

## 2 | AWAKEN PEOPLE TO THE POTENTIAL TO STOP WAR

In the name of the I AM THAT I AM, Jesus Christ, I call upon Mother Mary and the Divine Director to awaken people from the illusion that war is too big of an issue for us to do anything about. Awaken people to the reality that we are spiritual beings and that we can co-create a new future by working with the ascended masters. I especially call for ...

[Make your own calls here.]

### *Part 1*

1. Mother Mary, awaken people to the existence of the ascended masters. Awaken people to the Law of Free Will and that the ascended masters have the power to remove war, but that we who are in embodiment must give you the authority to do so.

O blessed Mary, Mother mine,  
there is no greater love than thine,  
as we are one in heart and mind,  
my place in hierarchy I find.

**O Mother Mary, generate,  
the song that does accelerate,  
the earth into a higher state,  
all matter does now scintillate.**

2. Mother Mary, awaken people to the existence of a force that does not respect our free will but attempts to manipulate us into creating and sustaining war.

I came to earth from heaven sent,  
as I am in embodiment,  
I use Divine authority,  
commanding you to set earth free.

**O Mother Mary, generate,  
the song that does accelerate,  
the earth into a higher state,  
all matter does now scintillate.**

3. Mother Mary, awaken people from the tendency to reject, or be reluctant to look at, the existence of a dark force. Help people see that this is what keeps the dark force in power on earth.

I call now in God's sacred name,  
for you to use your Mother Flame,  
to burn all fear-based energy,  
restoring sacred harmony.

**O Mother Mary, generate,  
the song that does accelerate,  
the earth into a higher state,  
all matter does now scintillate.**

4. Mother Mary, awaken people to the fact that the only way to stop war is to allow the ascended masters to remove the dark force. Help people see that only those who are willing to take responsibility for themselves can bring about this shift.

Your sacred name I hereby praise,  
collective consciousness you raise,  
no more of fear and doubt and shame,  
consume it with your Mother Flame.

**O Mother Mary, generate,  
the song that does accelerate,  
the earth into a higher state,  
all matter does now scintillate.**

5. Mother Mary, awaken people from the tendency to isolate themselves and from their unwillingness to look for a deeper, spiritual understanding of war. Help them see that focusing on the positive and sending out good vibrations is not enough to stop war.

All darkness from the earth you purge,  
your light moves as a mighty surge,  
no force of darkness can now stop,  
the spiral that goes only up.

**O Mother Mary, generate,  
the song that does accelerate,  
the earth into a higher state,  
all matter does now scintillate.**

6. Mother Mary, awaken people to the reality that we will not truly change the earth by only focusing on ourselves and raising our own consciousness. It is necessary to look beyond ourselves and take responsibility for the planet, for humanity as a whole.

All elemental life you bless,  
removing from them man-made stress,  
the nature spirits are now free,  
outpicturing Divine decree.

**O Mother Mary, generate,  
the song that does accelerate,  
the earth into a higher state,  
all matter does now scintillate.**

7. Mother Mary, awaken people to the reality that the energy vortexes that drive war are so powerful that even if all of the spiritual and religious people on earth raised their own consciousness, it would not be enough to consume these vortexes.

I raise my voice and take my stand,  
a stop to war I do command,  
no more shall warring scar the earth,  
a golden age is given birth.

**O Mother Mary, generate,  
the song that does accelerate,  
the earth into a higher state,  
all matter does now scintillate.**

8. Mother Mary, awaken people to the reality that only the power of the ascended masters can consume these vortexes. Only the ascended masters have that power.

As Mother Earth is free at last,  
disasters belong to the past,  
your Mother Light is so intense,  
that matter is now far less dense.

**O Mother Mary, generate,  
the song that does accelerate,  
the earth into a higher state,  
all matter does now scintillate.**

9. Mother Mary, awaken people to the reality that we alone cannot remove war from planet earth. Only by working with the ascended masters can war be removed.

In Mother Light the earth is pure,  
the upward spiral will endure,  
prosperity is now the norm,  
God's vision manifest as form.

**O Mother Mary, generate,  
the song that does accelerate,  
the earth into a higher state,  
all matter does now scintillate.**

## *Part 2*

1. Divine Director, awaken people to the need for us to give the ascended masters the authority to act on earth. We do this only by understanding the dynamic of why war was created and how it can continue.

Divine Director, I now see,  
the world is unreality,  
in my heart I now truly feel,  
the Spirit is all that is real.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

2. Divine Director, awaken people from the illusion that they do not need to look at anything dark or evil. Help them see how to look at darkness without giving it power.

Divine Director, vision give,  
in clarity I want to live,  
I now behold my plan Divine,  
the plan that is uniquely mine.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

3. Divine Director, awaken people from the tendency that they are willing to look at darkness but are then deceived into reacting with anger. Help them see that wanting to defeat the dark forces does give power to darkness.

Divine Director, show in me,  
the ego games, and set me free,  
help me escape the ego's cage,  
to help bring in the golden age.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

4. Divine Director, awaken people to the Middle Way where you look at darkness with non-attachment. You look at darkness in order to make precise calls for the ascended masters to remove it.

Divine Director, I'm with you,  
my vision one, no longer two,  
as karma's veil you do disperse,  
I see a whole new universe.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

5. Divine Director, awaken people to the reality that we do not have to fight darkness. We allow the ascended masters to do the work based on your higher vision.

Divine Director, I go up,  
electric light now fills my cup,  
consume in me all shadows old,  
bestow on me a vision bold.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

6. Divine Director, awaken people from their fear of looking at the darkness on earth. Help them see that we will not truly improve things on earth without looking at and overcoming our own fear.

Divine Director, heart of gold,  
my sacred labor I unfold,  
o blessed Guru, I now see,  
where my own plan is taking me.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

7. Divine Director, awaken people to their inner knowing, their inner ability to know and experience the reality of the spiritual realm, the ascended masters and why we are here on earth.

Divine Director, by your grace,  
in grander scheme I find my place,  
my individual flame I see,  
uniqueness God has given me.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

8. Divine Director, awaken people to the fact that we have been brought up in an environment that strongly discourages us from listening to and following our inner knowing, our intuitive sense of what is right and what is our goal in life.

Divine Director, vision one,  
I see that I AM God's own Sun,  
with your direction so Divine,  
I am now letting my light shine.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

9. Divine Director, awaken people from the forgetfulness that happens as we take embodiment. Help people see their reason for taking embodiment at this time.

Divine Director, what a gift,  
to be a part of Spirit's lift,  
to raise mankind out of the night,  
to bask in Spirit's loving sight.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

### *Part 3*

1. Mother Mary, awaken people to the fact that the idea that one can be a spiritual person and make a contribution to improving the world without looking at anything negative or evil is a programming created by the dark forces in order to prevent the spiritual people from fulfilling their highest potential.

O blessed Mary, Mother mine,  
there is no greater love than thine,  
as we are one in heart and mind,  
my place in hierarchy I find.

**O Mother Mary, generate,  
the song that does accelerate,  
the earth into a higher state,  
all matter does now scintillate.**

2. Mother Mary, awaken people to the reality that the dark forces do not want to lose the grip they have on humanity and this planet. Help people acknowledge this consciously.

I came to earth from heaven sent,  
as I am in embodiment,  
I use Divine authority,  
commanding you to set earth free.

**O Mother Mary, generate,  
the song that does accelerate,  
the earth into a higher state,  
all matter does now scintillate.**

3. Mother Mary, awaken people to the reality that a phenomenon as senseless as war cannot be caused by sensible, rational reasons. War always involves an element of fanaticism that is not rational.

I call now in God's sacred name,  
for you to use your Mother Flame,  
to burn all fear-based energy,  
restoring sacred harmony.

**O Mother Mary, generate,  
the song that does accelerate,  
the earth into a higher state,  
all matter does now scintillate.**

4. Mother Mary, awaken people to the reality that fanaticism allows people to compartmentalize their lives so they see no discrepancy between their normal beliefs and the act of killing others.

Your sacred name I hereby praise,  
collective consciousness you raise,  
no more of fear and doubt and shame,  
consume it with your Mother Flame.

**O Mother Mary, generate,  
the song that does accelerate,  
the earth into a higher state,  
all matter does now scintillate.**

5. Mother Mary, awaken people to the reality that the only way to explain this irrational fanaticism is the existence of a dark force, which has the ability to take over the minds of individual human beings, even groups of human beings.

All darkness from the earth you purge,  
your light moves as a mighty surge,  
no force of darkness can now stop,  
the spiral that goes only up.

**O Mother Mary, generate,  
the song that does accelerate,  
the earth into a higher state,  
all matter does now scintillate.**

6. Mother Mary, awaken people to the reality that only the existence of a dark force can explain the senselessness and irrationality of war. We can remove war only by looking at this force and making the calls for the ascended masters to deal with it.

All elemental life you bless,  
removing from them man-made stress,  
the nature spirits are now free,  
outpicturing Divine decree.

**O Mother Mary, generate,  
the song that does accelerate,  
the earth into a higher state,  
all matter does now scintillate.**

7. Mother Mary, awaken people to the reality that the only explanation for the fanatical killing on earth is that there is a dark force that overrides our free will and the deepest programming not to kill.

I raise my voice and take my stand,  
a stop to war I do command,  
no more shall warring scar the earth,  
a golden age is given birth.

**O Mother Mary, generate,  
the song that does accelerate,  
the earth into a higher state,  
all matter does now scintillate.**

8. Mother Mary, awaken people to the reality that the only way to stop war is to remove this force from the earth. We human beings have the authority to call for this and the ascended masters have the power to make it a reality.

As Mother Earth is free at last,  
disasters belong to the past,  
your Mother Light is so intense,  
that matter is now far less dense.

**O Mother Mary, generate,  
the song that does accelerate,  
the earth into a higher state,  
all matter does now scintillate.**

9. Mother Mary, awaken people to the reality that by giving the ascended masters the authority and the energy to multiply, we together can remove war from the earth.

In Mother Light the earth is pure,  
the upward spiral will endure,  
prosperity is now the norm,  
God's vision manifest as form.

