

Rosary of Miracle Nurturance

In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Miracle Mother, Amen.

(Insert personal prayer here)

I honor God as Father and Mother

“I am Alpha and Omega, the beginning and the ending, saith the Lord, which is, and which was, and which is to come, the Almighty.” Oh God, my Creator, I recognize that you have chosen to manifest yourself as the expanding force of the Father and as the contracting force of the Mother. I recognize that the universe of which I am a part was created from the balanced interaction between these two aspects of your eternal Being.

“I am Alpha and Omega, the beginning and the end. I will give unto him that is athirst of the fountain of the water of life freely.” Oh God, I honor the Father element as the drive for growth, the drive for self-transcendence and the drive to be more. I honor the Mother element as the source of all form and I see that my nurturance in this world comes from the Ma-ter light, stirred by the creative force of the Father. Thus it is the Father’s good pleasure to give me the kingdom, and he does so through the nurturance of the Mother. I am nurtured when the Mother light is in harmony with the creative vision of the Father. I am nurtured when there is balance between the expanding and contracting forces of my own being.

“I am Alpha and Omega, the beginning and the end, the first and the last.” Oh God, I acknowledge that my beginning was the creative force of the Father, who gave me self-awareness and free will. I understand that if I use that free will to accept and uphold imbalance in my being, my opportunity to use the Ma-ter light will eventually come to an end. Yet if I choose to uphold balance, I will continue to self-transcend, and this is eternal life in which I am fully nurtured and made perfect in love.

I accept the reality of the abundant life

1. It is the Father’s good pleasure to give me the kingdom. God freely gives me of the fountain of the water of life. It is God’s will that I have the abundant life, and thus I do not have to earn it. I only have to accept what God gives me freely. Oh Mother Mary, I surrender myself to the higher will of my I AM Presence and the higher desires of my soul.

Hail Mother of Nurturance
**Hail Mary, I AM whole,
I AM complete within my soul.
I AM nurtured, I AM free,
one with God in eternity.**

**Holy Mary, by your Grace,
I AM transcending time and space.
I see God’s perfect Light in me,
I AM the Sun, I love life free.**

2. Limitations, suffering and lack of nurturance is against the will of God the Father. I can experience limitations and lack of nurturance only by actively rejecting God’s abundant life. It takes a greater effort to reject the abundant life than it takes to accept what is already mine. Oh Mother Mary, I surrender myself to the higher will of my I AM Presence and the higher desires of my soul.

Hail Mother of Nurturance

3. It is the Father’s good will that I have the abundant life, and God the Mother rejoices in giving me that abundant life in the material world. In this world, everything is made from the Ma-ter light, and abundance is manifest as the natural result of the Mother aspect of my being, my soul, being aligned with the Father aspect, my I AM Presence. Oh Mother Mary, I surrender myself to the higher will of my I AM Presence and the higher desires of my soul.

Hail Mother of Nurturance

4. When I experience limitations and lack of nurturance, the only possible cause is that my soul has fallen into a state of separation from my I AM Presence. Through the power of my mind, I have come to accept a set of false, self-centered desires that make me believe in the illusion that God's abundance is limited and that only those who take it by force will have enough. Oh Mother Mary, I surrender myself to the higher will of my I AM Presence and the higher desires of my soul.

**Hail Mary, I AM whole,
I AM complete within my soul.
I AM nurtured, I AM free,
one with God in eternity.**

**Holy Mary, by your Grace,
I AM transcending time and space.
I see God's perfect Light in me,
I AM the Sun, I love life free.**

5. The essence of all false desires is that my ego is trying to hold on to what God has given me freely. Therefore, I set myself outside the flow of the River of Life by refusing to freely give what I have freely received. When I seek to hold on to the things of this world, I am burying my talents in the ground instead of multiplying them so God can give me more. Oh Mother Mary, I surrender myself to the higher will of my I AM Presence and the higher desires of my soul.

Hail Mother of Nurturance

6. When I fall for the temptation to hold on to God's abundance instead of giving it freely, I enter a negative spiral that causes me to experience limitations and lack of nurturance. My ego seeks to compensate for this by perverting the expanding force of the Father and the contracting force of the Mother. When the ego perverts the expanding force of the Father, it seeks to take Heaven by force. It seeks to use unlawful means to fulfill its false desires, including forcing its lower will upon others. Oh Mother Mary, I surrender myself to the higher will of

my I AM Presence and the higher desires of my soul.

