

Invocation for Christ discernment

In the name of the I AM that I AM, Jesus Christ, I call to beloved Jesus and beloved Maitreya, and I declare that I am willing to increase my Christ discernment and I am willing to let die all separate selves that prevent me from having an increase in Christ discernment for as long as I am in embodiment. I especially call for your help in seeing what blocks my Christ discernment . . .

(Make personal calls)

Part 1

1. Beloved Jesus, I am willing to lose my life for your sake, meaning I am willing to lose any and all separate selves that block me from having true Christ discernment.

O Jesus, blessed brother mine,
I walk the path that you outline,
a great example to us all,
I follow now your inner call.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

2. Beloved Jesus, I am willing to have you expose to me any beliefs or illusions that my separate selves are using to block my Christ discernment.

O Jesus, open inner sight,
the ego wants to prove it's right,
but this I will no longer do,
I want to be all one with you.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

3. Beloved Jesus, help me experience the reality that for the ego, Christ discernment is just a concept that it can define any way it wants.

O Jesus, I now clearly see,
the Key of Knowledge given me,
my Christ self I hereby embrace,
as you fill up my inner space.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

4. Beloved Jesus, help me experience the reality that the ego wants me (and all other people) to believe that it has Christ discernment because this will give it ultimate authority, and it will validate its subjective, dualistic views as the ultimate truth.

O Jesus, show me serpent's lie,
expose the beam in my own eye,
as Christ discernment you me give,
in oneness I forever live.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

5. Beloved Jesus, help me experience the reality that attaining Christ discernment is a process where I will continually have to see through the ego's attempts to give some ultimate authority to its dualistic views.

O Jesus, I am truly meek,
and thus I turn the other cheek,
when the accuser attacks me,
I go within and merge with thee.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

6. Beloved Jesus, help me experience the reality that the ego sees Christ discernment as an ultimate state, and once I have supposedly attained it, all of my viewpoints will be the absolute truth.

O Jesus, ego I let die,
surrender ev'ry earthly tie,
the dead can bury what is dead,
I choose to walk with you instead.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

7. Beloved Jesus, help me experience the reality that Christ discernment is not an ultimate state but an ongoing process that does not end until I ascend. There is a level of Christ discernment for each of the 144 states of consciousness possible on earth.

O Jesus, help me rise above,
the devil's test through higher love,
show me separate self unreal,
my formless self you do reveal.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

8. Beloved Jesus, help me experience the reality that if I allow my ego to make me believe that I have achieved an ultimate level of Christ discernment, then my growth will stop and this is a form of spiritual death.

O Jesus, what is that to me,
I just let go and follow thee,
with this I do pass ev'ry test,
to find with you eternal rest.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

9. Beloved Jesus, I vow to you that I will not fall into the trap of allowing my ego to convince me that I have achieved the ultimate state of discernment and that all of my viewpoints are an absolute truth.

O Jesus, fiery master mine,
my heart now melting into thine,
I love with heart and mind and soul,
the God who is my highest goal.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

Part 2

1. Beloved Jesus, help me experience the reality that there is always more to know, there is always a higher level of awareness.

O Jesus, blessed brother mine,
I walk the path that you outline,
a great example to us all,
I follow now your inner call.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

2. Beloved Jesus, help me experience the reality that Christ discernment starts with the ability to expose the manipulation of the fallen beings, the lies and illusions they have created.

O Jesus, open inner sight,
the ego wants to prove it's right,
but this I will no longer do,
I want to be all one with you.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

3. Beloved Jesus, help me experience the reality that the fallen beings claim that Christ discernment is a matter of identifying which of their dualistic illusions is the absolute truth. In reality, Christ discernment is about seeing through all dualistic illusions.

O Jesus, I now clearly see,
the Key of Knowledge given me,
my Christ self I hereby embrace,
as you fill up my inner space.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

4. Beloved Jesus, help me experience the reality that there is no absolute or final truth possible on earth.

O Jesus, show me serpent's lie,
expose the beam in my own eye,
as Christ discernment you me give,
in oneness I forever live.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

5. Beloved Jesus, help me experience the reality that the first challenge of Christ is to recognize and experience that there is a reality beyond my current perception filter, an authority beyond my outer mind.

O Jesus, I am truly meek,
and thus I turn the other cheek,
when the accuser attacks me,
I go within and merge with thee.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

6. Beloved Jesus, help me experience the reality that many people have passed this initiation, but the more important initiation to pass is the second challenge of Christ.

O Jesus, ego I let die,
surrender ev'ry earthly tie,
the dead can bury what is dead,
I choose to walk with you instead.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

7. Beloved Jesus, help me experience the reality that the second challenge of Christ was exemplified in the situation where you told Peter to: "Get thee behind me, Satan."

O Jesus, help me rise above,
the devil's test through higher love,
show me separate self unreal,
my formless self you do reveal.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

8. Beloved Jesus, help me experience the reality that the ego will try to use my recognition of a higher authority to validate its own dualistic viewpoints by pulling Christ into its mental box.

O Jesus, what is that to me,
I just let go and follow thee,
with this I do pass ev'ry test,
to find with you eternal rest.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

9. Beloved Jesus, I am willing to have you show me any and all instances where I have allowed my ego and separate selves to pull Christ into my own mental box and use it to validate some viewpoint as an absolute truth.

O Jesus, fiery master mine,
my heart now melting into thine,
I love with heart and mind and soul,
the God who is my highest goal.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

Part 3

1. Beloved Maitreya, help me experience the reality that I cannot ever recognize Christ vision with the outer mind, the intellectual, linear, reasoning mind.