**O Mother Mary, generate,  
the song that does accelerate,  
the earth into a higher state,  
all matter does now scintillate.**

**Part 4**

1. Divine Director, awaken people to the reality that change needs to happen and that change is not going to be brought about by people staying in fear where they think being loving and kind is enough. Neither is change going to happen by people staying in anger where they think they have to be judgmental of or fight dark forces.

Divine Director, I now see,  
the world is unreality,  
in my heart I now truly feel,  
the Spirit is all that is real.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

2. Divine Director, awaken people to the higher sense of responsibility where we realize that we do not have the power or the responsibility for fighting dark forces. Our responsibility is to educate ourselves to the existence of dark forces and then share this knowledge and make the calls to the masters.

Divine Director, vision give,  
in clarity I want to live,  
I now behold my plan Divine,  
the plan that is uniquely mine.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

3. Divine Director, awaken people to our reason for coming into embodiment, our true, non-attached desire to help raise this planet to a higher level. Help people transcend fear and anger.

Divine Director, show in me,  
the ego games, and set me free,  
help me escape the ego's cage,  
to help bring in the golden age.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

4. Divine Director, awaken people to the fact that stopping war is not a goal in itself. The real, underlying dynamic is to raise people's state of consciousness. War will not be removed from this earth until a critical mass of people have transcended the consciousness that made war possible.

Divine Director, I'm with you,  
my vision one, no longer two,  
as karma's veil you do disperse,  
I see a whole new universe.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

5. Divine Director, awaken people to the fact that as spiritual people, who have started to awaken from the collective state of mind, we have the right and the authority to call for the ascended masters to reduce the power of the dark forces.

Divine Director, I go up,  
electric light now fills my cup,  
consume in me all shadows old,  
bestow on me a vision bold.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

6. Divine Director, awaken people to the reality that when they are no longer blinded by dark forces, people will have a real choice to abandon the consciousness of war. The ascended masters are not seeking to force people but to free their will so that they can freely make the choice to transcend the consciousness that makes war possible.

Divine Director, heart of gold,  
my sacred labor I unfold,  
o blessed Guru, I now see,  
where my own plan is taking me.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

7. Divine Director, awaken people to the reality that there is a realistic potential that war can be removed from this planet within the foreseeable future. Cosmic cycles are aligned so that this can be achieved.

Divine Director, by your grace,  
in grander scheme I find my place,  
my individual flame I see,  
uniqueness God has given me.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

8. Divine Director, awaken people to the reality that war is not inevitable. We are not disempowered when we work with the ascended masters. By removing the power that the dark forces have over people, the people will awaken to the fact that they too are spiritual beings who have a higher goal and a higher vision of their lives.

Divine Director, vision one,  
I see that I AM God's own Sun,  
with your direction so Divine,  
I am now letting my light shine.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

9. Divine Director, awaken people to the reality that there is nothing that cannot be changed and overcome. There is nothing that is impossible because free will reigns supreme. When a critical mass of people transcend the level of consciousness that makes war seem desirable or inevitable, then the ascended masters can and will remove war from this planet.

Divine Director, what a gift,  
to be a part of Spirit's lift,  
to raise mankind out of the night,  
to bask in Spirit's loving sight.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

### *Sealing*

In the name of the I AM THAT I AM, I accept that Archangel Michael, Astrea and Shiva form an impenetrable shield around myself and all constructive people, sealing us from all fear-based energies in all four octaves. I accept that the Light of God is consuming and transforming all fear-based energies that make up the forces behind war!

## 4 | EXPOSING THE NON-PHYSICAL CAUSES OF WAR

In the name of the I AM THAT I AM, Jesus Christ, I call upon Mother Mary, the Divine Director and Surya to expose that the major causes of war are found in the form of dark forces in the emotional, mental and identity realms. Awaken people to the reality that we are spiritual beings and that we can co-create a new future by working with the ascended masters. I especially call for ...

[Make your own calls here.]

### *Part 1*

1. Divine Director, shatter the energy veil and expose that physical events are never exclusively caused by what happens at the physical level. There are always hidden causes that reach into the emotional, mental and identity realms.

Divine Director, I now see,  
the world is unreality,  
in my heart I now truly feel,  
the Spirit is all that is real.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

2. Divine Director, shatter the energy veil and expose the existence of entities and demons in the astral plane, the astral pit.

Divine Director, vision give,  
in clarity I want to live,  
I now behold my plan Divine,  
the plan that is uniquely mine.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

3. Divine Director, shatter the energy veil and expose that such beings know they can continue to exist only by stealing emotional energy from human beings in embodiment.

Divine Director, show in me,  
the ego games, and set me free,  
help me escape the ego's cage,  
to help bring in the golden age.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

4. Divine Director, shatter the energy veil and expose that a demon created out of violence can continue to exist only by stealing energy from human beings who engage in violence.

Divine Director, I'm with you,  
my vision one, no longer two,  
as karma's veil you do disperse,  
I see a whole new universe.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

5. Divine Director, shatter the energy veil and expose that such a demon has the ability to project thoughts and feelings into the minds of human beings who are susceptible to the thought matrix that created the demon.

Divine Director, I go up,  
electric light now fills my cup,  
consume in me all shadows old,  
bestow on me a vision bold.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

6. Divine Director, shatter the energy veil and expose that because the demon was created collectively, it can overpower the minds of individuals and propel them into engaging in more violence, which then feeds the demon so that it becomes even stronger.

Divine Director, heart of gold,  
my sacred labor I unfold,  
o blessed Guru, I now see,  
where my own plan is taking me.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

7. Divine Director, shatter the energy veil and expose that there never has been a war that is caused exclusively by causes at the material, physical level. A war is to a large degree caused by demons in the astral plane who have taken over the minds of individual people.

Divine Director, by your grace,  
in grander scheme I find my place,  
my individual flame I see,  
uniqueness God has given me.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

8. Divine Director, shatter the energy veil and expose how the demons have no empathy with human beings and will cause a war in order to make it easier for themselves to steal people's energies.

Divine Director, vision one,  
I see that I AM God's own Sun,  
with your direction so Divine,  
I am now letting my light shine.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

9. Divine Director, shatter the energy veil and expose how the demons seek to break down the separation between the astral and physical planes in order to steal people's energy. Nothing does this more effectively than a physical war where many people are killed on a battlefield.

Divine Director, what a gift,  
to be a part of Spirit's lift,  
to raise mankind out of the night,  
to bask in Spirit's loving sight.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

***Part 2***

1. Beloved Surya, shatter the energy veil and expose the reality of the aggressiveness of the entities and demons in the astral plane.

Surya, cosmic being bright,  
your balance is my pure delight,  
I am in orbit round God Star,  
in perfect unity we are.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

2. Beloved Surya, shatter the energy veil and expose that the beings in the astral plane have no sympathy for humans and that it is impossible to reason with them.

Surya, there is more to life,  
than human conflict, war and strife,  
your balance gives me inner peace,  
all outer conflicts do now cease.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

3. Beloved Surya, shatter the energy veil and expose the reality that war is caused by forces that have no pity and no empathy and that we cannot reason with them. There is no way to persuade the demons and entities in the astral plane to stop doing what they are doing.

Surya, what a wondrous sight,  
from Sirius you send the light,  
of one mind, I now call to thee,  
for your apprentice I would be.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

4. Beloved Surya, shatter the energy veil and expose that we humans cannot deal with the forces in the astral plane but that the ascended masters have the power to remove them all from this planet.

Surya, radiate your light,  
with balance you set all things right,  
consuming energetic dross,  
my letting go is not a loss.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

5. Beloved Surya, shatter the energy veil and expose that the ascended masters need only the authorization from those of us who are in embodiment in order to clear the astral plane from all entities, demons and misqualified energies.

Surya, your light is alive,  
for inner balance I do strive,  
the alchemy is now begun,  
my heart transformed into a sun.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

6. Beloved Surya, shatter the energy veil and expose that there is a certain level of the astral plane where there are demons and entities that simply feed off people.

Surya, come enlighten me,  
duality you help me see,  
extremes they cannot pull me in,  
on Middle Way I always win.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

7. Beloved Surya, shatter the energy veil and expose that there is a “higher” level of the astral plane where there are predatory demons that actively go out and create the situations where people are physically killed or in other ways are vulnerable to having their energies stolen.

Surya, in your cosmic sphere,  
with Cuzco I your light revere,  
from your perspective o so grand,  
life finally I understand.

**Surya, banish all extremes,  
Surya, shatter Serpent’s schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

8. Beloved Surya, shatter the energy veil and expose that these demons use more aggressive measures to manipulate people into committing physical actions that make them vulnerable to the astral plane.

Surya, show me God’s design,  
I see that God is all benign,  
you calm my feeling body’s storm,  
I know the God beyond all form.

**Surya, banish all extremes,  
Surya, shatter Serpent’s schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

9. Beloved Surya, shatter the energy veil and expose that there is no physical action that opens up the vulnerability more than the large-scale killing on a battlefield of war. These demons will do everything in their powers to manipulate people into killing or going to war.

Surya, I come from afar,  
and as you show me my home star,  
I see now my internal light,  
a star I am in my own right.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

### *Part 3*

1. Divine Director, shatter the energy veil and expose the existence of fallen beings in the astral plane that started out as either co-creators or angels in a previous sphere.

Divine Director, I now see,  
the world is unreality,  
in my heart I now truly feel,  
the Spirit is all that is real.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

2. Divine Director, shatter the energy veil and expose that these fallen beings can appear to have a sophisticated consciousness and ability to manipulate human beings, but they do not have enough self-awareness to choose to do something differently.

Divine Director, vision give,  
in clarity I want to live,  
I now behold my plan Divine,  
the plan that is uniquely mine.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

3. Divine Director, shatter the energy veil and expose that in the mental octave are fallen beings that still have some self-awareness. They have a mental, intellectual reasoning for manipulating us.

Divine Director, show in me,  
the ego games, and set me free,  
help me escape the ego's cage,  
to help bring in the golden age.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

4. Divine Director, shatter the energy veil and expose that in the mental level are fallen beings who have enough awareness to know that they can have power over human beings and who enjoy this.

Divine Director, I'm with you,  
my vision one, no longer two,  
as karma's veil you do disperse,  
I see a whole new universe.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

5. Divine Director, shatter the energy veil and expose that the beings in the mental realm are not as aggressive as those in the emotional realm. They are not seeking to overpower or force people, they are seeking to persuade people.

