

Transcending the Accuser of the Brethren

In the name of the Cosmic Christ, I call to the Divine Father and the Divine Mother, I call to beloved Purity and Astrea and I say: "Beloved Astrea, I accept your infinite purity, for I am willing to attain a sense of co-measurement of what truly is the vibration of Elohim." Thus, in oneness with the vibration of Astrea, I dedicate this invocation to the exposure of the consciousness of the accuser of the brethren and how it is keeping co-creators trapped in the epic dramas. I especially call for this to be exposed in: ...

(Briefly describe the conditions to be exposed.)

God is Alpha and Omega

God is Father, God is Mother,
through the Son, one with each other.

Oh separation is the lie,
the ego is the unseen tie.
Conditions are the subtle tools
to trap the unsuspecting fools.

All ownership a prison wall,
and thus we rise to heed the call.
Transcendence is the Master Key,
becoming MORE is liberty.

Surrender is abundant life,
surrender overcomes all strife.
We plunge ourselves into the stream,
fulfilling Heaven's highest dream.

Christ vision keeps us on our course,
remembering our common Source.
In balance we will always grow,
remaining in the Sacred Flow.

We see the ONE beyond all form,
as oneness is the only norm.
Residing in the Sacred Space,
enveloped in Eternal Grace.

God is Father, God is Mother,
we see God in each other.

Elohim (Chant 3X or more)

First Ray - Power

1. I AM the ONE, I AM Alpha and Omega, the beginning and the ending. I will give unto them that are athirst of the fountain of the water of life freely.

Refrain 1:

**Beloved Astrea, your heart is so true,
with Circle and Sword of white and blue,
cut all life free from dramas unwise,
on wings of Purity we're willing to rise.**

**Accelerate into Purity makes us real,
Accelerate into Purity all life heal,
Accelerate into Purity makes us MORE,
Accelerate into Purity helps us soar.**

2. Beloved Hercules, I am willing to know the difference between "words" and "the Word." I am willing to know the undivided Word as proof of the infinite reality that is beyond duality.

Repeat Refrain 1

3. Beloved Hercules, I will no longer seek to get the last word among men, for I have had enough of the endless arguments at the level of words, where every argument has a counter-argument, and thus it is impossible to prove what is ultimately real and what is unreal.

Repeat Refrain 1

4. Beloved Hercules, I have had enough of trying to prove what is right and wrong, where what I prove to be "right" will only be proven as an opposite polarity to something "wrong." I want to know the ultimate right, the infinite right.

**Beloved Astrea, your heart is so true,
with Circle and Sword of white and blue,
cut all life free from dramas unwise,
on wings of Purity we're willing to rise.**

**Accelerate into Purity makes us real,
Accelerate into Purity all life heal,
Accelerate into Purity makes us MORE,
Accelerate into Purity helps us soar.**

5. Beloved Hercules, I accept that the only way to be ultimately right with God is to reach for the Word. I want to attain the Christ Consciousness, designed from the beginning to maintain Oneness between the Creator and its creation.

Repeat Refrain 1

6. Beloved Hercules, I reach for the Word, for I am willing to know that God is, that God is beyond the finite, that I am an extension of God. And thus, I know that the core of my Being is beyond the finite world.

Repeat Refrain 1

7. Beloved Hercules, I will to ascend. I am willing to be the open door for the Word that truly cleaves the real from the unreal—not by the words spoken, but by the vibration carried by those words.

Repeat Refrain 1

8. Beloved Hercules, I am willing to be the open door so that people can sense the vibration, go beyond the words—and therefore contact the Word, the living Word, that is a Living Spirit that flows, always transcending, always accelerating into greater and greater expressions of God's qualities.

Repeat Refrain 1

Second Ray - Wisdom

1. Beloved Apollo, I am willing to be like Jesus and give people an encounter with a higher vibration than the dualistic polarities. Thus, if they are willing, they can be quickened; not by my words, but by the Word itself.

Refrain 2:

**Beloved Astrea, from Purity's Ray,
send forth deliverance to all life today,
acceleration to Purity will set us free
from all that is less than love's Purity.**

**Beloved Astrea, in God Purity,
accelerate all of my life energy,
raising my mind into true unity
with the Masters of love in Infinity.**

2. I AM the ONE, becoming many forms that are destined to return to the One in the cosmic dance between the Divine Lover and the Beloved.