Maitreya, I am truly meek,
your counsel wise I humbly seek,
your vision I so want to see,
with you in Eden I will be.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

2. Beloved Maitreya, help me experience the reality that there is no argument or line of reasoning that can prove Christ vision because Christ vision needs no proof from this world.

Maitreya, help me to return,
to learn from you, I truly yearn,
as oneness is all I desire
I feel initiation's fire.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire, CHRISTHOOD Webinar
that raises me forever higher.**

3. Beloved Maitreya, help me experience the reality that there is no statement made with words that could ever give an accurate and full representation of Christ vision.

Maitreya, I hereby decide,
from you I will no longer hide,
expose to me the very lie
that caused eden's self to die.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

4. Beloved Maitreya, help me experience the reality that I cannot know Christ vision with my outer mind. It is not a matter of taking viewpoints defined on earth and declaring some to be true and some to be untrue.

Maitreya, blessed Guru mine,
my heart of hearts forever thine,
I vow that I will listen well,
so we can break the serpent's spell.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

5. Beloved Maitreya, help me experience the reality that Christ vision is beyond any viewpoints, theories, doctrines or ideologies defined on earth because they are all defined from the consciousness of separation.

Maitreya, help me see the lie
whereby the serpent broke the tie,
the serpent now has naught in me,
in oneness I am truly free.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

6. Beloved Maitreya, help me experience the reality that I cannot know Christ vision through my own mind. I can only experience Christ vision by allowing my Conscious You to go beyond the outer mind.

Maitreya, truth does set me free
from falsehoods of duality,
the fruit of knowledge I let go,
so your true spirit I do know.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

7. Beloved Maitreya, help me experience the reality that I cannot experience Christ vision on my own. I need a teacher, I need something from outside my own mind that gives me an experience that there is something beyond my perception filter.

Maitreya, I submit to you,
intentions pure, my heart is true,
from ego I am truly free,
as I am now all one with thee.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

8. Beloved Maitreya, help me experience the reality that at any moment, what I see is coloured by my perception filter. Therefore, I need to continually seek to step outside my perception filter and have the direct experience of the Christ mind.

Maitreya, kindness is the key,
all shades of kindness teach to me,
for I am now the open door,
the Art of Kindness to restore.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

9. Beloved Maitreya, I am willing to experience your Presence and your ongoing guidance in presenting me with a higher awareness than what is defined by my current perception filter and my current level among the 144 levels of consciousness.

Maitreya, oh sweet mystery,
immersed in your reality,
the myst'ry school will now return,
for this, my heart does truly burn.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

Part 4

1. Beloved Maitreya, help me experience the reality that my ego, my separate selves and my perception filter are actually a symbol for the "forbidden fruit," the serpentine consciousness.

Maitreya, I am truly meek,
your counsel wise I humbly seek,
your vision I so want to see,
with you in Eden I will be.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

2. Beloved Maitreya, help me experience what was the very argument from the serpentine mind that caused me to believe that I could of my own mind become as a God who knows good and evil.

Maitreya, help me to return,
to learn from you, I truly yearn,
as oneness is all I desire
I feel initiation's fire.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

3. Beloved Maitreya, help me experience what was the line of reasoning that caused me to leave you or another representative of Christ behind and wander into the jungle of dualistic beliefs, thinking I could be my own teacher.

Maitreya, I hereby decide,
from you I will no longer hide,
expose to me the very lie
that caused edenic self to die.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

4. Beloved Maitreya, help me experience the reality that my attempt to become as a God who can define truth and error is a completely futile quest and can never lead me to Christ vision or inner peace.

Maitreya, blessed Guru mine,
my heart of hearts forever thine,
I vow that I will listen well,
so we can break the serpent's spell.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

5. Beloved Maitreya, help me experience the reality that I was misled by the serpents because they exposed me to such trauma that I could not react neutrally. Thus, I created a set of dualistic selves to deal with this trauma.

Maitreya, help me see the lie
whereby the serpent broke the tie,
the serpent now has naught in me,
in oneness I am truly free.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

6. Beloved Maitreya, help me experience the reality that these dualistic selves are based on the illusion that I am a separate being and that I must deal with the aggression of the serpents as a separate being.

Maitreya, truth does set me free
from falsehoods of duality,
the fruit of knowledge I let go,
so your true spirit I do know.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

7. Beloved Maitreya, help me experience the reality that I am not a separate being. Help me experience myself as the Conscious You and experience my I AM Presence beyond the illusion of separation and my separate selves.

Maitreya, I submit to you,
intentions pure, my heart is true,
from ego I am truly free,
as I am now all one with thee.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

8. Beloved Maitreya, help me gradually see through all of my separate selves. I vow that as I see a separate self, I will let it die in order to follow Christ.

Maitreya, kindness is the key,
all shades of kindness teach to me,
for I am now the open door,
the Art of Kindness to restore.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

9. Beloved Maitreya, help me especially see the separate selves that caused me to walk away from the teacher. Help me reconnect to my original spiritual teacher, for I am indeed willing to walk and talk with my personal representative of Christ.

Maitreya, oh sweet mystery,
immersed in your reality,
the myst'ry school will now return,
for this, my heart does truly burn.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

1. Maitreya, I am truly meek,
your counsel wise I humbly seek,
your vision I so want to see,
with you in Eden I will be.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

as oneness is all I desire
I feel initiation's fire.