Hail Mother of Nurturance

7. When the ego perverts the contracting force of the Mother, it rebels against God's will of the abundant life for all people. It doubts that God will multiply what is given freely, and thus it seeks to possess and control instead of freely giving. It also seeks to control the Ma-ter light in order to avoid reaping the consequences of its self-centered actions. In doing so, the ego breaks the flow of God's abundance, causing me to step outside of the River of Life. Thus, I venture into the desert of lack and limitations created by the duality consciousness. Oh Mother Mary, I surrender myself to the higher will of my I AM Presence and the higher desires of my soul.

Hail Mother of Nurturance

8. All lack of nurturance is the result of the sense of separation from my source that causes me to feel outside the River of Life that overflows with all good and perfect things. This separation is an illusion that causes me to feel that God is unjustly withholding things from me. Yet I am the one rejecting God's free gift, and thus only I can begin the journey of separating myself from the duality consciousness. Oh Mother Mary, I surrender myself to the higher will of my I AM Presence and the higher desires of my soul.

Hail Mother of Nurturance

9. I now walk through the desert until I stand at the bank of the River of Life, and then, in a final act of total surrender, I plunge myself into the Living Waters and reclaim the abundant life. I accept the Divine Father's abundant life and I accept the perfect nurturance of the Divine Mother. Thus, I am whole, now and forever. Oh Mother Mary, I surrender myself to the higher will of my I AM Presence and the higher desires of my soul.

**Hail Mary, I AM whole,
I AM complete within my soul.
I AM nurtured, I AM free,
one with God in eternity.**

**Holy Mary, by your Grace,
I AM transcending time and space.
I see God's perfect Light in me,
I AM the Sun, I love life free.**

God is Father and Mother

God is Father, God is Mother,
never one without the other.

Your balanced union is our source,
your love will keep us on our course.
You offer us abundant life,
to free us from all sense of strife.
We plunge ourselves into the stream,
awakening from this bad dream.
We see that life is truly one,
and thus our victory is won.
We have returned unto our God,
on the path the saints have trod.

We form God's body on the Earth,
and give our planet its rebirth,
into a golden age of love,
with ample blessings from Above.
We set all people free to see
that oneness is reality,
and in that oneness we will be
whole for all eternity.
And now the Earth is truly healed,
all life in God's perfection sealed.

God is Father, God is Mother,
we see God in each other.

I surrender all false desires

1. A false desire is a desire based on lack, and it makes me feel unwhole, unfulfilled and unnurtured. A false desire is based on the illusion of separation that makes me think I will be unwhole until I possess the object of the desire. Beloved Jesus, I am leaving my nets of false desires and I dwell with you in our Father's

kingdom.

Hail Mother of Nurturance

2. In pursuing a false desire, I am seeking to fill a void, and thus the void will exist as long as the desire is unfulfilled. Yet a false desire can never give me true fulfillment, and thus even when I attain the object of the desire, I will still feel empty and unfulfilled. Because the object of the desire cannot fill the desire, a false desire becomes an endless quest, a downward spiral, that swallows up my life and leaves me empty. Beloved Jesus, I am leaving my nets of false desires and I dwell with you in our Father's kingdom.

Hail Mother of Nurturance

3. A true desire is based on oneness with the source of life, and it makes me feel whole, fulfilled and nurtured. A true desire springs from the drive to be part of the constant self-transcendence of God. Thus, instead of seeking to receive in order to fill a void, a true desire springs from the drive to share God's abundance and become more of God. A true desire never leaves me feeling unfulfilled because I have no sense of lack and only look forward to expressing more of the all. Beloved Jesus, I am leaving my nets of false desires and I dwell with you in our Father's kingdom.

Hail Mother of Nurturance

4. In pursuing a true desire, I do not seek to own and possess. I seek to give, so that I can receive more from God and be part of the River of Life that constantly brings more abundance to this world. Thus, a true desire becomes an upward spiral that leads to greater and greater fulfillment and a sense of having perfect nurturance. Beloved Jesus, I am leaving my nets of false desires and I dwell with you in our Father's kingdom.