Divine Director, I go up,  
electric light now fills my cup,  
consume in me all shadows old,  
bestow on me a vision bold.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

6. Divine Director, shatter the energy veil and expose that the fallen beings in the mental realm have taken on an appearance as professors, learned people or philosophers. Some have set themselves up as kings or emperors, taking on a seemingly benign but very impressive and powerful appearance.

Divine Director, heart of gold,  
my sacred labor I unfold,  
o blessed Guru, I now see,  
where my own plan is taking me.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

7. Divine Director, shatter the energy veil and expose how the beings in the mental realm have created sophisticated reasonings that seek to justify why human beings kill each other and engage in war.

Divine Director, by your grace,  
in grander scheme I find my place,  
my individual flame I see,  
uniqueness God has given me.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

8. Divine Director, shatter the energy veil and expose that the beings in the mental realm have taken over the minds of many human beings, and this explains why people can engage in killing, even the long-term acts of planning for war or planning for so-called defense, and feel it is a necessary and justifiable act.

Divine Director, vision one,  
I see that I AM God's own Sun,  
with your direction so Divine,  
I am now letting my light shine.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

9. Divine Director, shatter the energy veil and expose that the only way for people to feel that killing and war is necessary, unavoidable or justified is when their minds have been taken over by demons in the astral or mental realms.

Divine Director, what a gift,  
to be a part of Spirit's lift,  
to raise mankind out of the night,  
to bask in Spirit's loving sight.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

## *Part 4*

1. Beloved Surya, shatter the energy veil and expose that in the identity octave are fallen beings who appear even more benign or more impressive than those in the mental realm. These beings usually control people through the beings in the mental or astral realms.

Surya, cosmic being bright,  
your balance is my pure delight,  
I am in orbit round God Star,  
in perfect unity we are.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

2. Beloved Surya, shatter the energy veil and expose that when a person is engaging in war and feeling it is justified, the person is controlled directly by a being in the mental realm. The being in the mental realm is then controlled by fallen beings in the identity realm.

Surya, there is more to life,  
than human conflict, war and strife,  
your balance gives me inner peace,  
all outer conflicts do now cease.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

3. Beloved Surya, shatter the energy veil and expose that the beings in the mental and identity realms cannot be persuaded by any argument we humans can come up with. They see us as fundamentally inferior to themselves.

Surya, what a wondrous sight,  
from Sirius you send the light,  
of one mind, I now call to thee,  
for your apprentice I would be.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

4. Beloved Surya, shatter the energy veil and expose that the fallen beings in the mental and identity realms know that any argument is just an argument and not an absolute truth. They will use any argument to make us go to war with each other.

Surya, radiate your light,  
with balance you set all things right,  
consuming energetic dross,  
my letting go is not a loss.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

5. Beloved Surya, shatter the energy veil and expose that the fallen beings in the identity realm realize that none of the causes on earth are valid or have any real significance. They do not lead to the end that they claim to be leading towards because it is all camouflage.

Surya, your light is alive,  
for inner balance I do strive,  
the alchemy is now begun,  
my heart transformed into a sun.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

6. Beloved Surya, shatter the energy veil and expose that the beings in the identity realm know that all of the epic dramas have only one purpose, and that is to get people to engage in war for the purpose of assisting the fallen beings in their battle to prove God wrong.

Surya, come enlighten me,  
duality you help me see,  
extremes they cannot pull me in,  
on Middle Way I always win.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

7. Beloved Surya, shatter the energy veil and expose that all of the philosophies, religions and thought systems found on earth are based on artificial causes. They are all camouflage for hiding the deeper cause of the fallen beings trying to prove God wrong by getting human beings to misuse their free will.

Surya, in your cosmic sphere,  
with Cuzco I your light revere,  
from your perspective o so grand,  
life finally I understand.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

8. Beloved Surya, shatter the energy veil and expose that war has no rational reason at the physical level. Since the cause of war is not found at the physical level, the way to remove war is not found at the physical level either.

Surya, show me God's design,  
I see that God is all benign,  
you calm my feeling body's storm,  
I know the God beyond all form.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

9. Beloved Surya, shatter the energy veil and expose that there is something we human beings can do to remove war from this planet. We can make the calls and transcend the consciousness so that the ascended masters get the authority to remove the forces that are creating war at the physical level.

Surya, I come from afar,  
and as you show me my home star,  
I see now my internal light,  
a star I am in my own right.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

## *Sealing*

In the name of the I AM THAT I AM, I accept that Archangel Michael, Astrea and Shiva form an impenetrable shield around myself and all constructive people, sealing us from all fear-based energies in all four octaves. I accept that the Light of God is consuming and transforming all fear-based energies that make up the forces behind war!

## 6 | AWAKEN PEOPLE TO THE NEED FOR JUDGMENT

In the name of the I AM THAT I AM, Jesus Christ, I call upon Mother Mary, Surya and Alpha to awaken people to the need for us to call forth the judgment of the demons and fallen beings who create war. Awaken people to the reality that we are spiritual beings and that we can co-create a new future by working with the ascended masters. I especially call for ...

[Make your own calls here.]

### *Part 1*

1. Beloved Surya, awaken people from the illusion of the us-versus-them mentality, created by the entities, demons and fallen beings in the three higher levels. Cut people free from the argumentation that seemingly justifies taking action against others based on separating humankind into easily-defined categories.

Surya, cosmic being bright,  
your balance is my pure delight,  
I am in orbit round God Star,  
in perfect unity we are.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

2. Beloved Surya, awaken people to the reality that when you have the us-versus-them mentality, you are not serving to actively remove war from this planet.

Surya, there is more to life,  
than human conflict, war and strife,  
your balance gives me inner peace,  
all outer conflicts do now cease.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

3. Beloved Surya, awaken people to the reality that war is the extreme outcome of a state of consciousness that divides reality into separate compartments. It defines a division between groups of people, applies a value judgment, saying one group is doing something wrong and the other group must stop this.

Surya, what a wondrous sight,  
from Sirius you send the light,  
of one mind, I now call to thee,  
for your apprentice I would be.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

4. Beloved Surya, awaken people to the reality that the duality consciousness always has two opposite polarities and uses this to create the idea that there is an epic struggle and that some people are on the wrong side of the struggle. Those who are on the right side must force others for a greater good.

Surya, radiate your light,  
with balance you set all things right,  
consuming energetic dross,  
my letting go is not a loss.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

5. Beloved Surya, awaken people from the illusion that we can kill other human beings without affecting ourselves, even the illusion that we are working for God's cause by killing other human beings.

Surya, your light is alive,  
for inner balance I do strive,  
the alchemy is now begun,  
my heart transformed into a sun.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

6. Beloved Surya, awaken people to the reality that all human beings came from the same source. All were originally created as pure and innocent beings. We were all given free will, and our present condition can be undone if we make choices that undo our previous choices.

Surya, come enlighten me,  
duality you help me see,  
extremes they cannot pull me in,  
on Middle Way I always win.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

7. Beloved Surya, awaken people to the reality that the entities and demons in the astral plane were not created as self-aware beings and they do not have the potential to choose. Such beings must be consumed, and the ascended masters are fully capable of doing this when we give them the authority.

Surya, in your cosmic sphere,  
with Cuzco I your light revere,  
from your perspective o so grand,  
life finally I understand.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

8. Beloved Surya, awaken people to the reality that the level of consciousness of the people in physical embodiment determines what is allowed to exist in the emotional, mental and identity realms of earth. If a critical mass of people in physical embodiment shift their consciousness upwards, the ascended masters gain the authority to clean out the demons who are below that level of consciousness.

Surya, show me God's design,  
I see that God is all benign,  
you calm my feeling body's storm,  
I know the God beyond all form.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

9. Beloved Surya, awaken people to the reality that there is a limit to what we can do by invoking spiritual light. The entities, demons and fallen beings in the three higher octaves may not respond to the light, and thus we have the authority to actively call for their judgment.

Surya, I come from afar,  
and as you show me my home star,  
I see now my internal light,  
a star I am in my own right.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

## *Part 2*

1. Beloved Alpha, awaken people to the reality that here has been a shift in the collective consciousness, meaning most people no longer see it as honorable to go to war and seek prestige by killing other people.

Beloved Alpha, God's great plan,  
in Central Sun it all began,  
what wondrous vision of a world,  
the cosmic spheres were then unfurled.

**Beloved Alpha, in your light,  
I now see God with inner sight,  
as man I will no longer live,  
my life to God I fully give.**

2. Beloved Alpha, awaken people to the reality of spiritual cycles. Help them see that we are now moving into a new cycle, which means we can call forth the judgment of Christ for the beings who will not make the shift in consciousness.

Beloved Alpha, serve the All,  
this is Creator's timeless call,  
from out Creator's perfect whole,  
sprang lifestreams with a sacred goal.

**Beloved Alpha, in your light,  
I now see God with inner sight,  
as man I will no longer live,  
my life to God I fully give.**

3. Beloved Alpha, awaken people to the reality that the judgment of Christ is based on the consciousness of Oneness. The Christ consciousness knows that all life is one, that human beings cannot be divided into separate compartments, that we cannot apply a value judgment saying some people are evil and deserve to be killed by the good.

Beloved Alpha, all was one,  
as we were sent from Central Sun,  
to you we shall in time return,  
for cosmic union we do yearn.

**Beloved Alpha, in your light,  
I now see God with inner sight,  
as man I will no longer live,  
my life to God I fully give.**

4. Beloved Alpha, awaken people to the reality that to the Christ consciousness, all people are part of the one Body of God on earth. What affects some human beings will affect the whole, and therefore, it will effect us as well.

Beloved Alpha, I now see,  
you with Omega form the key,  
it was from your polarity,  
that I received identity.

**Beloved Alpha, in your light,  
I now see God with inner sight,  
as man I will no longer live,  
my life to God I fully give.**

5. Beloved Alpha, awaken people to the reality that in the Christ consciousness there is no desire to destroy other people. There is also no desire to punish other people because if we punish others, we are punishing ourselves.

Beloved Alpha, cosmic gate,  
the nexus of your figure-eight,  
I sprang from Cosmic Cube so bright,  
I am at heart a spark of light.

