

# Invocation for Loving Yourself

In the name of the Unconditional Love of the Father, the Son, the Holy Spirit and the Mother of Light, Amen.

In the name of the I AM THAT I AM, Jesus Christ, I dedicate this invocation to the manifestation of the perfect vision of Christ in . . . (insert personal prayer here).

## God is Father and Mother

God is Father, God is Mother, never one without the other.

Your balanced union is our source,  
your Love will keep us on our course.  
You offer us abundant life,  
to free us from all sense of strife.  
We plunge ourselves into the stream,  
awakening from this bad dream.  
We see that life is truly one,  
and thus our victory is won.  
We have returned unto our God,  
on the path the saints have trod.  
We form God's body on the Earth,  
and give our planet its rebirth,  
into a Golden Age of Love,  
with ample blessings from Above.  
We set all people free to see  
that oneness is reality,  
and in that oneness we will be  
whole for all eternity.  
And now the Earth is truly healed,  
all life in God's perfection sealed.

God is Father, God is Mother,  
we see God in each other.

## I AM a Child of Love

1. When I look into the vastness of the night sky, I know that the Being who created the Milky Way must have unlimited ability to create beauty and perfection. Thus, I too AM created as a beautiful and perfect Being, for I AM created in the image and likeness of my God.

Archangel Michael, I AM letting go of all anti-love and I AM washed clean by the Living Waters of Love.

Hail Unconditional Love  
**No conditions in God's Love,  
ever flowing from Above.  
I AM in God's Sacred flow,  
I AM loved, this I know.  
I love my Self and I AM free,  
the Sun of Love on Earth to BE.**

**My Love for life will ever grow,  
nurturing all life below.  
As I no longer seek to hide,  
God's Love consumes all fear and pride.  
God's children are set free to BE,  
the Suns of God, eternally.**

2. I know my Divine Father created me with a Divine individuality that is uniquely beautiful. I know God my Father loves me with an infinite and unconditional Love. I know God loves me as himself, for I AM an extension of himself. Archangel Michael, I AM letting go of all anti-love and I AM washed clean by the Living Waters of Love.

## Hail Unconditional Love

3. I know my Divine individuality resides in my I AM Presence, which resides in the spiritual realm. The spiritual realm is of higher vibrations than the material universe, and thus nothing that has happened to me on Earth can affect my Divine individuality. Archangel Michael, I AM letting go of all anti-love and I AM washed clean by the Living Waters of Love.

## Hail Unconditional Love

4. When I look at the beauty of a sunset or a sleeping baby, I know that Earth has the potential to express God's beauty and perfection. Yet I also see that the Earth is not currently expressing that perfection. Nevertheless, I know that none of the imperfections on Earth can touch my Divine individuality. Archangel Michael, I AM letting go of all anti-love and I AM washed clean by the Living Waters of Love.

**No conditions in God's Love,  
ever flowing from Above.  
I AM in God's Sacred flow,  
I AM loved, this I know.  
I love my Self and I AM free,  
the Sun of Love on Earth to BE.**

**My Love for life will ever grow,  
nurturing all life below.  
As I no longer seek to hide,  
God's Love consumes all fear and pride.  
God's children are set free to BE,  
the Suns of God, eternally.**

5. I know that nothing anyone does to me and no mistake I could possibly make on Earth can destroy the beauty of my Divine individuality. I now see that God's Love for me is unconditional, meaning that no conditions could make me unworthy of God's Love. I AM worthy by the fact that God created me in his image, and I AM as lovable as when I was first created. Archangel Michael, I AM letting go of all anti-love and I AM washed clean by the Living Waters of Love.

**Hail Unconditional Love**

6. I know that God my Father created me out of his desire to BE MORE. The desire to BE MORE is Unconditional Love, and thus I AM a Child of Love, an expression of God's Love. As I accept God's Perfect Love for me, I AM made free from the ego's fears of not being worthy of Love. Archangel Michael, I AM letting go of all anti-love and I AM washed clean by the Living Waters of Love.

**Hail Unconditional Love**

7. I know that my I AM Presence is an expression of God's desire to BE MORE. In the distant past, my I AM Presence looked upon the Earth and desired to send an extension of itself here to bring God's Love. Thus, I AM here to bring my unique expression of God's Love to replace the darkness on Earth. Archangel Michael, I AM letting go of all anti-love and I AM washed clean by the Living Waters of Love.