Hail Mother of Nurturance

5. Once I have accepted a false desire, it becomes part of my soul, part of my desire body. Thus, I will feel unwhole and unnurtured until the desire is filled. Yet filling a false desire does not mean that I have to possess the object of the desire. In reality, every false desire is a perversion of a true desire, and the true desire springs from the drive to express my divine individuality and experience the beauty of God's creation. Beloved Jesus, I am leaving my nets of false desires and I dwell with you in our Father's kingdom.

**Hail Mary, I AM whole,
I AM complete within my soul.
I AM nurtured, I AM free,
one with God in eternity.**

**Holy Mary, by your Grace,
I AM transcending time and space.
I see God's perfect Light in me,
I AM the Sun, I love life free.**

6. Behind every true desire is the drive to become more of God, and it is the sense of becoming more that gives me true, inner nurturance. Thus, I can fill a false desire by replacing it with the true desire that realigns me with the perfect will of my Divine Father. I can then receive his abundance and the nurturance of the Divine Mother that consumes all false desires. Beloved Jesus, I am leaving my nets of false desires and I dwell with you in our Father's kingdom.

Hail Mother of Nurturance

7. When the Mother element of my soul is in perfect harmony with the Father element of my I AM Presence, I will transcend the false desire without having to possess the object of the desire. I can fulfill the desire without having to own the things or experience the pleasures of this world. I can fill the desire by being in the flow of the River of Life, whereby the "things" of the Spirit fill me with the joy that cannot be lost and knows no bounds or lack. Beloved Jesus, I am leaving my nets of false desires and I dwell with you in our Father's kingdom.

Hail Mother of Nurturance

8. I am made whole in knowing that I am one with the River of Life. I can receive freely from God and I can give freely to all life. And in freely giving I am truly nurtured, for the Divine Mother will multiply everything that is given in love. Thus, the more I give, the more I receive and all life is magnified. Beloved Jesus, I am leaving my nets of false desires and I dwell with you in our Father's kingdom.

Hail Mother of Nurturance

9. I come apart from the mind of anti-christ that seeks ultimate possession and control. I examine all desires to see whether they spring from separation from the whole or the drive to magnify the whole. I accept only true desires, and instead of pursuing the impossible dream of absolute ownership, I plunge myself into the ever-flowing River of Life. I am whole and I am constantly becoming more of God. Beloved Jesus, I am leaving my nets of false desires and I dwell with you in our Father's kingdom.

Hail Mother of Nurturance

God is Father and Mother

God is Father, God is Mother,
never one without the other.

Your balanced union is our source,
your love will keep us on our course.
You offer us abundant life,
to free us from all sense of strife.
We plunge ourselves into the stream,
awakening from this bad dream.
We see that life is truly one,
and thus our victory is won.
We have returned unto our God,
on the path the saints have trod.
We form God's body on the Earth,
and give our planet its rebirth,
into a golden age of love,
with ample blessings from Above.
We set all people free to see
that oneness is reality,

and in that oneness we will be whole for all eternity. And now the Earth is truly healed, all life in God's perfection sealed.

God is Father, God is Mother, we see God in each other.

I surrender the illusion of ownership

1. The idea that I need to control and possess anything in this world is an illusion created by the ego. This illusion springs from the sense of separation from the whole, and it makes the ego think there is not enough abundance for all, so it needs to hoard what it desires. In reality, God's abundance is infinite and the abundance in this world is limited only by our ability to receive and our willingness to share. Beloved Alpha, I accept your kingdom and I say, "Oh Lord, BE it unto me according to your will."

**Hail Mary, I AM whole,
I AM complete within my soul.
I AM nurtured, I AM free,
one with God in eternity.**

**Holy Mary, by your Grace,
I AM transcending time and space.
I see God's perfect Light in me,
I AM the Sun, I love life free.**

2. When I am one with my source, I am one with the River of Life. Thus, I don't need to own any thing because I already have the use of every good and perfect thing that is part of God's kingdom. I know that it is when I give that I truly receive, and thus I have no fear of letting go in order to receive more. Beloved Alpha, I accept your kingdom and I say, "Oh Lord, BE it unto me according to your will."