**Beloved Alpha, in your light,  
I now see God with inner sight,  
as man I will no longer live,  
my life to God I fully give.**

6. Beloved Alpha, awaken people to the reality that the earth is going through an interim period between Pisces and Aquarius. Humankind is meant to transcend the consciousness that generates war, the idea that the ends can justify the means and that it is justifiable to kill other people in order to achieve some abstract goal defined by an abstract idea.

Beloved Alpha, from your womb,  
I did descend to matter's tomb,  
but buried I will be no more,  
my inner vision you restore.

**Beloved Alpha, in your light,  
I now see God with inner sight,  
as man I will no longer live,  
my life to God I fully give.**

7. Beloved Alpha, awaken people from the illusion that an abstract idea can justify the killing of a physical human being. Help people see that if we do not transcend this consciousness, the wars will only continue to become more severe until we finally awaken.

Beloved Alpha, I now know,  
the love you did on me bestow,  
a co-creator, I will bring,  
the light to make all matter sing.

**Beloved Alpha, in your light,  
I now see God with inner sight,  
as man I will no longer live,  
my life to God I fully give.**

8. Beloved Alpha, awaken people to the reality that when a planet moves into the transition phase, it becomes lawful for those who are in embodiment to call forth the judgment of human beings in embodiment and the non-material forces in the three other realms.

Beloved Alpha, on this earth,  
a new age we are giving birth,  
for we are here to bring the love,  
that you are sending from Above.

**Beloved Alpha, in your light,  
I now see God with inner sight,  
as man I will no longer live,  
my life to God I fully give.**

9. Beloved Alpha, awaken people to the reality that by calling forth the judgment of Christ upon certain forces and human beings, they receive an extraordinary opportunity to choose between light and darkness.

Beloved Alpha, you and me,  
we form a true polarity,  
as up Above, so here below,  
with life's own river I do flow.

**Beloved Alpha, in your light,  
I now see God with inner sight,  
as man I will no longer live,  
my life to God I fully give.**

### *Part 3*

1. Beloved Surya, awaken the spiritual people to the opportunity to call for the judgment of Christ and the need to do so from a completely neutral state of mind.

Surya, cosmic being bright,  
your balance is my pure delight,  
I am in orbit round God Star,  
in perfect unity we are.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

2. Beloved Surya, awaken the spiritual people to the awareness that the Christ consciousness wants to raise up all life. We raise up other beings with free will by making it easier for them to choose the light over darkness. We show them the light!

Surya, there is more to life,  
than human conflict, war and strife,  
your balance gives me inner peace,  
all outer conflicts do now cease.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

3. Beloved Surya, awaken the spiritual people to the reality that because a majority of the people have started to acknowledge the light, it is not within the Law of Free Will that a small minority can hold back the transition into the next spiritual cycle. There comes a point where beings have to make a choice between the new and the old.

Surya, what a wondrous sight,  
from Sirius you send the light,  
of one mind, I now call to thee,  
for your apprentice I would be.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

4. Beloved Surya, awaken the spiritual people to the awareness that the ascended masters have the authority to confront beings with the necessity to make a choice. What we can do is to call upon the ascended masters to execute this judgment of Christ for both people in embodiment and beings in the three higher realms.

Surya, radiate your light,  
with balance you set all things right,  
consuming energetic dross,  
my letting go is not a loss.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

5. Beloved Surya, awaken the spiritual people to the absolute need to call forth the judgment of Christ for the beings in the astral plane who are mindlessly seeking to control human beings into going to war again and again.

Surya, your light is alive,  
for inner balance I do strive,  
the alchemy is now begun,  
my heart transformed into a sun.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

6. Beloved Surya, awaken the spiritual people to the awareness that for some of the beings in the astral, mental and identity realms, the next logical step is the final judgment, leading to the second death in which all of the negative momentums of a lifestream are dissolved.

Surya, come enlighten me,  
duality you help me see,  
extremes they cannot pull me in,  
on Middle Way I always win.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

7. Beloved Surya, awaken the spiritual people to the awareness that free will can be taken into such extremes by one individual that it works against the forward progression and the choices of the whole. There must be a certain balance, and the process defined by the ascended masters has proven itself on many different planets.

Surya, in your cosmic sphere,  
with Cuzco I your light revere,  
from your perspective o so grand,  
life finally I understand.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

8. Beloved Surya, awaken the spiritual people to the reality that God never created hell. It was individual lifestreams with free will who created their own hell. They are deciding how hellish it has to become before they have had enough and turn around.

Surya, show me God's design,  
I see that God is all benign,  
you calm my feeling body's storm,  
I know the God beyond all form.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

9. Beloved Surya, awaken the spiritual people to the awareness that even though lifestreams are allowed to create their own hell, there is a limit to how far this can go for a given planet. It is time for us to decide that the hell of war shall no longer be allowed on earth.

Surya, I come from afar,  
and as you show me my home star,  
I see now my internal light,  
a star I am in my own right.

**Surya, banish all extremes,  
Surya, shatter Serpent's schemes,  
Surya, balance to me bring,  
Surya, making my heart sing.**

#### *Part 4*

1. Beloved Alpha, I call forth the judgment of Christ upon all human beings in physical embodiment who believe in and act upon the concept that it is justifiable to kill a physical human being in order to defend or promote an abstract idea.

Beloved Alpha, God's great plan,  
in Central Sun it all began,  
what wondrous vision of a world,  
the cosmic spheres were then unfurled.

**Beloved Alpha, in your light,  
I now see God with inner sight,  
as man I will no longer live,  
my life to God I fully give.**

2. Beloved Alpha, I call forth the judgment of Christ upon all entities, demons and fallen beings in the astral plane who are controlling the minds of human beings, seeking to make them kill others in order to defend or promote an abstract idea.

Beloved Alpha, serve the All,  
this is Creator's timeless call,  
from out Creator's perfect whole,  
sprang lifestreams with a sacred goal.

**Beloved Alpha, in your light,  
I now see God with inner sight,  
as man I will no longer live,  
my life to God I fully give.**

3. Beloved Alpha, I call forth the judgment of Christ upon all entities, demons and fallen beings in the mental octave who are controlling the minds of human beings, seeking to make them kill others in order to defend or promote an abstract idea.

Beloved Alpha, all was one,  
as we were sent from Central Sun,  
to you we shall in time return,  
for cosmic union we do yearn.

**Beloved Alpha, in your light,  
I now see God with inner sight,  
as man I will no longer live,  
my life to God I fully give.**

4. Beloved Alpha, I call forth the judgment of Christ upon all entities, demons and fallen beings in the identity octave who are controlling the minds of human beings, seeking to make them kill others in order to defend or promote an abstract idea.

Beloved Alpha, I now see,  
you with Omega form the key,  
it was from your polarity,  
that I received identity.

**Beloved Alpha, in your light,  
I now see God with inner sight,  
as man I will no longer live,  
my life to God I fully give.**

5. Beloved Alpha, I call forth the judgment of Christ upon all beings in and out of embodiment who will not let go of this idea. I call for them to be removed from all four octaves of planet earth so that their darkness can no longer weigh down the planet and form a magnetic pull on the human beings in embodiment.

Beloved Alpha, cosmic gate,  
the nexus of your figure-eight,  
I sprang from Cosmic Cube so bright,  
I am at heart a spark of light.

**Beloved Alpha, in your light,  
I now see God with inner sight,  
as man I will no longer live,  
my life to God I fully give.**

6. Beloved Alpha, I call forth the judgment of Christ upon all beings in the identity octave who are seeking to prove God wrong.

Beloved Alpha, from your womb,  
I did descend to matter's tomb,  
but buried I will be no more,  
my inner vision you restore.

**Beloved Alpha, in your light,  
I now see God with inner sight,  
as man I will no longer live,  
my life to God I fully give.**

7. Beloved Alpha, I call forth the judgment of Christ upon all beings in the identity octave who are willing to kill physical human beings, and thereby deprive them of the opportunity to be in physical embodiment, because of their abstract idea.

Beloved Alpha, I now know,  
the love you did on me bestow,  
a co-creator, I will bring,  
the light to make all matter sing.

**Beloved Alpha, in your light,  
I now see God with inner sight,  
as man I will no longer live,  
my life to God I fully give.**

8. Beloved Alpha, help all people rise above the consciousness of dividing humankind based on the us-versus-them mentality. Help all people rise above the dualistic extreme and find the balance of the Christ consciousness that knows all life is One.

Beloved Alpha, on this earth,  
a new age we are giving birth,  
for we are here to bring the love,  
that you are sending from Above.

**Beloved Alpha, in your light,  
I now see God with inner sight,  
as man I will no longer live,  
my life to God I fully give.**

9. Beloved Alpha, help all people rise to the balanced awareness that the ends of furthering an idea can never justify the means of killing physical people. Help people see that it is never justified to kill physical people because of an abstract idea.

Beloved Alpha, you and me,  
we form a true polarity,  
as up Above, so here below,  
with life's own river I do flow.

**Beloved Alpha, in your light,  
I now see God with inner sight,  
as man I will no longer live,  
my life to God I fully give.**

## 8 | SHATTERING THE ILLUSION OF FEAR

In the name of the I AM THAT I AM, Jesus Christ, I call upon Mother Mary, Archangel Michael and Shiva to shatter the fear-based illusions that have caused so many wars on this planet. Awaken people to the reality that we are spiritual beings and that we can co-create a new future by working with the ascended masters. I especially call for ...

[Make your own calls here.]

### *Part 1*

1. Archangel Michael, manifest your Presence in the Astral plane and consume the demons that control people through the fear of physically being attacked by others.

Archangel Michael, light so blue,  
my heart has room for only you.  
My mind is one, no longer two,  
your love for me is ever true.

**Archangel Michael, you are here,  
your light consumes all doubt and fear.  
Your Presence is forever near,  
you are to me so very dear.**

2. Archangel Michael, manifest your Presence in the Astral plane and consume the demons that seek to get one group of people to attack another because they fear being attacked.

Archangel Michael, I will be,  
all one with your reality.  
No fear can hold me as I see,  
this world no power has o'er me.

**Archangel Michael, you are here,  
your light consumes all doubt and fear.  
Your Presence is forever near,  
you are to me so very dear.**

3. Archangel Michael, manifest your Presence in the Astral plane and consume the demons that cause two groups of people to both build up their armies out of the fear of being attacked by the other.

