

Loving the Divine Mother - Part 2

In the name of the ever-changing, ever-self-transcending Divine Mother, I call to my I Will Be Presence to help me fully accept and embrace that I exist in the realm of Mother. Help me experience and accept myself as pure Spirit, who can never be confined to or limited by anything in the world of Mother. Help me also accept that everything in the world of Mother comes from the same source as I. And thus, the key to oneness with my Divine Father is to first accept, embrace and come into oneness with the Divine Mother, by accepting that I, too, am an expression of the Mother.

I call for this invocation to be multiplied by the entire Ascended Host, and then extended as an opportunity to all people on Earth. In accordance with the vision of Christ, I call for the resolution of the following conditions:

[Mention specific conditions.]

God is Alpha and Omega

God is Father, God is Mother,
through the Son, one with each other.

Oh separation is the lie,
the ego is the unseen tie.
Conditions are the subtle tools
to trap the unsuspecting fools.

All ownership a prison wall,
and thus we rise to heed the call.
Transcendence is the Master Key,
becoming MORE is liberty.

Surrender is abundant life,
surrender overcomes all strife.
We plunge ourselves into the stream,
fulfilling Heaven's highest dream.

Christ vision keeps us on our course,
remembering our common Source.
In balance we will always grow,
remaining in the Sacred Flow.

We see the ONE beyond all form,
as oneness is the only norm.
Residing in the Sacred Space,
enveloped in Eternal Grace.

God is Father, God is Mother,
we see God in each other.

SECTION 1

1. I am filled with wonder, as I contemplate the vastness of the universe with its multitudes of galaxies, stars, solar systems and worlds within worlds.

Refrain 1

in feeling you
one with me.**

all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your wonder
filling me.**

2. I am filled with wonder, as I contemplate how this infinite and infinitely complex universe, is so delicately balanced as to make it one great symphony of life.

Repeat Refrain 1

3. I am filled with wonder, as I realize that this superbly designed work of art, was conceived by one mind, one supreme Being.

Repeat Refrain 1

4. I am filled with wonder, as I acknowledge that a mind, which could conceive of such beauty and complexity, surely could also conceive of a purpose for all self-aware beings in its creation.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your wonder
filling me.**

5. I am filled with wonder, as I perceive that I am a localized extension of the mind of my Creator, with the potential to attain the same all-encompassing, non-localized self-awareness as my Source.

Repeat Refrain 1

6. I am filled with wonder, as I realize my existence is a grand journey, from a localized sense of self towards an all-embracing self-awareness.

Repeat Refrain 1

7. I am filled with wonder, as I recognize that my existence in the world of form, the world of Mother, has only one purpose, namely to facilitate my journey towards a more expanded self-awareness.

Repeat Refrain 1

8. I am filled with wonder, as I realize that I grow in self-awareness, by first identifying myself as being limited by a particular form, and then transcending this sense of self, being reborn into a more expanded self-awareness. Truly, I am a God in the making.

Repeat Refrain 1

SECTION 2

1. I am filled with acceptance, as I recognize that my Creator has created the entire world of form, in order to facilitate the journey of myself and all other self-aware beings.

Refrain 2

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your acceptance
filling me.**

2. I am filled with acceptance, as I ponder the fact that anything I encounter in this world of form, can become a stepping stone in my journey towards greater self-awareness.

Repeat Refrain 2

3. I am filled with acceptance, as I realize that no matter how limited might be the circumstances I have encountered, they can still help me expand my self-awareness.

Repeat Refrain 2

4. I am filled with acceptance, as I see that even the most limited circumstances can be transcended, by allowing the sense of self that identifies itself with those circumstances to die.

Repeat Refrain 2

5. I am filled with acceptance, as I acknowledge that when I allow the old self to die, I will be reborn into a self-awareness that is closer to my Source.

Repeat Refrain 2

6. I am filled with acceptance, as I see that the world of form is not my enemy, and it does not truly oppose my growth.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your acceptance
filling me.**

7. I am filled with acceptance, as I understand that the world of form presents me with limiting circumstances, precisely to give me an opportunity to transcend my limited sense of self.

Repeat Refrain 2

8. I am filled with acceptance, as I fully embrace the realization, that the world of the Mother does not want to limit or punish me. Instead, the Mother presents me with opportunity after opportunity to be reborn into a greater self-awareness.