Hail Mother of Nurturance

3. In giving away the things of this world, I receive more from God, and thereby more abundance is brought into the material world. This becomes an upward, self-reinforcing spiral that leads to more abundance for everyone, and this

growth can continue indefinitely. Beloved Alpha, I accept your kingdom and I say, "Oh Lord, BE it unto me according to your will."

Hail Mother of Nurturance

4. The illusion of separate ownership springs from the mind of anti-christ that wants to control a separate part of God's creation instead of being one with the whole. When I seek to own the things of this world, I must take them by force instead of receiving them freely from God. Beloved Alpha, I accept your kingdom and I say, "Oh Lord, BE it unto me according to your will."

Hail Mother of Nurturance

5. When I take something by force, the contracting element of the Mother will generate an opposing force that will seek to take away from me what I seek to possess. The more I seek to bury my talents in the ground, the stronger the force that seeks to take away what I think I possess. Beloved Alpha, I accept your kingdom and I say, "Oh Lord, BE it unto me according to your will."

Hail Mother of Nurturance

6. The illusion of ownership becomes a trap for my mind because I spend all my time, energy and attention in an impossible attempt to control the things of this world and defend my possessions from the forces seeking to take them away. In reality, these forces are a blessing that prevents me from being trapped forever in the illusion of separation. Beloved Alpha, I accept your kingdom and I say, "Oh Lord, BE it unto me according to your will."

Hail Mother of Nurturance

7. In seeking to hold on to what I think I possess, I must seek to control other people and even the material world. Thus, my life becomes an endless quest for control over a small part of God's abundance, and this prevents me from accepting the whole of God's abundance. Beloved Alpha, I accept your kingdom and I say,

“Oh Lord, BE it unto me according to your will.”

**Hail Mary, I AM whole,
I AM complete within my soul.
I AM nurtured, I AM free,
one with God in eternity.**

**Holy Mary, by your Grace,
I AM transcending time and space.
I see God’s perfect Light in me,
I AM the Sun, I love life free.**

8. When I seek to possess a part rather than to accept the whole, I am constantly living in the fear of loss that prevents me from feeling nurtured and fulfilled. This fear keeps me outside of the River of Life and prevents me from accepting what God offers me freely. Thus, I keep pushing away what is mine to accept but not to possess. Beloved Alpha, I accept your kingdom and I say, “Oh Lord, BE it unto me according to your will.”

Hail Mother of Nurturance

9. I hereby give up all illusions of lack and ownership, and I reunite with the allness of God, in which I have the abundance of every good and perfect gift. When I have the allness of God, I need no separate ownership of any one thing. Therefore, I plunge myself into the River of Life and receive my Divine Father’s unlimited abundance and my Divine Mother’s unconditional nurturance. Beloved Alpha, I accept your kingdom and I say, “Oh Lord, BE it unto me according to your will.”

Hail Mother of Nurturance

God is Father and Mother

God is Father, God is Mother,
never one without the other.

Your balanced union is our source,
your love will keep us on our course.
You offer us abundant life,
to free us from all sense of strife.

We plunge ourselves into the stream,
awakening from this bad dream.
We see that life is truly one,
and thus our victory is won.
We have returned unto our God,
on the path the saints have trod.

whole for all eternity.
And now the Earth is truly healed,

God is Father, God is Mother,
we see God in each other.

I accept the abundant life for all people

1. I accept that it is the Father’s good pleasure to give his kingdom of the abundant life to all people. God’s plan is for all people to freely accept the gifts of the Father and to freely share the abundance of the Mother. When all freely receive and freely give, more spiritual abundance is brought into the material world, and thereby this world becomes the kingdom of Heaven, in which all people have abundance of every good and perfect gift. Beloved Omega, I accept your perfect nurturance for myself and all life.

Hail Mother of Nurturance

2. I hereby surrender the entire illusion that I am separated from the flow of the River of Life and that limitations and lack are unavoidable. I surrender the ego-illusion that it is better to possess and control a few things than to be one with the eternal flow of God’s abundance. Therefore, my true desire is to bring God’s abundance to all life. Beloved Omega, I accept your perfect nurturance for myself and all life.