Repeat Refrain 2

3. Beloved Apollo, I am willing to transcend any tradition or doctrine or belief system that makes the Word of God of no effect by replacing it with man-made words.

Repeat Refrain 2

4. Beloved Apollo, having transcended the need to use words to accuse others or prove them wrong, I am willing to be the open door for the final judgment of the consciousness and energy of the accuser of the brethren.

Repeat Refrain 2

5. Beloved Apollo, I am willing to be the open door for the judgment of those lifestreams who in a previous sphere decided that the plan of God is flawed, that free will is flawed.

Repeat Refrain 2

6. Beloved Apollo, I am willing to be the open door for the judgment of the entire consciousness which says that the possibility of lifestreams being lost proves that the Creator has created a flawed design for the ascension of the spheres, and that free will is a risk too great to take.

**Beloved Astrea, from Purity's Ray,
send forth deliverance to all life today,
acceleration to Purity will set us free
from all that is less than love's Purity.**

**Beloved Astrea, in God Purity,
accelerate all of my life energy,
raising my mind into true unity
with the Masters of love in Infinity.**

7. Beloved Apollo, I am willing to be the open door for the judgment of those lifestreams who were not willing to humble themselves and to let go of their lives as exalted beings, as leaders with power, and make themselves the servants of all.

Repeat Refrain 2

8. Beloved Apollo, I am willing to be the open door for the judgment of those lifestreams who did love their lives unto the death. They loved the position they had in the unascended sphere, and they felt that stepping up to the higher level of being the servants of all was a degradation for them, a degradation of their rank and position.

Repeat Refrain 2

Third Ray - Love

1. Beloved Heros, I am willing to be the open door for the judgment of those lifestreams who were not willing to lay down their lives for the All. And as an excuse for not having to lay down their lives, they used the fact that some lifestreams would be left behind to come up with the reasoning that this was a flaw in God's plan, and that it was their role to prove God wrong.

Refrain 3:

**Beloved Astrea, accelerate us all,
as for your deliverance we fervently call,
set all life free from vision impure
beyond fear and doubt, we're rising for sure.**

**Accelerate into Purity makes us real,
Accelerate into Purity all life heal,
Accelerate into Purity makes us MORE
Accelerate into Purity helps us soar.**

2. Beloved Heros, I am willing to be the open door for the judgment of the entire consciousness – the consciousness of separation, the consciousness of duality – that made it possible for lifestreams to believe that they could prove God wrong, that they could set themselves up in opposition to God.

Repeat Refrain 3

3. I AM the One, manifest as the trinity of Alpha and Omega, held in perfect creative tension by the only begotten Son, the Logos of the Christ mind.

Repeat Refrain 3

4. Beloved Heros, I am willing to be the open door for awakening people to the reality that the moment they enter into duality, they are deceived by duality. They now look at the universe from inside a dualistic polarity, and therefore to them it looks perfectly real, perfectly logical, that there has to be an opposite polarity to their own.

Repeat Refrain 3

5. Beloved Heros, I am willing to be the open door for the judgment of the entire consciousness that makes it possible for lifestreams to believe that God is an opposite polarity to themselves—and therefore it is possible to prove God wrong, to prove God's plan wrong.

Repeat Refrain 3

6. Beloved Heros, I am willing to be the open door for the judgment of the entire consciousness of words, the divided word, where words are not used to convey an infinite vibration but have been taken down to the level of duality.

**Beloved Astrea, accelerate us all,
as for your deliverance we fervently call,
set all life free from vision impure
beyond fear and doubt, we're rising for sure.**

**Accelerate into Purity makes us real,
Accelerate into Purity all life heal,
Accelerate into Purity makes us MORE
Accelerate into Purity helps us soar.**

7. Beloved Heros, I am willing to be the open door for raising humankind to the level where it becomes possible to communicate with thought alone, so that people can communicate directly at the level of concepts and ideas.

Repeat Refrain 3

8. Beloved Heros, I am willing to be the open door for the Masters to bring forth concepts and ideas that are pure, elevated, and directed towards raising up other lifestreams, raising up the entire sphere.

