

Invocation of Miracle Freedom

In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Miracle Mother, Amen.

(Insert personal prayer here)

Lord's prayer of freedom

Beloved Father-Mother God within us and within all life, we desire to be free to bask in your light and love. We desire to be free to express the divine individuality with which you endowed us in the beginning. We desire to be the co-creators with you that we are designed to be. We desire to see Mother Earth be free to manifest a Golden Age of spiritual freedom and abundance for all life.

We know you have given us free will, and thus we have the potential to be more or less than we were created to be. We desire to be more so that you can be more through us. Therefore, we are willing to separate ourselves from the illusion that the Father's will and laws, the truth of Christ and the Ma-ter light restrict our freedom and creative expression. We accept the reality that we can find true freedom only within the kingdom of God that gives us eternal life. We see that by rebelling against God or by separating ourselves from our Creator and our Tree of Life, we actually take away our own freedom, the freedom of others and the freedom of the Ma-ter light. We take away the freedom to express God's perfection and we restrict life to the prison of the mind of duality, the mind of anti-christ.

We now call to beloved Jesus, beloved Mother Mary, beloved Saint Germain and our ascended brothers and sisters in the cosmic hierarchy to help us see through the lies of anti-christ that have enslaved our souls for so long. We are willing to be free from the human ego and all serpentine lies in our consciousness. We are willing to receive the truth of Christ that will make us truly free, so that the prince of this world comes and has nothing in us. We call

to the Christ within us to replace all elements of anti-christ in our beings.

We also call to the Ascended Host to take command over all aspects of life on planet Earth. Expose the elements of anti-christ for all to see, so that people have the freedom to choose whether they will serve Christ or anti-christ in this age. We call for the Christ within all life to rise and replace all elements of anti-christ that block the manifestation of the Golden Age of Aquarius. Therefore, we hold the immaculate concept for the Earth. We accept that within and through us the Golden Age is a manifest reality, now and forever.

The second coming of Christ is at hand

1. Beloved Jesus, I accept the Living Christ within me and I invite you to be yourself in action through me and fulfill your mission of demonstrating the path to Christhood. The Living Christ within me takes dominion over the golden calf of idolatry that prevents people from seeing Jesus as an example to follow. The truth that every person has a potential to become the Living Christ on Earth is revealed to all people. The false prophets, those who deny the Living Christ within themselves and others, are now judged and taken from the Earth. The second coming of Christ is manifest through the Christed ones in embodiment.

Hail Victorious Christ

3. Beloved Jesus, be yourself in action through me and fulfill your mission of removing the blind leaders from the Earth. The Living Christ within me calls forth the judgment of all representatives of anti-christ, and I form the polarity here below for your judgment Above. What you bind in Heaven is bound on Earth through the Christ in me, and therefore the false teachers are removed from the Earth. The second coming of Christ is manifest through the Christed ones in embodiment.

Hail Victorious Christ

4. Beloved Jesus, be yourself in action through me and fulfill your mission to raise the spiritually dead. The second coming of Christ is manifest through the Christed ones in embodiment.

Hail Victorious Christ

6. Beloved Jesus, be yourself in action through me and fulfill your mission of bringing the Living Word to Earth. The Living Christ within me awakens people from the mindset that stops the flow of the Living Word by wanting it to conform to human opinions or existing scriptures. The true gospel of Christ, the Living Word, is preached to every creature. The second coming of Christ is manifest through the Christed ones in embodiment.

Hail Victorious Christ

All people know that we are not the doers because it is the I AM Presence within us who is doing the work. The second coming of

Christ is manifest through the Christed ones in embodiment.

**Beloved Jesus, you have won,
God has awakened everyone.
No longer can the leaders blind
divide and conquer humankind.
Our eye is single as we see
the truth of Christ that makes us free.**

**Beloved Jesus, we will be
the Christed ones who keep Earth free.
The torch of Pisces we uphold
Aquarius we now unfold.
Your victory for Earth is won,
the Golden Age has now begun.**

8. Beloved Jesus, be yourself in action through me and fulfill your mission of exposing the lies of anti-christ. The Living Christ within me takes dominion over the dualistic lies that prevent people from seeing the truth of Christ. People realize that without discernment there can be no freedom because people will be led astray by the false prophets. People now see the truth of Christ that empowers them to stop following the blind leaders. The second coming of Christ is manifest through the Christed ones in embodiment.

Hail Victorious Christ

9. Beloved Jesus, be yourself in action through me and fulfill your mission of bringing peace to Earth. The Living Christ within me takes dominion over the forces of war. People are awakened to the fact that we all came from the same source and that we are part of the Body of God on Earth. People now see that what they do unto others, they are truly doing to themselves. The second coming of Christ is manifest through the Christed ones in embodiment.

Hail Victorious Christ

10. Beloved Jesus, be yourself in action through me and fulfill your mission of teaching people the Law of Love. The Living Christ within me awakens people to the reality that

the universe is a mirror. What we do unto others, is reflected back by the cosmic mirror, and it is the sense of struggle that creates the struggle. People are now free to embrace the truth that it is the Father's good pleasure to give them the kingdom, and all poverty is banished from the Earth. The second coming of Christ is manifest through the Christed ones in embodiment.

Hail Victorious Christ

11. Beloved Jesus, be yourself in action through me and fulfill your mission of giving all people the abundant life. The Living Christ within me awakens people to the true abundance of the Spirit. The second coming of Christ is manifest through the Christed ones in embodiment.

Hail Victorious Christ

12. Beloved Jesus, be yourself in action through me and fulfill your mission of bringing a Golden Age to Earth. The Living Christ within me awakens people to the reality of spiritual cycles. All true spiritual seekers now see that until we master the lessons of Pisces, we cannot enter the consciousness of Aquarius.