Hail Mother of Nurturance

3. I declare that it is no longer acceptable to me that there is such inequality on Earth. I no longer accept the difference between rich and poor people or rich and poor nations. I no longer accept that a small elite controls the majority of the wealth on this planet, causing millions of people to die from starvation or live their entire lives in abject poverty with no opportunity to transcend their situation and become more in God. Beloved Omega, I accept your perfect nurturance for myself and all life.

**Hail Mary, I AM whole,
I AM complete within my soul.
I AM nurtured, I AM free,
one with God in eternity.**

**Holy Mary, by your Grace,
I AM transcending time and space.
I see God's perfect Light in me,
I AM the Sun, I love life free.**

4. By the authority of the Christ Flame in my heart, I call upon God and all members of the Ascended Host to take command over planet Earth. I call forth the manifestation of the abundant life for all who are willing to transcend their egos and become more. Beloved Omega, I accept your perfect nurturance for myself and all life.

Hail Mother of Nurturance

5. I demand the overthrow of the power elite, the false hierarchy of anti-christ, that has interrupted the God-ordained flow of life, perverted the drive to become more and used this perverted drive to hoard wealth, power and control at the expense of the general population. Beloved Omega, I accept your perfect nurturance for myself and all life.

Hail Mother of Nurturance

6. I demand the reestablishment of the God-ordained equal opportunity that gives all people the option to grow and to be in the flow of self-transcendence that makes them part of the River of Life, the timeless stream that perpetu-

ally leads to the more of God in the abundant life. Beloved Omega, I accept your perfect nurturance for myself and all life.

Hail Mother of Nurturance

7. I demand the exposure of all dualistic lies that have created a consciousness of separation, limitation and lack, a state of mind that causes people to reject the abundant life. I call upon God the Father to awaken people to the vision of the abundant life on Earth, in the form of both spiritual and material nurturance. I demand that the Ma-ter light once again outpicture the Father's good pleasure to give all people his kingdom. Beloved Omega, I accept your perfect nurturance for myself and all life.

Hail Mother of Nurturance

8. I call upon God the Mother to be the contracting force that consumes the towers of Babel built by those who have become trapped in ego-centered desires and the illusions of lack and ownership. I call upon the Divine Mother to take away the illusions that prevent people from seeing that they can never be fulfilled by the things of this world and that their lives are consumed by an impossible quest. Beloved Omega, I accept your perfect nurturance for myself and all life.

Hail Mother of Nurturance

9. Beloved Divine Mother, I call upon you to awaken all people to the reality that our egos are rejecting God's abundance, and therefore we have created a downward spiral that leads to increasing suffering and lack of nurturance. Awaken all people to the reality that when we reenter the River of Life and see ourselves as part of the whole, we will know that God's abundance is infinite. Therefore, the more we give here below, the more we receive from Above. I call forth an upward spiral on Earth that leads to abundance for all people. Beloved Omega, I accept your perfect nurturance for myself and all life.

**Hail Mary, I AM whole,
I AM complete within my soul.
I AM nurtured, I AM free,
one with God in eternity.**

**Holy Mary, by your Grace,
I AM transcending time and space.
I see God's perfect Light in me,
I AM the Sun, I love life free.**

God is Father and Mother

God is Father, God is Mother,
never one without the other.

Your balanced union is our source,
your love will keep us on our course.
You offer us abundant life,
to free us from all sense of strife.
We plunge ourselves into the stream,

I AM the Sun that always shines

1. I now consciously separate myself from the consciousness of anti-christ that springs from the sense of separation and lack. I fully surrender the illusion that I cannot be complete in myself and that I need something from this world in order to be whole. I am Alpha and Omega, the beginning and the ending, which is, and which was, and which is to come, the Al-

mighty.

Hail Mother of Nurturance

2. I AM created in the image and likeness of my Divine Father, and I have access to the abundance of God right within myself. I need nothing from outside myself, I need nothing from this world in order to be who I am, in order to be complete and whole. I was not designed to receive from this world but to give God's abundance to this world. In giving is the key to ultimate fulfillment. I am Alpha and Omega, the beginning and the ending, which is, and which was, and which is to come, the Almighty.

Hail Mother of Nurturance

3. I AM created in the image and likeness of my God, and my God is a complete and self-contained being. My God is like the sun that always shines its light and that needs nothing from outside itself to produce that light. I have access to God's infinite light in the kingdom within me. I am Alpha and Omega, the beginning and the ending, which is, and which was, and which is to come, the Almighty.