Repeat Refrain 2

SECTION 3

1. My identity body is filled with clarity, as I recognize that as an extension of the unbound self-awareness of my Creator, I can never truly be limited by anything in this world of form. I am truly a free Spirit, who has the right to be who I will be at any moment.

Refrain 3

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your clarity
filling me.**

2. My identity body is filled with clarity, as I see that I can only feel limited, when I no longer identify myself as an unbound Spirit, but instead identify myself as a separate self, that is defined by conditions in form.

Repeat Refrain 3

3. My identity body is filled with clarity, as I acknowledge that my free will allows me to identify myself as anything I choose, and that any identity I have created, gives me an opportunity to experience the world from a particular vantage point.

Repeat Refrain 3

4. My identity body is filled with clarity, as I perceive that any identity is only a filter, through which my pure awareness is experiencing the world of form. Thus, no identity can truly change the pure awareness that I AM.

Repeat Refrain 3

5. My identity body is filled with clarity, as I realize that I can, at any time, free myself from any identity I have created, by letting my limited sense of self die and returning to the pure awareness that I AM.

Repeat Refrain 3

6. My identity body is filled with clarity, as I understand that transcending a limited sense of self is not a matter of understanding something. For what understands is the separate mind, and that is precisely what has defined the separate self.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your clarity
filling me.**

7. My identity body is filled with clarity, as I recognize that overcoming a limited sense of self, is a matter of being willing to let that self die, without knowing what will appear in its place.

Repeat Refrain 3

8. My identity body is filled with clarity, as I feel an inner determination to let my limited self die, by allowing it to be dissolved in the Supernova of Pure Awareness.

Repeat Refrain 3

SECTION 4

1. My mental body is filled with wisdom, as I see that my mental body, my thought world, has so far been dominated by the separate mind, which can think only in terms of conditions.

Refrain 4

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your wisdom
filling me.**

2. My mental body is filled with wisdom, as I recognize that my thoughts have become a closed system, a closed mental box, that is imprisoning my unbound Spirit in a gilded cage.

Repeat Refrain 4

3. My mental body is filled with wisdom, as I realize how the separate mind has created an incredibly complex thought system, which has only one purpose, namely to justify its own existence.

Repeat Refrain 4

4. My mental body is filled with wisdom, as I know that the separate mind wants me to believe, that I need it in order to interact with the world of form.

Repeat Refrain 4

5. My mental body is filled with wisdom, as I recognize that the separate mind functions by creating problems, and then making me think I cannot be free until I have solved the problem.

Repeat Refrain 4

6. My mental body is filled with wisdom, as I recognize that my separate mind is an extension of a larger mind, which has created a veil of illusion, that makes it seem like the world is created as an epic struggle between good and evil, and that I cannot be free from the struggle until good wins.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your wisdom
filling me.**

7. My mental body is filled with wisdom, as I see that the emperor has nothing on. The epic struggle has no reality whatsoever, in the awareness of my Divine Father and my Divine Mother.

Repeat Refrain 4

8. My mental body is filled with wisdom, as I feel an inner determination to let the separate mind die. I now see that I will never be free, as long as I think I have to win some ultimate battle. I will be free only when I decide to walk away from the struggle.

Repeat Refrain 4

SECTION 5

1. My emotional body is filled with peace, as I see that my emotions have been dominated by hatred. This hatred was caused by me feeling, that the Father had forced me into existence, and that the Mother was forcing me to constantly struggle against conditions.

Refrain 5

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your peace
filling me.**

2. My emotional body is filled with peace, as I see that my true identity, my true being, is pure awareness. Pure awareness does not come into existence; it has no beginning and no end.

Repeat Refrain 5

3. My emotional body is filled with peace, as I realize that even though my individualization did have a beginning, even individualization was not forced upon me by an external source.

Repeat Refrain 5

4. My emotional body is filled with peace, as I know that individualization was a choice made by Source. Yet Source is my source, and thus Source is I. Therefore, I made the choice to individualize as me.

Repeat Refrain 5

5. My emotional body is filled with peace, as I acknowledge that it is only the separate mind, that can feel it has been forced into existence.

Repeat Refrain 5

6. My emotional body is filled with peace, as I recognize that I made the choice to create the separate mind, but when I stepped into it, I forgot that it was a result of my own choosing.

