THAT I AM. Help me see that the only way to avoid making wrong choices is to take control away from the ego and allow the I AM THAT I AM within me to be in control. Thus, my Father works hitherto and I work. Beloved Mother Mary, help me surrender all ego control and BE one with the I AM THAT I AM within me.

Hail Christ within

6. Beloved Jesus, I am willing to fulfill my Divine Plan. Help me fully internalize the truth that I am not here to fulfill the ego's desires and waste a lifetime on seeking to control the world. Help me see that I am here to fulfill my Divine Plan, which was made by my own higher being. I am not here to adapt to the imperfections in this world. I am here to let the I AM THAT I AM within me bring the immacu-

late concept for Earth into full physical manifestation. Beloved Mother Mary, help me surrender all ego control and BE one with the I AM THAT I AM within me.

Hail Christ within

7. Beloved Jesus, I am willing to abandon the false path of salvation through control. Help me fully internalize the truth that as long as I allow my ego to seek to control the world, I keep myself in the consciousness of spiritual death. Help me abandon the ego's illusion that when it attains complete control over the world, I will be saved. In reality, I will be saved only when my Conscious Self surrenders all control to the greater being that I AM. Thus, I can say with Jesus, "I and my Father are one!" Beloved Mother Mary, help me surrender all ego control and BE one with the I AM THAT I AM within me.

Hail Christ within

8. Beloved Jesus, I am willing to lose my mortal life for your sake, for the sake of becoming the Christ on Earth. Help me fully internalize the truth that if I seek to save the sense of life created by the ego, I will lose the life of my soul. Help me see that my soul can be resurrected and reborn, whereas my ego can never enter the kingdom of God. Thus, I can be saved only when my Conscious Self is willing to let the ego die by finally giving up the ghost of the ego. Beloved Mother Mary, help me surrender all ego control and BE one with the I AM THAT I AM within me.

Hail Christ within

9. Beloved Jesus, I am willing to overcome the ego's illusion that death means the loss of my identity. Help me fully internalize the truth that death is called the last enemy because the last illusion I need to overcome is the lie that when the ego dies, I will die also. Help me see that in reality my Conscious Self can never die. Thus, death is the great liberator, because the death of the ego means that I am permanently free from

the ego. When I let the ego die, I lose the sense of aloneness and I am reborn into All-Oneness with Life itself. In that Oneness I will never again have the fear of loss that the ego calls death. Therefore, death has lost its sting. Beloved Mother Mary, help me surrender all ego control and BE one with the I AM THAT I AM within me.

**Oh Christ within, my source of Life,
I choose to leave behind all strife.
Mine eye is single as I see
beyond the veil of duality.
My Being is all filled with Light
to free the soul from its dark night.**

**Oh Jesus, I give up the ghost
and join with the Ascended Host.
In Oneness I am now reborn,
the miracle of Easter morn.
I hear the Bell of Oneness ring,
as death has ever lost its sting.**

The Mother Light in all is raised

1. Hail Mary, we give praise
the Mother Light in all you raise.
In perfect balance light will stream,
in harmony our souls will gleam.

Refrain:

**Oh Mother Mary, we release
all thoughts and feelings less than peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

2. The base is of the purest white,
four petals radiate your light.
The Mother bows in purest love
to God the Father from Above.

3. The soul is basking in delight,
as violet flame is shining bright.
The soul is breathing God's pure air,
she feels so free in Mother's care.

4. The solar center is at peace,
as fear and anger we release.
The sacred ten will now unfold
a glow of purple and of gold.

5. All troubles in the heart now cease,
as Mary's love brings great release.
The rose of twelve in fullest bloom,
the soul is free to meet her groom.

6. The throat is shining oh so blue,
the will of God is always true.
God's power is released in love
through Christ direction from Above.

7. The brow emits an emerald hue,
Christ's perfect vision we pursue,
and as we see God's perfect plan,
we feel God's love for every man.

8. The crown is like a sea of gold,
as thousand petals now unfold.
We see the Buddha in the crown,
arrayed in his celestial gown.

9. When Mother Light and Buddha meet,
the force of darkness they defeat,
with Jesus and our Saint Germain.
they bring the Golden Age again.

10. I feel the Mother's gentle kiss,
as I am in eternal bliss,
floating in a space sublime,
in harmony with sacred chime.

Coda:

By Mother Mary's endless Grace,
we conquer time, we conquer space.
The Buddha Nature is in all
and thus we rise to heed the call
to be the Christed ones on Earth,
the Golden Age is given birth.

NOTE: Give the entire decree at least one time. You can give it as many times as you like before continuing the invocation.

I am willing to die to the world and live in the Spirit

Beloved Jesus, I am willing to die to the world so that I can be reborn in the Spirit while remaining in my physical body. I am willing to fulfill my rightful role of having dominion over the Earth instead of being enslaved by the material world. I give up the ghost of mortal identity that makes me a slave to this world through the consciousness of death.

I realize that my Conscious Self is the core of my lower Being and is an extension of the Presence of God. The ego has no self-awareness and mindlessly keeps doing the same thing. My Conscious Self has self-awareness, which gives me the ability to step outside my current sense of identity and look at myself through the eyes of Christ. Beloved Jesus, I am willing to see all elements of the death consciousness in my Being, so that every ghost is exposed and I have the foundation for choosing life. Beloved Jesus, show me a ghost, and I will give it up.

I AM centered in the perfect love that casts out all fear of loss, and thus I consciously give up the following ghost:

(Briefly describe the part of your mortal identity that you are surrendering. Then visualize how you surrender it into your God Flame where it is consumed.)

In full surrender to Oneness with my higher Being, the I AM THAT I AM, I say:

I CHOOSE LIFE (4X)

I embrace the Consciousness of Life and I AM reborn into the kingdom of God. Thus, God in me, the I AM THAT I AM, has dominion over the Earth and subdues it, so that the Material light outpictures the kingdom of God. Thus, what is impossible with man now becomes

possible with God. As long as I AM in the world, the AM THAT I AM within me is the light of the world. Thus, my Father works hitherto and I work!

I affirm that Archangel Michael and his billions of Blue-Flame angels are setting all people free from the spirits and energies of death.

I affirm that Archangel Michael and his billions of Blue-Flame angels are setting all people free from the lies of the consciousness of death.

I affirm that Archangel Michael and his billions of Blue-Flame angels are setting all people free from spiritual slavery under the hierarchy of death.

I affirm that Archangel Michael and his billions of Blue-Flame angels are setting all people free from material slavery under the representatives of death in this world.

I affirm that Archangel Michael and his billions of Blue-Flame angels are setting all people free from the consciousness of death that makes them less. They are now free to embrace the consciousness of life and BE MORE, transforming the Earth into the MORE of the kingdom of God.

The Earth is the Lord's and the fullness thereof. (3X) Amen.

In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Mother of Light, Amen.

Sealing

I affirm that I am sealed in the perpetual figure-eight flow of the River of Life. I love the Hierarchy of Life and I vow to BE here below, all that I am Above—and MORE. I declare my Oneness with my I AM Presence and the Ascended Host and I vow to be the light of the world. I vow to let my light, the Light of the I AM THAT I AM within me, shine so that people may see my good works and glorify the I AM THAT I AM that is within all life.

In the name of the Father, the Son and the Holy Spirit, in the name of the Divine Mother, I affirm that I am sealed in the Immaculate Concept, now and forever. I affirm that all people are sealed in the Immaculate Concept, now and forever. I affirm that the Earth is sealed in the Immaculate Concept, now and forever. Amen