Archangel Michael, hold me tight,  
shatter now the darkest night.  
Clear my chakras with your light,  
restore to me my inner sight.

**Archangel Michael, you are here,  
your light consumes all doubt and fear.  
Your Presence is forever near,  
you are to me so very dear.**

4. Archangel Michael, manifest your Presence in the Astral plane and consume the demons that seek to get one group of people to go to war based on their perception that they would be attacked by others.

Archangel Michael, now I stand,  
with you the light I do command.  
My heart I ever will expand,  
till highest truth I understand.

**Archangel Michael, you are here,  
your light consumes all doubt and fear.  
Your Presence is forever near,  
you are to me so very dear.**

5. Archangel Michael, manifest your Presence in the Astral plane and consume the demons that seek to use dictators to start war or genocide out of the extreme paranoia of fearing another group of people.

Archangel Michael, in my heart,  
from me you never will depart.  
Of hierarchy I am a part,  
I now accept a fresh new start.

**Archangel Michael, you are here,  
your light consumes all doubt and fear.  
Your Presence is forever near,  
you are to me so very dear.**

6. Archangel Michael, cut people free so they can see that once you have entered a spiral of fear, you are looking for something outside of yourself that can validate the fear. Your perception actually manifests or magnetizes the external threat.

Archangel Michael, sword of blue,  
all darkness you are cutting through.  
My Christhood I do now pursue,  
discernment shows me what is true.

**Archangel Michael, you are here,  
your light consumes all doubt and fear.

God's homing call in my heart rings,  
my heart with yours forever sings.

**Archangel Michael, you are here,  
your light consumes all doubt and fear.  
Your Presence is forever near,  
you are to me so very dear.**

Archangel Michael, take me home,  
in higher spheres I want to roam.  
I am reborn from cosmic foam,  
my life is now a sacred poem.

shining like the bluest star.  
You are a cosmic avatar,  
with you I will go very far.

**Archangel Michael, you are here,  
your light consumes all doubt and fear.

**Part 2**

1. Beloved Shiva, manifest your Presence in the mental realm and consume the demons and fallen beings who seek to control people through the desire for revenge, the desire to punish other people.

O Shiva, God of Sacred Fire,  
It's time to let the past expire,  
I want to rise above the old,  
a golden future to unfold.

**O Shiva, clear the energy,  
O Shiva, bring the synergy,  
O Shiva, make all demons flee,  
O Shiva, bring back peace to me.**

2. Beloved Shiva, manifest your Presence in the mental realm and consume the demons and fallen beings who seek to use a political ideology or religious teaching to justify revenge and punishment.

clear my private universe,  
dispel the consciousness of death,  
consume it with your Sacred Breath.

addictive entities consume,  
the upward path I do resume.

**O Shiva, clear the energy,  
O Shiva, bring the synergy,  
O Shiva, make all demons flee,  
O Shiva, bring back peace to me.**

5. Beloved Shiva, cut people free to see that an outer enemy is a manifestation of their own state of consciousness, meaning the enemy is a substitute teacher. They only need this teacher because they have not been willing to listen to the ascended masters.

O Shiva, I recite your name,  
come banish fear and doubt and shame,  
with fire expose within my mind,  
what ego seeks to hide behind.

**O Shiva, clear the energy,  
O Shiva, bring the synergy,  
O Shiva, make all demons flee,  
O Shiva, bring back peace to me.**

the past no longer owns my choice,

O Shiva, bring the synergy,  
O Shiva, make all demons flee,  
O Shiva, bring back peace to me.**

8. Beloved Shiva, manifest your Presence in the astral plane and consume the demons and entities created out of hatred, those that hate human beings, hate life, and are programmed to destroy anything positive.

O Shiva, naked I now stand,  
my mind in freedom does expand,

surrender is the key to peace.

**O Shiva, clear the energy,  
O Shiva, bring the synergy,  
O Shiva, make all demons flee,  
O Shiva, bring back peace to me.**

9. Beloved Shiva, cut free the people who are driven by hatred towards other people. Help them see that they truly hate something within themselves and that they will only be free by healing their own minds.

Your Presence is forever near,  
you are to me so very dear.**

2. Archangel Michael, manifest your Presence in all four octaves and bind and consume the demons and fallen beings who promote the illusion that you can create an ultimate weapon that has no counter-measure.

Archangel Michael, I will be,  
all one with your reality.  
No fear can hold me as I see,  
this world no power has o'er me.

**Archangel Michael, you are here,  
your light consumes all doubt and fear.  
Your Presence is forever near,  
you are to me so very dear.**

3. Archangel Michael, cut people free to see that when you go into duality, anything you do creates an opposite. Therefore, any weapon that could ever be developed has a counter-measure and this perpetuates military spending indefinitely.

Archangel Michael, hold me tight,  
shatter now the darkest night.  
Clear my chakras with your light,  
restore to me my inner sight.

**Archangel Michael, you are here,  
your light consumes all doubt and fear.

Archangel Michael, now I stand,  
with you the light I do command.  
My heart I ever will expand,  
till highest truth I understand.

**Archangel Michael, you are here,

Archangel Michael, in my heart,  
from me you never will depart.  
Of hierarchy I am a part,  
I now accept a fresh new start.

**Archangel Michael, you are here,  
your light consumes all doubt and fear.  
Your Presence is forever near,  
you are to me so very dear.**

6. Archangel Michael, cut people free to look at suffering and say: “No more! We do not want this anymore. We have had enough of the suffering. We have had enough of having our lives destroyed by the misguided quest of the fallen beings. We have had enough of the arms race that has been so prominent in the world in the last hundred years and even beyond.”

Archangel Michael, sword of blue,  
all darkness you are cutting through.  
My Christhood I do now pursue,  
discernment shows me what is true.

**Archangel Michael, you are here,  
your light consumes all doubt and fear.  
Your Presence is forever near,  
you are to me so very dear.**

7. Archangel Michael, cut people free to see that it is meaningless that peoples’ lives are swallowed up in an impossible quest for the ultimate weapon, the ultimate military capability. It is meaningless that the finances of nations are swallowed up in this.

Archangel Michael, in your wings,  
I now let go of lesser things.  
God’s homing call in my heart rings,  
my heart with yours forever sings.

Archangel Michael, take me home,  
in higher spheres I want to roam.  
I am reborn from cosmic foam,  
my life is now a sacred poem.

**Archangel Michael, you are here,  
your light consumes all doubt and fear.  
Your Presence is forever near,  
you are to me so very dear.**

9. Archangel Michael, I hereby look at those beings in the warrior mentality and by the authority of the Christ within me, I say: "You have no more place on this planet. Your warrior mentality has no more place on this planet. You must either abandon it or find some other planet for I will no longer allow this one to be destroyed or to live in constant fear because of your war games. Enough of the war games. Enough of the war. Enough of the warriors."

Archangel Michael, light you are,  
shining like the bluest star.  
You are a cosmic avatar,  
with you I will go very far.

**Archangel Michael, you are here,  
your light consumes all doubt and fear.

## 13 | EXPOSING THE FALSE MONEY SYSTEM

In the name of the I AM THAT I AM, Jesus Christ, I call upon Mother Mary, Saint Germain and the Divine Director to awaken people from the illusions behind the false money system. Awaken people to the reality that we are spiritual beings and that we can co-create a new future by working with the ascended masters. I especially call for ...

[Make your own calls here.]

### *Part 1*

1. Saint Germain, awaken people to the reality that one cannot fully understand money without having a spiritual awareness.

O Saint Germain, you do inspire,  
my vision raised forever higher,  
with you I form a figure-eight,  
your Golden Age I co-create.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

2. Saint Germain, awaken people to the reality that one cannot understand the connection between war and money if one does not incorporate the existence of fallen beings who are not thinking rationally but have other motives, other ways of thinking.

O Saint Germain, what Freedom Flame,  
released when we recite your name,  
acceleration is your gift,  
our planet it will surely lift.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

3. Saint Germain, awaken people to the reality that the fallen beings are not necessarily spending money to make a direct profit. They have some other goal that cannot easily be understood through rational thinking.

O Saint Germain, in love we claim,  
our right to bring your violet flame,  
from you Above, to us below,  
it is an all-transforming flow.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

4. Saint Germain, awaken people to the reality that there is no conscious conspiracy that rules the world. There is an unconscious conspiracy, namely a number of fallen beings in and out of embodiment who are so trapped in their downward spiral that they cannot see that it is leading to their own destruction.

O Saint Germain, I love you so,  
my aura filled with violet glow,  
my chakras filled with violet fire,  
I am your cosmic amplifier.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

5. Saint Germain, awaken people to the reality that the issue of money is complicated because the fallen beings have made it so in order to hide what is really going on.

O Saint Germain, I am now free,  
your violet flame is therapy,  
transform all hang-ups in my mind,  
as inner peace I surely find.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

6. Saint Germain, awaken people to the reality that the fallen beings have created many conspiracy theories in order to discredit the theories that expose their existence and methods.

O Saint Germain, my body pure,  
your violet flame for all is cure,  
consume the cause of all disease,  
and therefore I am all at ease.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

7. Saint Germain, awaken people to the reality that money should be nothing more than a medium of exchange. In a golden age economy there is a direct connection between money and something of real value, such as goods or services.

O Saint Germain, I'm karma-free,  
the past no longer burdens me,  
a brand new opportunity,  
I am in Christic unity.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

8. Saint Germain, awaken people to the reality that money is not the root of all evil. It is when money becomes more than a medium of exchange that it becomes a tool for evil.

O Saint Germain, we are now one,  
I am for you a violet sun,  
as we transform this planet earth,  
your Golden Age is given birth.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

9. Saint Germain, awaken people to the fact that in an ideal economy money must never gain intrinsic value. If you allow money to take on a life of its own, it will own you.

O Saint Germain, the earth is free,  
from burden of duality,  
in oneness we bring what is best,  
your Golden Age is manifest.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

## *Part 2*

1. Divine Director, awaken people to the reality that when money takes on inherent value, a small elite, namely the fallen beings in embodiment, will use the potential for making money off of money.