Repeat Refrain 5

7. My emotional body is filled with peace, as I see that after I identified myself as the separate mind, I felt that existence had been forced upon me by an external God. I even felt that the separate mind had been forced upon me by this god.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your peace
filling me.**

8. My emotional body is filled with peace, as I take back my power to choose, and thus I feel the inner determination to let all hatred of the separate mind, be consumed in the eternal fires of pure, unconditional love.

Repeat Refrain 5

SECTION 6

1. My physical body is filled with vitality, as I acknowledge that I was not forced to be in a physical body.

Refrain 6
**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your vitality
filling me.**

2. My physical body is filled with vitality, as I see that I chose to take on a physical body, because I saw that being in a body of the Mother, gives me a unique opportunity to expand my self-awareness.

Repeat Refrain 6

3. My physical body is filled with vitality, as I recognize that my body is not limiting my Spirit. It gives me an opportunity to demonstrate that Spirit can never be bound by matter, and this expands my self-awareness and might even inspire others.

Repeat Refrain 6

4. My physical body is filled with vitality, as I recognize that what I have seen as the limitations of the body, are simply temporary projections of the collective consciousness of humankind.

Repeat Refrain 6

5. My physical body is filled with vitality, as I see that no illness or limitation is ultimately real, and thus it has no power to affect my self-awareness—unless I choose to allow it to do so.

Repeat Refrain 6

6. My physical body is filled with vitality, as I realize that the essential key to my liberation, is to realize that the body is a product of the higher levels of the mind. Thus, I do not have to let my state of mind, be affected by the state of the body.

Repeat Refrain 6

7. My physical body is filled with vitality, as I understand that it is only the separate mind, that thinks it should be affected by the body. As unbound Spirit, my self-awareness is not caused by the body.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your vitality
filling me.**

8. My physical body is filled with vitality, as I recognize that my self-awareness is determined exclusively by choices I make. Thus, I feel the inner determination to let the self based on the physical body die, so that the body can be reborn into perfect health and vitality.

Repeat Refrain 6

SECTION 7.

1. I am filled with gratitude, as I realize that the ultimate illusion of the separate self, is that the Mother is separated from the Father, that matter is separated from Spirit.

Refrain 7

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your gratitude
filling me.**

2. I am filled with gratitude, as I see that I had come to believe in the illusion, that as long as I am in the world of form, I cannot experience oneness with my Source.

Repeat Refrain 7

3. I am filled with gratitude, as I recognize that it was this illusion that caused me to feel limited by the Mother, to feel hatred of the Mother. I thought that the Mother was keeping me away from my Father.

Repeat Refrain 7

4. I am filled with gratitude, as I see how this caused me to go into a blind alley, in which I was thinking that in order to be truly spiritual, I had to withdraw from the Mother, even seek to kill all influence of the Mother in my life.

Repeat Refrain 7

5. I am filled with gratitude, as I recognize that the Mother is not separated from the Father; it is an expression of the Father. And given that I too am an expression of the Father, I too am part of the world of Mother.

Repeat Refrain 7

6. I am filled with gratitude, as I acknowledge that, given that I am part of the Mother, I cannot attain oneness with my Father by withdrawing from or resenting the Mother.

Repeat Refrain 7

7. I am filled with gratitude, as I see that I can attain oneness with the Father, only by fully embracing myself as the Divine Mother. It is not by withdrawing from the world, but by embracing my life in this world as the key to my growth, that I will attain oneness with my Source.

Repeat Refrain 7

8. I am filled with gratitude, as I realize that resenting the Mother, only reinforces the illusion created by the separate self. Thus, I feel an inner determination to let this self die, and be reborn into a self-awareness as the Divine Mother in action.

Repeat Refrain 7

SECTION 8

1. I am filled with luminosity, as I realize that every form in the world of Mother, is made from one substance, namely the Ma-ter light.

Refrain 8

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your luminosity
filling me.**

2. I am filled with luminosity, as I see that the Ma-ter light, is an expression of the formless Creator. Thus, it is truly beyond form, but it has the potential to take on any form.

Repeat Refrain 8

3. I am filled with luminosity, as I recognize that any form outpictured by the Ma-ter light, is the result of a mental image projected upon the Ma-ter light.

Repeat Refrain 8

4. I am filled with luminosity, as I understand how all of the limiting forms seen on Earth, are projected through the separate mind, and its vision of a struggle between separate objects.

Repeat Refrain 8

5. I am filled with luminosity, as I realize that when I disidentify myself from the separate self, my pure awareness will no longer see itself, as being bound or limited by these projections of the separate mind.