Repeat Refrain 3

Fourth Ray - Purity

1. Beloved Purity, I am willing to be the open door for the judgment of those lifestreams who decided to rebel against God's plan, decided they would not lay down their lives for a friend—they would not lay down their positions in order to rise into an even higher position of serving the All.

Refrain 4:

**Beloved Astrea, accelerate life
beyond all duality's struggle and strife,
consume all division between God and man,
accelerate fulfillment of God's perfect plan.**

**Beloved Astrea, in God Purity,
accelerate all of my life energy,
raising my mind into true unity
with the Masters of love in Infinity.**

2. Beloved Purity, I am willing to be the open door for the judgment of those lifestreams who tried to pull as many lifestreams as possible with them into the downward spiral of separation and duality.

Repeat Refrain 4

3. Beloved Purity, I am willing to be the open door for the judgment of those lifestreams who decided to accuse other lifestreams of having perverted the God-quality they had mastered.

Repeat Refrain 4

4. I AM the ONE, the creative fount, expressed as the eternal flow of becoming that forms the River of Life, enfolding all that IS in the wings of the Holy Spirit.

Repeat Refrain 4

5. Beloved Purity, I am willing to be the open door for the judgment of those lifestreams who accuse others of not being pure in how they exercise their God quality—in order to tempt them into reacting to the energy of accusation.

Repeat Refrain 4

6. Beloved Purity, I am willing to be the open door for the judgment of those lifestreams who became the Devil and Satan, not as one being but as a group of beings who formed within themselves a downward spiral, the exact opposite of the ascension spiral, creating a black hole within the white hole of the ascension spiral.

Beloved Astrea, accelerate life beyond all duality's struggle and strife, consume all division between God and man, accelerate fulfillment of God's perfect plan.

Beloved Astrea, in God Purity, accelerate all of my life energy, raising my mind into true unity with the Masters of love in Infinity.

7. Beloved Purity, I am willing to be the open door for the judgment of those lifestreams who have perverted their own light and turned it into a momentum of darkness that they use in order to direct a very intense energy of accusation at other lifestreams.

Repeat Refrain 4

8. Beloved Purity, I am willing to be the open door for the judgment of those lifestreams who accuse the innocents and who are willing to lie in order to accuse others of something they have not done.

Repeat Refrain 4

Fifth Ray - Truth

1. Beloved Cyclopea, I am willing to be the open door for exposing the consciousness of the accuser and how the accusatory energy can send people into a state of shock that causes them to leave the ascension spiral.

Refrain 5:

Beloved Astrea, your heart is so true, with Circle and Sword of white and blue, cut all life free from dramas unwise, on wings of Purity we're willing to rise.

Accelerate into Purity makes us real, Accelerate into Purity all life heal, Accelerate into Purity makes us MORE, Accelerate into Purity helps us soar.

2. Beloved Cyclopea, I am willing to be the open door for exposing the consciousness of the accuser and how it tempts people to go into the accusatory energy and accuse the accusers back.

Repeat Refrain 5

3. Beloved Cyclopea, I am willing to be the open door for exposing the consciousness of the accuser and how it tempts people to go into the opposite of the accusatory energy, namely that of wanting to defend yourself or destroy the arguments of the accuser, even destroy the accuser himself.

Repeat Refrain 5

4. Beloved Cyclopea, I am willing to be the open door for exposing the consciousness of the accuser and how it tempts those who have attained mastery on one of the seven rays to go into a perversion of their ray in order to refute the accuser.

Repeat Refrain 5

5. I AM the ONE, expressing myself as self-aware beings with the opportunity to become all that I AM through the process of consciously choosing to be MORE.

Repeat Refrain 5

6. Beloved Cyclopea, I am willing to be the open door for exposing the consciousness of the accuser and the reality that the only way to avoid being pulled into a negative spiral is by remaining completely non-attached to the accusations themselves and to the energy behind them.

**Beloved Astrea, your heart is so true,
with Circle and Sword of white and blue,
cut all life free from dramas unwise,
on wings of Purity we're willing to rise.**

**Accelerate into Purity makes us real,
Accelerate into Purity all life heal,
Accelerate into Purity makes us MORE,
Accelerate into Purity helps us soar.**

7. Beloved Cyclopea, I am willing to be the open door for exposing the consciousness of the accuser and that the moment you react – by seeking to defend yourself, arguing with the accusations or throwing back the energy directed at you – you are caught in a negative spiral.