Divine Director, I now see,  
the world is unreality,  
in my heart I now truly feel,  
the Spirit is all that is real.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

2. Divine Director, awaken people to the reality that when you are making money off of money, then you are not within the law that raises the whole. You are decreasing the total amount of wealth in the world.

Divine Director, vision give,  
in clarity I want to live,  
I now behold my plan Divine,  
the plan that is uniquely mine.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

3. Divine Director, awaken people to the reality that the billionaires in today's world have become rich because the fallen beings have created a false economy that allows the concentration of wealth in the hands of a small elite.

Divine Director, show in me,  
the ego games, and set me free,  
help me escape the ego's cage,  
to help bring in the golden age.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

4. Divine Director, awaken people to the reality that the entire economy of the world is a false, manipulated economy created by the fallen beings. One of their primary means for creating this false economy is the idea that you can create money and then lend it out with interest.

Divine Director, I'm with you,  
my vision one, no longer two,  
as karma's veil you do disperse,  
I see a whole new universe.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

5. Divine Director, awaken people to the reality that in a golden age economy, a business producing goods or services that are aimed at raising the whole will not have to pay interest.

Divine Director, I go up,  
electric light now fills my cup,  
consume in me all shadows old,  
bestow on me a vision bold.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

6. Divine Director, awaken people to the reality that in an ideal economy, society will provide the money to start a business because this will activate the Law of Increasing Return.

Divine Director, heart of gold,  
my sacred labor I unfold,  
o blessed Guru, I now see,  
where my own plan is taking me.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

7. Divine Director, awaken people to the reality that there is no need to have private banks lend money and gain interest when society would benefit more from lending the money without interest.

Divine Director, by your grace,  
in grander scheme I find my place,  
my individual flame I see,  
uniqueness God has given me.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

8. Divine Director, awaken people to the reality that the idea that private banks needs to create money, lend it out and charge interest is created by the fallen beings. It has one purpose, namely to concentrate wealth in the hands of a small elite.

Divine Director, vision one,  
I see that I AM God's own Sun,  
with your direction so Divine,  
I am now letting my light shine.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

9. Divine Director, awaken people to the reality that the fallen beings have deliberately made the economy so complicated that hardly anyone can understand it. Yet the economy is very simple.

Divine Director, what a gift,  
to be a part of Spirit's lift,  
to raise mankind out of the night,  
to bask in Spirit's loving sight.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

*Part 3*

1. Saint Germain, awaken people to the reality that we have an economy that is designed to allow a small elite to exploit the general population through money. All monetary instruments camouflage the fact that a small elite controls the money system.

O Saint Germain, you do inspire,  
my vision raised forever higher,  
with you I form a figure-eight,  
your Golden Age I co-create.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

2. Saint Germain, awaken people to the reality that in an ideal economy, society will control the money system because people will see that nothing is more important for the prosperity of a society than a naturally functioning money system.

O Saint Germain, what Freedom Flame,  
released when we recite your name,  
acceleration is your gift,  
our planet it will surely lift.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

3. Saint Germain, awaken people to the reality that what has allowed the fallen beings to create the artificial money system is war. What we have today is a wartime economy.

O Saint Germain, in love we claim,  
our right to bring your violet flame,  
from you Above, to us below,  
it is an all-transforming flow.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

4. Saint Germain, awaken people to the reality that the wartime economy began with medieval kings who wanted to expand their territory. They needed to raise money for war beyond what could be produced by their citizens.

O Saint Germain, I love you so,  
my aura filled with violet glow,  
my chakras filled with violet fire,  
I am your cosmic amplifier.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

5. Saint Germain, awaken people to the reality that producing weapons for war will not grow the overall economy. If you create the production capability to produce weapons and an army, you are taking value away from your country's economy.

O Saint Germain, I am now free,  
your violet flame is therapy,  
transform all hang-ups in my mind,  
as inner peace I surely find.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

6. Saint Germain, awaken people to the reality that the only way to produce weapons is to disconnect money from the exchange of real goods, giving money intrinsic value.

O Saint Germain, my body pure,  
your violet flame for all is cure,  
consume the cause of all disease,  
and therefore I am all at ease.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

7. Saint Germain, awaken people to the reality that a leader can now create more money than the goods produced in his country. He can use that money to buy something that the normal production capacity cannot produce.

O Saint Germain, I'm karma-free,  
the past no longer burdens me,  
a brand new opportunity,  
I am in Christic unity.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

8. Saint Germain, awaken people to the reality that war always produces a deficit in the economy. The fallen beings then cover over the deficit with the money they have created out of nothing, but this pushes the debt into the future.

O Saint Germain, we are now one,  
I am for you a violet sun,  
as we transform this planet earth,  
your Golden Age is given birth.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

9. Saint Germain, awaken people to the reality that there are different classes of fallen beings. Some have a primitive quest for power, and they were the kings. The more sophisticated fallen beings became the bankers.

O Saint Germain, the earth is free,  
from burden of duality,  
in oneness we bring what is best,  
your Golden Age is manifest.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

#### *Part 4*

1. Divine Director, awaken people to the reality that the kings were often controlled by fallen beings in the emotional realm or the mental realm. The bankers were controlled by fallen beings in the identity realm who had a hidden agenda.

Divine Director, I now see,  
the world is unreality,  
in my heart I now truly feel,  
the Spirit is all that is real.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

2. Divine Director, awaken people to the reality that the more sophisticated fallen beings took advantage of the more primitive fallen beings to create an economy that furthers their ends.

Divine Director, vision give,  
in clarity I want to live,  
I now behold my plan Divine,  
the plan that is uniquely mine.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

3. Divine Director, awaken people to the reality that the kings waging war and the bankers making money were just pawns in a larger game, and this game was played by the fallen beings in the identity realm.

Divine Director, show in me,  
the ego games, and set me free,  
help me escape the ego's cage,  
to help bring in the golden age.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

4. Divine Director, awaken people to the reality that the fallen beings in the identity realm want to prove God wrong by getting self-aware co-creators to misuse their free will to the point where they destroy themselves, rather than grow in self-awareness. They do this by creating war and by creating debt.

Divine Director, I'm with you,  
my vision one, no longer two,  
as karma's veil you do disperse,  
I see a whole new universe.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

5. Divine Director, awaken people to the reality that debt neutralizes the natural Law of a Multiplied Return by creating an artificial economy. It is a downward spiral because it is constantly pushing a snowball of debt in front of it that becomes bigger and bigger until it can no longer be paid back.

Divine Director, I go up,  
electric light now fills my cup,  
consume in me all shadows old,  
bestow on me a vision bold.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

6. Divine Director, awaken people to the reality that the fallen beings are not concerned about having the debt paid back. They want the nations to continue to pay the interest because the interest is what they can use to grow their own wealth and power.

Divine Director, heart of gold,  
my sacred labor I unfold,  
o blessed Guru, I now see,  
where my own plan is taking me.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

7. Divine Director, awaken people to the reality that money is created out of nothing, but the interest is taken from the people and their labor. The bankers provide something that has no intrinsic value, and they get something back that has intrinsic value because it is tied to people's labor.

Divine Director, by your grace,  
in grander scheme I find my place,  
my individual flame I see,  
uniqueness God has given me.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

8. Divine Director, awaken people to the reality that the fallen beings are indirectly reaping the fruits of peoples' labor. The feudal system of the Middle Ages is still in existence, only it has become hidden through the veil of the complexity of the money system.

Divine Director, vision one,  
I see that I AM God's own Sun,  
with your direction so Divine,  
I am now letting my light shine.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

9. Divine Director, awaken people to the reality that behind this is the larger rationale of creating a self-destructive economy that decreases the amount of wealth and, thereby, serves the end of causing a self-destructive spiral.

Divine Director, what a gift,  
to be a part of Spirit's lift,  
to raise mankind out of the night,  
to bask in Spirit's loving sight.

**Divine Director, send the light,  
from blindness clear my inner sight,  
my vision free, my vision clear,  
your guidance is forever here.**

### *Sealing*

In the name of the I AM THAT I AM, I accept that Archangel Michael, Astrea and Shiva form an impenetrable shield around myself and all constructive people, sealing us from all fear-based energies in all four octaves. I accept that the Light of God is consuming and transforming all fear-based energies that make up the forces behind war!

In the name of the I AM THAT I AM, Jesus Christ, I call upon Mother Mary, Archangel Michael and Sanat Kumara for the judgment of the beings in all four octaves who have an insatiable desire for power. I now let go of lesser things.  
God's homing call in my heart rings,

I am reborn from cosmic foam,

Archangel Michael, in my heart,  
from me you never will depart.

My Christhood I do now pursue,

in higher spheres I want to roam.  
I am reborn from cosmic foam,

shining like the bluest star.  
You are a cosmic avatar,  
with you I will go very far.

initiate me with your love,  
the open door for Holy Dove.

light this planet with your fire,  
clothe her in a new attire.**

4. Sanat Kumara, cut free the spiritual people from the desire to be the prince on the white horse, to be the knight in shining armor, who saves the world.

Sanat Kumara, Ruby Fire,  
your great example all inspire,  
with non-attachment and great mirth,  
we give the earth a true rebirth.

**Sanat Kumara, Ruby Ray,  
bring to earth a higher way,  
light this planet with your fire,  
clothe her in a new attire.**

5. Sanat Kumara, awaken the spiritual people to see that we are all part of the Body of God on earth when we achieve vertical oneness and horizontal oneness. We are one with the ascended masters above and one with all people below.

Sanat Kumara, Ruby Fire,  
you are this planet's purifier,  
consume on earth all spirits dark,  
reveal the inner Spirit Spark.

**Sanat Kumara, Ruby Ray,  
bring to earth a higher way,  
light this planet with your fire,  
clothe her in a new attire.**

6. Sanat Kumara, I call forth the judgment of Christ upon the consciousness and the fallen beings and their quest to establish control through sameness. I demand that this consciousness and these beings be removed from the earth.

Sanat Kumara, Ruby Fire,  
you are a cosmic amplifier,  
the lower forces can't withstand,  
vibrations from Venusian band.

**Sanat Kumara, Ruby Ray,  
bring to earth a higher way,  
light this planet with your fire,  
clothe her in a new attire.**

7. Sanat Kumara, I call forth the judgment of Christ upon the consciousness and the fallen beings promoting the idea that one religion or ideology needs to eradicate all competitors. I demand that this consciousness and these beings be removed from the earth.