Hail Mother of Nurturance

4. I surrender all false desires and the consciousness of separation. I AM an individualized Sun and I AM shining God's light from within myself. I need nothing from outside myself to shine that light, for God has already given me a replica of himself, a replica of his eternal Sun of Being. I am Alpha and Omega, the beginning and the ending, which is, and which was, and which is to come, the Almighty.

Hail Mother of Nurturance

5. I now surrender myself completely unto the original vision of God for my lifestream. I surrender all false desires and all sense of lack. I consciously let go of all attachments to the things of this world and all sense that I need

something from this world in order to be whole. I focus all my energy and attention on seeking first the kingdom of God and his righteousness, the Christ consciousness. Everything in this world is secondary compared to this goal. I am Alpha and Omega, the beginning and the ending, which is, and which was, and which is to come, the Almighty.

**Hail Mary, I AM whole,
I AM complete within my soul.
I AM nurtured, I AM free,
one with God in eternity.**

**Holy Mary, by your Grace,
I AM transcending time and space.
I see God's perfect Light in me,
I AM the Sun, I love life free.**

6. When I am in that total surrender to the higher will of my I AM Presence and the higher desires of my soul, the prince of this world has nothing in me. He has nothing in me because I have no sense of lack, no illusions that I need anything from this world in order to be whole. I seek to receive nothing from this world, and thus no force in this world can control my Being. I seek only to give God's abundance to this world, and in ultimate giving is ultimate freedom. I am Alpha and Omega, the beginning and the ending, which is, and which was, and which is to come, the Almighty.

Hail Mother of Nurturance

7. I know that my divine plan was not designed from a sense of lack or incompleteness. It was designed from a sense of abundance and a desire to give to all life. Yet limitations and lack may be part of my divine plan because I desired to show people that we can rise above all limitations by letting God's light shine through our beings. Thus, I surrender all sense of lack and allow God's light to consume all limitations. I am Alpha and Omega, the beginning and the ending, which is, and which was, and which is to come, the Almighty.

Hail Mother of Nurturance

8. I AM consciously reconnecting to the true will of my I AM Presence and my divine plan. I came into this world to be a Sun, shining my Divine Light unto all life, thus magnifying the whole of God's creation. I know I will find ultimate nurturance only when I am fulfilling my divine plan, and thus I surrender all desires that do not support my divine plan. In my total surrender, I know the entire universe will rejoice in helping me fulfill my divine plan. Thus, I know it is made manifest in the eternal cycles of Being. I am Alpha and Omega, the beginning and the ending, which is, and which was, and which is to come, the Almighty.

Hail Mother of Nurturance

9. I cannot serve two masters and I choose to serve God before mammon. Therefore, I seek first the kingdom of God, and all good and perfect things are added unto me. I AM being a Sun and letting God's light shine before men. I now feel whole and completely nurtured because the Ma-ter light rejoices in filling my true desires. I AM one with my Divine Father, and I AM one with the flow of the Divine Mother. I AM Alpha and Omega, the beginning and the ending, which is, and which was, and which is to come, the Almighty.

thereof. (3X) Amen.**

In the name of the unconditional love of the
Father, the Son, the Holy Spirit and the Miracle
Mother, Amen.

Sealing

Beloved Father-Mother God, beloved Alpha
and Omega, seal us now in the desire to be one
with the River of Life in which we freely re-
ceive and freely give, thus magnifying all life.
Beloved Archangel Michael, clear our desire
bodies from all false desires and seal us in the
impenetrable protection of your blue flame. Be-
loved Jesus, seal us in the crystal clarity of
Christ truth so we can see through and leave
behind all false desires. Beloved Mother Mary,
seal us in the unconditional love of the Mother
of God so we can accept the abundant life of
the Father and the perfect nurturance of the
Mother.

In the name of the Father, the Son, the Holy
Spirit and the Mother of God, I accept that I am
one with my I AM Presence and that through
that oneness I am sealed from all false desires
that make me feel unwhole. I now affirm that in
the light of Christ truth, I am one with the
River of Life and I have the abundance of
every good and perfect gift. Therefore, I am
whole in perfect nurturance and I see God's
kingdom manifest on Earth, now and forever.
Amen.