Repeat Refrain 5

8. Beloved Cyclopea, I am willing to be the open door for exposing the consciousness of the accuser and that the more you react, the more you misqualify your own light, until you form a negative spiral that can overpower your conscious mind and will, whereby all of your light becomes darkness.

Repeat Refrain 5

Sixth Ray - Service

1. Beloved Peace, I am willing to be the open door for exposing how the accuser is tempting people to push back dualistic energy by perverting their light and giving it a lower vibration, a vibration that is less than love, that is less than purity.

Refrain 6:

**Beloved Astrea, from Purity's Ray,
send forth deliverance to all life today,
acceleration to Purity will set us free
from all that is less than love's Purity.**

**Beloved Astrea, in God Purity,
accelerate all of my life energy,
raising my mind into true unity
with the Masters of love in Infinity.**

2. Beloved Peace, I am willing to be the open door for exposing the consciousness of the accuser and how it was used to cause many spiritual beings to fall into a downward spiral that many are still trapped in today.

Repeat Refrain 6

3. Beloved Peace, I am willing to be the open door for exposing the consciousness of the accuser and the belief that the battle of Armageddon in its entirety is taking place here on Earth, and that the Earth is the battleground that will decide the fate of the universe.

Repeat Refrain 6

4. Beloved Peace, I am willing to be the open door for exposing the fallen consciousness that causes people to think that they are so important that they can determine the fate of the universe and therefore even challenge God. Or even that they can correct the flaw in God's design by forcing people to ascend.

Repeat Refrain 6

5. Beloved Peace, I am willing to be the open door for helping the Ascended Host empower a sufficient number among the top ten percent to pull the Earth into an ascending spiral, to pull it out of the downward spiral created by the fallen beings who have been allowed to embody here over the ages.

Repeat Refrain 6

6. I AM the ONE, the self that encompasses all life, and as the self-aware extensions of myself become MORE, I become MORE.

**Beloved Astrea, from Purity's Ray,
send forth deliverance to all life today,
acceleration to Purity will set us free
from all that is less than love's Purity.**

**Beloved Astrea, in God Purity,
accelerate all of my life energy,
raising my mind into true unity
with the Masters of love in Infinity.**

7. Beloved Peace, I am willing to be the open door for the judgment of the fallen beings who have been cast down to the Earth, having great wrath and seeking to get lifestreams to enter a downward spiral by accusing them of anything that these fallen beings can think of.

Repeat Refrain 6

8. Beloved Peace, I am willing to be the open door for exposing the consciousness of the accuser and the fact that there is no limit to the accusations the fallen consciousness can direct against the innocent. For the fallen consciousness has no truth in it, and thus anything goes, the end can justify the means.

Repeat Refrain 6

Seventh Ray - Freedom

1. Beloved Arcturus, I am willing to be the open door for exposing that for a person who is trapped in the fallen consciousness, it is no longer a matter of what is right and wrong, what is true and false. It is not even a matter of what is logical or what is consistent.

Refrain 7:

**Beloved Astrea, accelerate us all,
as for your deliverance we fervently call,
set all life free from vision impure
beyond fear and doubt, we're rising for sure.**

**Accelerate into Purity makes us real,
Accelerate into Purity all life heal,
Accelerate into Purity makes us MORE
Accelerate into Purity helps us soar.**

2. Beloved Arcturus, I am willing to be the open door for exposing the consciousness of the accuser and how it causes people to lose all need to be consistent, to be truthful, to be logical. Their aim is to accuse others by inducing doubt in their beings, by overwhelming them with the momentum of accusatory energy, forming a black hole of very high intensity.

Repeat Refrain 7

3. Beloved Arcturus, I am willing to be the open door for exposing the central, underlying dynamic that will determine whether the Earth will be pulled out of the negative spiral and enter into an ascending spiral that will raise it above these accusatory energies.

Repeat Refrain 7

4. Beloved Arcturus, I am willing to be the open door for raising the consciousness of humankind to the point, where the accusers of the brethren will be cast down from the Earth and must descend to an even lower place, where they can continue to accuse those around them—or even resort to accusing each other.