Sanat Kumara, Ruby Fire,  
I am on earth your magnifier,  
the flow of love I do restore,  
my chakras are your open door.

**Sanat Kumara, Ruby Ray,  
bring to earth a higher way,  
light this planet with your fire,  
clothe her in a new attire.**

### *Part 1*

1. Beloved Jesus, I call forth the judgment of Christ upon the fallen beings and demons who use ideas to justify getting people to go to war. Archangel Michael, remove these beings from the earth.

O Jesus, blessed brother mine,  
I walk the path that you outline,  
a great example to us all,  
I follow now your inner call.

**O Jesus, let the Fire of Joy,  
consume the devil's subtle ploy,  
transfigured is our planet earth,  
the golden age is given birth.**

Archangel Michael, remove these beings from the earth.

O Jesus, open inner sight,  
the ego wants to prove it's right,  
but this I will no longer do,  
I want to be all one with you.

consume the devil's subtle ploy,  
transfigured is our planet earth,

the Key of Knowledge given me,  
my Christ self I hereby embrace,  
as you fill up my inner space.

consume the devil's subtle ploy,  
transfigured is our planet earth,  
the golden age is given birth.**

4. Beloved Jesus, I call forth the judgment of Christ upon the fallen beings and demons who promote the idea that we must kill others in order to survive, thereby neutralizing the programming not to kill. Archangel Michael, remove these beings from the earth.

expose the beam in my own eye,  
as Christ discernment you me give,  
in oneness I forever live.

the devil's test through higher love,  
show me separate self unreal,

consume the devil's subtle ploy,  
transfigured is our planet earth,  
the golden age is given birth.**

Beloved Jesus, I call forth the judgment of Christ upon the fallen beings and demons who seek to hide the reality that it was the descent of human beings into the duality consciousness, and the incarnation of fallen beings, that led to the current imbalance. Archangel Michael, remove these beings from the earth.

O Jesus, what is that to me,  
I just let go and follow thee,  
with this I do pass ev'ry test,  
to find with you eternal rest.

**O Jesus, let the Fire of Joy,  
consume the devil's subtle ploy,  
transfigured is our planet earth,

my heart now melting into thine,  
I love with heart and mind and soul,

whereby the serpent broke the tie,  
the serpent now has naught in me,

for I am now the open door,

the victory of Christ I win.

with purity I do vibrate,  
release the fire so blue and white,  
my aura filled with vibrant light.**

in purity my peace I find,  
with higher feeling you release,  
I co-create in perfect peace.

the matrix that for all is best.

**Astrea, come accelerate,  
with purity I do vibrate,  
release the fire so blue and white,  
my aura filled with vibrant light.**

9. Beloved Astrea, I hereby authorize you and the seven Archangels to consume the negative energy or to free the energy from the negative matrix, so that the demons are dissolved permanently.

Astrea, with great clarity,  
I claim a new identity,  
etheric blueprint I now see,  
I co-create more consciously.

**Astrea, come accelerate,  
with purity I do vibrate,  
release the fire so blue and white,  
my aura filled with vibrant light.**

### *Part 3*

1. Beloved Shiva, I hereby authorize you and all ascended masters to step in and bind the fallen beings trapped in the astral plane. Consume the shell around their conscious selves so they again have an opportunity to make free choices.

O Shiva, God of Sacred Fire,  
It's time to let the past expire,  
I want to rise above the old,  
a golden future to unfold.

**O Shiva, clear the energy,  
O Shiva, bring the synergy,  
O Shiva, make all demons flee,  
O Shiva, bring back peace to me.**

2. Beloved Shiva, cut free all discarnate souls who are stuck in the astral plane, so they can again have an opportunity to take physical embodiment on earth or be taken to another planet.

O Shiva, come and set me free,  
from forces that do limit me,  
with fire consume all that is less,  
paving way for my success.

**O Shiva, clear the energy,  
O Shiva, bring the synergy,  
O Shiva, make all demons flee,  
O Shiva, bring back peace to me.**

3. Beloved Shiva, cut free myself and all spiritual people from any ties of loyalty to the fallen beings and any sympathy for the fallen beings or the demons they have created.

O Shiva, Maya's veil disperse,  
clear my private universe,  
dispel the consciousness of death,  
consume it with your Sacred Breath.

**O Shiva, clear the energy,  
O Shiva, bring the synergy,  
O Shiva, make all demons flee,  
O Shiva, bring back peace to me.**

4. Beloved Shiva, bind and consume the fallen beings and demons who are exploiting such ties in order to steal the energy of spiritual people or prevent them from fulfilling their Divine plans.

O Shiva, I hereby let go,  
of all attachments here below,  
addictive entities consume,  
the upward path I do resume.

**O Shiva, clear the energy,  
O Shiva, bring the synergy,  
O Shiva, make all demons flee,  
O Shiva, bring back peace to me.**

5. Beloved Shiva, bind all fallen beings in the astral plane for whom it is time to go to the second death. Take them to the Lake of Sacred Fire for their final judgment so the earth can be free of the downward pull of these lifestreams.

O Shiva, I recite your name,  
come banish fear and doubt and shame,  
with fire expose within my mind,  
what ego seeks to hide behind.

**O Shiva, clear the energy,  
O Shiva, bring the synergy,  
O Shiva, make all demons flee,  
O Shiva, bring back peace to me.**

6. Beloved Shiva, bind and consume the fallen beings in the astral plane who are stealing the energy of the souls stuck in the astral plane or people in embodiment.

O Shiva, I am not afraid,  
my karmic debt hereby is paid,  
the past no longer owns my choice,  
in breath of Shiva I rejoice.

**O Shiva, clear the energy,  
O Shiva, bring the synergy,  
O Shiva, make all demons flee,  
O Shiva, bring back peace to me.**

7. Beloved Shiva, I hereby authorize you and all ascended masters to cut free and heal all souls from the emotional wounds caused by trauma from past lifetimes.

O Shiva, show me spirit pairs,  
that keep me trapped in their affairs,  
I choose to see within my mind,  
the spirits that you surely bind.

**O Shiva, clear the energy,  
O Shiva, bring the synergy,  
O Shiva, make all demons flee,  
O Shiva, bring back peace to me.**

8. Beloved Shiva, heal all souls whose emotional bodies have become so fragmented that they cannot take embodiment.

O Shiva, naked I now stand,  
my mind in freedom does expand,  
as all my ghosts I do release,  
surrender is the key to peace.

**O Shiva, clear the energy,  
O Shiva, bring the synergy,  
O Shiva, make all demons flee,  
O Shiva, bring back peace to me.**

9. Beloved Shiva, cut these souls and their soul parts free from the astral plane so they can be whole and move on in their spiritual unfoldment.

O Shiva, all-consuming fire,  
with Parvati raise me higher,  
when I am raised your light to see,  
all men I will draw onto me.

**O Shiva, clear the energy,  
O Shiva, bring the synergy,  
O Shiva, make all demons flee,  
O Shiva, bring back peace to me.**

#### *Part 4*

1. Beloved Astrea, set free all souls who have soul parts stuck in certain physical locations, such as battlefields. Return those soul parts so the people can again integrate fully with their physical bodies.

Astrea, loving Being white,  
your Presence is my pure delight,  
your sword and circle white and blue,  
the astral plane is cutting through.

**Astrea, come accelerate,  
with purity I do vibrate,  
release the fire so blue and white,  
my aura filled with vibrant light.**

2. Beloved Astrea, set free all souls who have mental illnesses because their emotional bodies are so scattered that they cannot fully operate a physical body. Heal them so they can function naturally.

Astrea, calm the raging storm,  
so purity will be the norm,  
my aura filled with blue and white,  
with shining armor, like a knight.

**Astrea, come accelerate,  
with purity I do vibrate,  
release the fire so blue and white,  
my aura filled with vibrant light.**

3. Beloved Astrea, set free all souls who have emotional problems caused by a scattering of the emotional body. Cut free all parts of their emotional bodies stuck in all levels of the astral plane.

Astrea, come and cut me free,  
from every binding entity,  
let astral forces all be bound,  
true freedom I have surely found.

**Astrea, come accelerate,  
with purity I do vibrate,  
release the fire so blue and white,  
my aura filled with vibrant light.**

4. Beloved Astrea, cut free all souls from any toxins that have come into their emotional bodies. Consume the toxic energies with your circle and sword of fire.

Astrea, I sincerely urge,  
from demons all, do me purge,  
consume them all and take me higher,  
I will endure your cleansing fire.

**Astrea, come accelerate,  
with purity I do vibrate,  
release the fire so blue and white,  
my aura filled with vibrant light.**

5. Beloved Astrea, cut free all souls from any “shrapnel” that form hooks in their emotional bodies and keep them tied to demons and entities in the astral plane. Bind and consume those demons and entities.

so that I am no longer blind,  
I see the spirit and its twin,  
the victory of Christ I win.

**Astrea, come accelerate,  
with purity I do vibrate,  
release the fire so blue and white,  
my aura filled with vibrant light.**

6. Beloved Astrea, I hereby authorize you and all ascended masters to go into the 33 levels of the astral plane and cut free all souls who are stuck there and cannot even ask for assistance to become free.

from energies of death and hell,  
my body is now free to grow,  
each cell emits an inner glow.

**Astrea, come accelerate,  
with purity I do vibrate,  
release the fire so blue and white,  
my aura filled with vibrant light.**

7. Beloved Astrea, cut free all spiritual people from the willful ignorance that makes them unwilling to recognize the existence and condition of the astral plane. Help them rediscover their determination to make the calls and authorize the ascended masters to clean up the astral plane.

Astrea, clear my feeling mind,  
in purity my peace I find,  
with higher feeling you release,  
I co-create in perfect peace.

**Astrea, come accelerate,  
with purity I do vibrate,  
release the fire so blue and white,  
my aura filled with vibrant light.**

8. Beloved Astrea, cut free the top ten percent from the spiritual pride that infuses the New Age movement, most spiritual movements and most religions on earth, namely the sense that people in embodiment have the power to change the earth without working with the ascended masters.

Astrea, clear my mental realm,  
my Christ self always at the helm,  
I see now how to manifest,  
the matrix that for all is best.