Repeat Refrain 8

6. I am filled with luminosity, as I recognize that by accepting my true identity as an expression of the Father, individualized as Mother, I can fulfill my original design and have dominion over the Earth, instead of allowing the Earth to have dominion over my self-awareness.

Repeat Refrain 8

7. I am filled with luminosity, as I recognize that the key is to never accept any conditions on Earth as being real or being beyond change. I realize that neither the Father, nor the Mother, nor my Self are objects that can be understood through the separate mind. Reality can be known only through an experience of oneness.

Repeat Refrain 8

8. I am filled with luminosity, as I see that the Ma-ter light can as easily outpicture a higher vision as the present conditions. Thus, I feel the inner determination to let the limited self die, and be reborn into a higher self-awareness, that is then projected unto the Ma-ter light.

Repeat Refrain 8

SECTION 9

1. I am filled with wONEder, as I experience the unbound love of the Divine Mother, in allowing self-aware beings to do with her body as they see fit.

Refrain 9

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your wONEder
filling me.**

2. I am filled with wONeder, as I experience the unbound love of the Divine Mother, in allowing self-aware beings to project any image unto the Ma-ter light, vowing to always take on the form, regardless of how limited.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your wONeder
filling me.**

3. I am filled with wONeder, as I experience the unbound love of the Divine Mother, in never judging anyone, but simply allowing them to learn in their own way, by reflecting back what they project out.

Repeat Refrain 9

4. I am filled with wONeder, as I experience the unbound love of the Divine Mother, in seeing how the Mother has never opposed or punished me, but has truly supported my experimentation with free will with her unconditional love and acceptance.

Repeat Refrain 9

5. I am filled with wONeder, as I experience the unbound love of the Divine Mother, in realizing that the Mother has never done anything to me. I am the one who has done something to myself, by projecting images upon the Ma-ter light that limited my self-awareness.

Repeat Refrain 9

6. I am filled with wONeder, as I experience the unbound love of the Divine Mother, in recognizing that the Mother will always reflect back exactly what I send out. Thus, the moment

I stop projecting images through the separate self, at that moment the Mother will stop giving me limited circumstances.

Repeat Refrain 9

7. I am filled with wONeder, as I experience the unbound love of the Divine Mother, in realizing that the Mother has never seen herself, nor me, as separated from Source. Thus, the moment I stop seeing the Mother and myself through the filter of the separate mind, at that moment the entire world of Mother will instantly respond to support me.

Repeat Refrain 9

8. I am filled with wONeder, as I experience the unbound love of the Divine Mother, in seeing that it is up to me to take back my power to choose, so that I can choose to separate myself from the separate mind. I now feel the inner determination to let my separate identity die, and I accept that I am reborn in the ONeness that I AM.

Repeat Refrain 9

God is Alpha and Omega

God is Father, God is Mother,
through the Son, one with each other.

Oh separation is the lie,
the ego is the unseen tie.
Conditions are the subtle tools
to trap the unsuspecting fools.

Residing in the Sacred Space,

God is Father, God is Mother,

OM MANI PADME HUM (9X, 33X or
144X)

Sealing:

Beloved Spiritual Father and beloved Spiritual Mother, I declare that I fully accept myself as the Father expressing itself as Mother. Thus, I embrace myself as being the Divine Mother, and I accept any condition I encounter in the world of form as a supreme opportunity to grow in self-awareness.

I vow to no longer seek to withdraw from life as I encounter it on Earth. I vow to embrace life, and to use any condition I encounter as an opportunity to demonstrate that I AM Spirit, and as such I am unbound by any condition. Yet I also vow that instead of running away from conditions, I will go fully into them and see them as simply hiding the Ma-ter light and its source as unbound Spirit. Thus, I vow to see God behind all manifestations, and in that vision attain freedom from the illusion that any condition can limit the Spirit that I AM.

I accept that I am sealed in the infinite love of my Creator and the nurturing love of the Mother of God. Beloved Mother Mary, I am in full acceptance that I am living in the Mother, and that no thing in the Mother can separate me from my Father. I am in oneness with you, and in that oneness I find peace from the sense of struggle. I am experiencing your sense of wONEder in knowing you are one with all life. Thus, I know the entire universe is united in supporting my growth towards infinitely

greater levels of self-awareness. In oneness with Mother, I am free to be the Living Spirit in this world.