Repeat Refrain 7

5. Beloved Arcturus, I am willing to be the open door for exposing the consciousness of the accuser and how it leads to warring factions – an established power elite, one or more aspiring power elites – and thus they are not only accusing the innocent but also accusing each other and thus dividing their strength and their power.

**Beloved Astrea, accelerate us all,
as for your deliverance we fervently call,
set all life free from vision impure
beyond fear and doubt, we're rising for sure.**

**Accelerate into Purity makes us real,
Accelerate into Purity all life heal,
Accelerate into Purity makes us MORE
Accelerate into Purity helps us soar.**

6. Beloved Arcturus, I am willing to be the open door for awakening the top ten percent of the lifestreams on this planet to the initiation, where they are ready to ascend into a higher understanding and application of the correct use of the expanding force of the Father.

Repeat Refrain 7

7. I AM the ONE, and every being that came from my Being can become all that I AM, by transcending the sense of self in the cosmic dance, whereby the Beloved becomes the Divine Lover, loving all life.

Repeat Refrain 7

8. Beloved Arcturus, I am willing to be the open door for helping the top ten percent enter the ascending spiral and reinforce that ascending spiral.

Repeat Refrain 7

Eight Ray - Integration

1. Beloved Uzziel, I am willing to be the open door for helping the top ten percent see through the temptation to leave the ascending spiral in order to fight some battle with the accuser of

the brethren.

Refrain 8:

**Beloved Astrea, accelerate life
beyond all duality's struggle and strife,
consume all division between God and man,
accelerate fulfillment of God's perfect plan.**

**Beloved Astrea, in God Purity,
accelerate all of my life energy,
raising my mind into true unity
with the Masters of love in Infinity.**

2. Beloved Uzziel, I am willing to recognize the accusatory energy, to recognize it in myself. I will be honest and look at myself and look at my life for any tendency to accuse others.

Repeat Refrain 8

3. Beloved Uzziel, I am willing to pull myself out of any negative spirals, to stop focusing on changing other people. I will stop accusing them because of the splinters I see in their eyes, and I will instead look at the beam in my own eye. For I will not allow myself to be an instrument for the energy that accuses the brethren.

Repeat Refrain 8

4. Beloved Uzziel, I am willing to overcome all tendency to defend myself against accusations. I will transcend the tendency to feel unjustly accused and go into a spiral of defending and justifying myself.

Repeat Refrain 8

5. Beloved Uzziel, I am willing to rise above all tendency for having a martyr complex, where I feel that I have been unjustly condemned, but I dream that one day, I will be elevated and the world will see that I was right.

Repeat Refrain 8

6. Beloved Uzziel, I am willing to rise above all tendency to feel that I cannot express my talents; I cannot shine my light because of this or that impure or unjust condition in the world.

Beloved Astrea, accelerate life beyond all duality's struggle and strife, consume all division between God and man, accelerate fulfillment of God's perfect plan.

Beloved Astrea, in God Purity, accelerate all of my life energy, raising my mind into true unity with the Masters of love in Infinity.

7. Beloved Uzziel, I am willing to rise above all momentums of accusing myself, putting myself down, or anticipating how the force of the accuser of the brethren will accuse me, if I take any stand for truth or stand out from the crowd.

Repeat Refrain 8

8. I AM the ONE, the Alpha and Omega, the beginning and the ending, which is, and which was, and which is to come, the Almighty. And I WILL BE WHO I WILL BE, for although I am the ONE, I am forever the MORE.

Repeat Refrain 8

Invocation of the seven Elohim

1st Ray: Beloved Hercules, I am willing to expose and transcend the many subtle games that have sprung from this consciousness of accusing and defending, accusing and accusing back, feeling unjustly condemned, seeking to justify oneself, waiting for the point where you are finally recognized as being just or having a talent. Always waiting for something outside myself, instead of simply daring to step forward and be the open door for the Word.

Beloved Amazonia, I am willing to rise above all temptation to enter a spiral of arguing and counter-arguing at the level of words. Yet I will also rise above the temptation to feel guilty, to look down upon myself for having

done this.

Elohim. (Chant 3X)

2nd Ray: Beloved Apollo, I am willing to rise to your pure vision and know the reality on Earth—that it is impossible for any being to embody on Earth without taking on impurities. I will not come down upon myself for having entered into a negative spiral, for having taken on impurities, even impure motives.