**Astrea, come accelerate,  
with purity I do vibrate,  
release the fire so blue and white,  
my aura filled with vibrant light.**

9. Beloved Astrea, cut free all of the spiritual people who chose to come into embodiment in order to help clean up the astral plane in this age. Awaken them to reconnect to the choices they made so they can find their place as co-creators with the ascended masters.

Astrea, with great clarity,  
I claim a new identity,  
etheric blueprint I now see,  
I co-create more consciously.

**Astrea, come accelerate,  
with purity I do vibrate,  
release the fire so blue and white,  
my aura filled with vibrant light.**

## *Sealing*

In the name of the I AM THAT I AM, I accept that Archangel Michael, Astrea and Shiva form an impenetrable shield around myself and all constructive people, sealing us from all fear-based energies in all four octaves. I accept that the Light of God is consuming and transforming all fear-based energies that make up the forces behind war!

## 21 | CLEARING THE MENTAL REALM

In the name of the I AM THAT I AM, Jesus Christ, I call upon Mother Mary and Gautama Buddha to remove space from the demons, entities and fallen beings in the mental realm who are helping to start wars or preventing people from stopping war and conflict. Awaken people to the reality that we are spiritual beings and that we can co-create a new future by working with the ascended masters. I especially call for ...

[Make your own calls here.]

### *Part 1*

1. Gautama Buddha, remove space from the fallen beings in the mental realm who seek to control or dominate human beings by making them believe in ideas.

Gautama, show my mental state  
that does give rise to love and hate,  
your exposé I do endure,  
so my perception will be pure.

**Gautama, Flame of Cosmic Peace,  
unruly thoughts do hereby cease,  
we radiate from you and me  
the peace to still Samsara's Sea.**

2. Gautama Buddha, remove space from the fallen beings in the mental realm who promote the idea that the ends can justify the means through a particular religion, philosophy, branch of science or political ideology.

Gautama, in your Flame of Peace,  
the struggling self I now release,  
the Buddha Nature I now see,  
it is the core of you and me.

**Gautama, Flame of Cosmic Peace,  
unruly thoughts do hereby cease,  
we radiate from you and me  
the peace to still Samsara's Sea.**

3. Gautama Buddha, remove space from the fallen beings in the mental realm who promote the idea that the goal of winning an epic struggle or establishing an ideal society justifies war and the killing of human beings.

Gautama, I am one with thee,  
Mara's demons do now flee,  
your Presence like a soothing balm,  
my mind and senses ever calm.

**Gautama, Flame of Cosmic Peace,  
unruly thoughts do hereby cease,  
we radiate from you and me  
the peace to still Samsara's Sea.**

4. Gautama Buddha, remove space from the fallen beings in the mental realm who promote the idea that an overall, collective goal is more important than the freedom and life of an individual human being.

Gautama, I now take the vow,  
to live in the eternal now,  
with you I do transcend all time,  
to live in present so sublime.

**Gautama, Flame of Cosmic Peace,  
unruly thoughts do hereby cease,  
we radiate from you and me  
the peace to still Samsara's Sea.**

5. Gautama Buddha, awaken all spiritual people so they can see through the subtle ideas created by the fallen beings through a perversion of a true principle. Help them see that the interests of the collective should never override the spiritual growth of the individual.

Gautama, I have no desire,  
to nothing earthly I aspire,  
in non-attachment I now rest,  
passing Mara's subtle test.

**Gautama, Flame of Cosmic Peace,  
unruly thoughts do hereby cease,  
we radiate from you and me  
the peace to still Samsara's Sea.**

6. Gautama Buddha, remove space from the fallen beings in the mental realm who seek to force people to come together and shut off their individuality and creative flow.

Gautama, I melt into you,  
my mind is one, no longer two,  
immersed in your resplendent glow,  
Nirvana is all that I know.

**Gautama, Flame of Cosmic Peace,  
unruly thoughts do hereby cease,  
we radiate from you and me  
the peace to still Samsara's Sea.**

Gautama, in your timeless space,  
I am immersed in Cosmic Grace,  
I know the God beyond all form,  
to world I will no more conform.

**Gautama, Flame of Cosmic Peace,  
unruly thoughts do hereby cease,  
we radiate from you and me  
the peace to still Samsara's Sea.**

8. Gautama Buddha, remove space from the fallen beings in the mental realm who promote the idea that we need to come into a state of “harmony” through sameness by suppressing the individuality given to us by God.

Gautama, I am now awake,  
I clearly see what is at stake,  
and thus I claim my sacred right  
to be on earth the Buddhic Light.

**Gautama, Flame of Cosmic Peace,  
unruly thoughts do hereby cease,  
we radiate from you and me  
the peace to still Samsara's Sea.**

9. Gautama Buddha, remove space from the fallen beings in the mental realm who promote ideas of sameness in order to make it easier for them to control us by making us more predictable.

Gautama, with your thunderbolt,  
we give the earth a mighty jolt,  
I know that some will understand,  
and join the Buddha's timeless band.

**Gautama, Flame of Cosmic Peace,  
unruly thoughts do hereby cease,  
we radiate from you and me  
the peace to still Samsara's Sea.**

we radiate from you and me  
the peace to still Samsara's Sea.**

the Buddha Nature I now see,  
it is the core of you and me.

**Gautama, Flame of Cosmic Peace,  
unruly thoughts do hereby cease,  
we radiate from you and me  
the peace to still Samsara's Sea.**

3. Gautama Buddha, remove space from the fallen beings in the mental realm who do not believe there are any boundaries that are immovable, and who think that if they can define the right idea, they can force the universe to comply with that idea.

Gautama, I am one with thee,  
Mara's demons do now flee,  
your Presence like a soothing balm,  
my mind and senses ever calm.

**Gautama, Flame of Cosmic Peace,

unruly thoughts do hereby cease,  
we radiate from you and me  
the peace to still Samsara's Sea.**

Gautama, I have no desire,  
to nothing earthly I aspire,  
in non-attachment I now rest,  
passing Mara's subtle test.

**Gautama, Flame of Cosmic Peace,  
unruly thoughts do hereby cease,  
we radiate from you and me  
the peace to still Samsara's Sea.**

my mind is one, no longer two,  
immersed in your resplendent glow,  
Nirvana is all that I know.

**Gautama, Flame of Cosmic Peace,  
unruly thoughts do hereby cease,  
we radiate from you and me  
the peace to still Samsara's Sea.**

Gautama, with your thunderbolt,  
we give the earth a mighty jolt,  
I know that some will understand,  
and join the Buddha's timeless band.

**Gautama, Flame of Cosmic Peace,  
unruly thoughts do hereby cease,  
we radiate from you and me  
the peace to still Samsara's Sea.**

your exposé I do endure,  
so my perception will be pure.

unruly thoughts do hereby cease,  
we radiate from you and me  
the peace to still Samsara's Sea.**

## 23 | CLEARING THE IDENTITY OCTAVE

In the name of the I AM THAT I AM, Jesus Christ, I call upon Mother Mary, Alpha and Omega for the clearing of the identity realm from all demons, entities and fallen beings who are helping to start wars or preventing people from stopping war and conflict. Awaken people to the reality that we are spiritual beings and that we can co-create a new future by working with the ascended masters. I especially call for ...

[Make your own calls here.]

### *Part 1*

1. Beloved Alpha, I call forth your judgment upon the fallen beings in the identity realm who have taken the unconditional command “Thou shall not kill” and turned it into a relative statement where killing is acceptable based on their conditions.

Beloved Alpha, God’s great plan,  
in Central Sun it all began,  
what wondrous vision of a world,  
the cosmic spheres were then unfurled.

**Beloved Alpha, in your light,  
I now see God with inner sight,  
as man I will no longer live,  
my life to God I fully give.**

2. Beloved Alpha, I call forth your judgment upon the people in embodiment who have been able to attune to the fallen beings in the identity realm.

Beloved Alpha, serve the All,  
this is Creator's timeless call,  
from out Creator's perfect whole,  
sprang lifestreams with a sacred goal.

**Beloved Alpha, in your light,  
I now see God with inner sight,  
as man I will no longer live,  
my life to God I fully give.**

3. Beloved Alpha, I call forth your judgment upon the fallen beings in the identity realm who used St. Augustine and other church fathers to bring forth the false ideas behind the Catholic Church.

Beloved Alpha, all was one,  
as we were sent from Central Sun,  
to you we shall in time return,  
for cosmic union we do yearn.

**Beloved Alpha, in your light,  
I now see God with inner sight,

a co-creator, I will bring,

for we are here to bring the love,  
that you are sending from Above.

we form a true polarity,  
as up Above, so here below,  
with life's own river I do flow.

**Beloved Alpha, in your light,  
I now see God with inner sight,  
as man I will no longer live,  
my life to God I fully give.**

Omega, I now meditate,  
upon your throne in cosmic gate.  
I'm born out of the figure-eight,  
that Alpha and you co-create.

**O Song of Life, you vitalize,  
all hearts you truly synchronize.  
O Sacred Sound, you alchemize,  
turn earth into a paradise.**

2. Beloved Omega, awaken all spiritual people from the tendency to follow the false gurus of the fallen beings, so they can say: "I do not want one of these fallen gurus. I want an ascended master as my guide, as my teacher, as my guru."

my cosmic parents I embrace.  
I see that it is such a grace,

you show me life is cosmic fun.  
And thus a victory is won,

is doorway to infinity.  
With you I have affinity,  
to know my own divinity.

Omega, I now comprehend,  
why I did to earth descend.  
And thus I fully do intend,  
to help this planet to ascend.

Omega, I do now aspire,  
to join the ranks of cosmic choir.  
My heart burns with a Christic fire,

**O Mother Mary, generate,  
the song that does accelerate,  
the earth into a higher state,  
all matter does now scintillate.**

As Mother Earth is free at last,  
disasters belong to the past,  
your Mother Light is so intense,  
that matter is now far less dense.

the song that does accelerate,  
the earth into a higher state,  
all matter does now scintillate.**

In Mother Light the earth is pure,  
the upward spiral will endure,  
prosperity is now the norm,  
God's vision manifest as form.

the song that does accelerate,  
the earth into a higher state,  
all matter does now scintillate.**