Beloved Lumina, I am willing to realize the reality that there are no impurities on Earth that cannot be purified by the infinite momentum of the Elohim. I am willing to accelerate, to awaken, to know the alternative that the Elohim have to whatever impurities I may have in my being.

Elohim. (Chant 3X)

3rd Ray: Beloved Heros, I recognize that the Elohim have the momentum, the infinite momentum, that can propel me beyond, that can accelerate me beyond, any impurity on Earth—when I am willing to look at myself honestly and assess what impurities I have taken in.

Beloved Amora, I am willing to take advantage of the gift of Elohim, for I will rise above the impurities caused by the entire spiral of the accusation of the brethren, the accusatory energies, the accusatory arguments, the accusatory words.

Elohim. (Chant 3X)

4th Ray: Beloved Purity, I am willing to look at myself honestly and realistically and assess how much I have taken in of this accusatory energy, how much of a momentum I have of wanting to argue at the level of words, wanting to have the last word on Earth rather than being one with the Word of Heaven.

Beloved Astrea, I am willing to take advantage of your multiplication of my efforts to discern between what is “the Word,” the consciousness of Christ, and the “words” springing from the consciousness of anti-christ, the di-

vided consciousness of duality.

Elohim. (Chant 3X)

5th Ray: Beloved Cyclopea, I am willing to rise above all desire to experience the endless inconsequential cycle of arguing with other people – splitting hairs over certain interpretations of certain words, going into the classical cycle of “he said-she said.” I have had enough of that experience.

Beloved Virginia, I desire to experience your pure vision, your pure love. I desire to experience that you receive me with the open heart of the Elohim.

Elohim. (Chant 3X)

6th Ray: Beloved Peace, I say with you: I hold no grudges, I condemn no one. I have no need to accuse anyone on Earth. I am not threatened by anyone on Earth, by any energy on Earth, by any idea, concept or argument formulated in words. I am not threatened, and therefore I do not need to accuse and I do not need to defend. I do not need to point the finger at any particular individual, for I have accelerated my being beyond the accusatory energy of the fallen beings.

Beloved Aloha, I am willing to know the difference in vibration between the consciousness of the accuser and the Ascended Host. I am willing to accelerate into purity, accelerate into purity, accelerate into purity!

Elohim. (Chant 3X)

7th Ray: Beloved Arcturus, I am willing to notice my reaction to the energies of Elohim that I have invoked, and I surrender any darkness or energy that is stirred up.

Beloved Victoria, I am willing to see what it is that prevents me from getting out of the downward spiral and entering the ascending spiral of purity.

Elohim. (Chant 3X)

Accelerate into Purity! (3X)

Beloved Elohim Astrea.

Accelerate into Purity! (3X)

Beloved Gabriel and Hope.

Accelerate into Purity! (3X)

Beloved Serapis Bey.

Accelerate into Purity! (3X)

Beloved I AM.

Sealing:

In the name of Alpha and Omega, I accept the perfect vision of my service to life, given to me by my Higher Self. I surrender all desires, wants and expectations of the separate self and plunge myself into the River of Life. I allow the Holy Spirit to move me to where I can flow with the River of Life and effortlessly fulfill my Divine plan.

I accept the single-eyed vision of Christ that exposes the beams in my own eye, so that I can see and consciously surrender all accusatory consciousness in my being. I stand naked before Christ, as I seek to hide nothing from the all-seeing eye of God. I consciously surrender the ego's illusion that what is hidden from men is also hidden from God. I hold on to nothing, and I am willing to see and surrender any and all illusions.

In this unconditional surrender, I see that nothing in this world has power over my Spirit, and thus I accept no imperfect conditions as permanent or even ultimately real. Thus, I become transparent to the accusatory energies of this world. My eye is single, and thus the prince of this world has nothing in me. As I surrender all impurities in my being, I know that the immaculate concept for my four lower bodies is effortlessly manifest, and I accept that I am sealed in the perfect vision of God.

I know that that which is unreal cannot affect that which is real. I accept that I AM real and that only the immaculate concept for my life is real. I accept that God created me and saw that “It was good.” In the purity of this vision I remain sealed forevermore, as I AM MORE.