**Hail Unconditional Love**

8. I know that because my Love was rejected by the forces of anti-love, I came to the conclusion that my Love was not wanted and that I should stop expressing it. I even reasoned that if no one wanted my Love, it must mean that I am not lovable, I am not a Child of Love after all. I now realize that the rejection of my Love has not changed who I AM. Archangel Michael, I AM letting go of all anti-love and I AM washed clean by the Living Waters of Love.

**Hail Unconditional Love**

9. I now realize that Divine Love is an attractive force that draws me ever closer to God by raising me above any conditions that separate me from my source. I now joyously choose to stop resisting this force. I draw nigh to my God with all my heart, and my God draws nigh to me. I AM a Sun, radiating Divine Love into every situation I encounter. Archangel Michael, I AM letting go of all anti-love and I AM washed clean by the Living Waters of Love.

**Hail Unconditional Love**

## 1. Throat, Solar plexus

Hail Mary, we give praise  
the Mother Light in all you raise.  
In perfect balance light will stream,  
in harmony our souls will gleam.

Refrain:

**Oh Mother Mary, we release  
all thoughts and feelings less than peace,  
releasing now all patterns old,  
we leave behind the mortal mold.**

**River of Life, eternal flow,  
we will to live, we will to grow.  
We will transcend and be the more,  
the joy of life we do adore.**

All troubles in the heart now cease,  
as Mary's love brings great release.  
The rose of twelve in fullest bloom,  
the soul is free to meet her groom.

The throat is shining oh so blue,  
the will of God is always true.  
God's power is released in love  
through Christ direction from Above.

The solar center is at peace,  
as fear and anger we release.  
The sacred ten will now unfold  
a glow of purple and of gold.

When Mother Light and Buddha meet,  
the force of darkness they defeat,  
with Jesus and our Saint Germain.  
they bring the Golden Age again.

I feel the Mother's gentle kiss,  
as I am in eternal bliss,  
floating in a space sublime,  
in harmony with sacred chime.

Coda:

By Mother Mary's endless Grace,  
we conquer time, we conquer space.  
The Buddha Nature is in all  
and thus we rise to heed the call  
to be the Christed ones on Earth,  
the Golden Age is given birth.

## I AM the open door of Love

1. I know that my I AM Presence sent a part of itself to Earth in order to express its unique quality of Divine Love. I know this part is my conscious self, which is meant to fill the role of the Christ in my Being. My conscious self is charged with the task of maintaining Oneness between my I AM Presence and my lower being so that Love can flow through me. Beloved Jesus, I AM letting my light so shine before men that they may experience God's Love through me.

**No conditions in God's Love,  
ever flowing from Above.  
I AM in God's Sacred flow,  
I AM loved, this I know.  
I love my Self and I AM free,  
the Sun of Love on Earth to BE.**

**My Love for life will ever grow,  
nurturing all life below.  
As I no longer seek to hide,  
God's Love consumes all fear and pride.  
God's children are set free to BE,  
the Suns of God, eternally.**

2. I know my conscious self has a God-given right to take dominion over the Earth. I AM here to let my Love shine, so that it can replace the darkness of anti-love that covers the land. I AM here to BE MORE Love in action, so that Divine Love will have dominion over the Earth through me. Beloved Jesus, I AM letting my light so shine before men that they may experience God's Love through me.

**Hail Unconditional Love**

3. I now see that in the distant past, my conscious self started withholding Love. This happened because I was tempted into adapting to those who love darkness rather than light.

Thus, I accepted their lie that my Love was not welcome on Earth and that I had no right to disturb them. Beloved Jesus, I AM letting my light so shine before men that they may experience God's Love through me.

**No conditions in God's Love,  
ever flowing from Above.  
I AM in God's Sacred flow,  
I AM loved, this I know.  
I love my Self and I AM free,  
the Sun of Love on Earth to BE.**

**My Love for life will ever grow,  
nurturing all life below.  
As I no longer seek to hide,  
God's Love consumes all fear and pride.  
God's children are set free to BE,  
the Suns of God, eternally.**

4. I now see that when I accepted that my Love is not welcome, I also accepted the illusion that my Love is not worthy. Thus, I came to believe that I was not worthy and that I was not lovable. This caused a division in my Being so that I no longer accepted the Love of my I AM Presence. As I now accept that I AM worthy of Love, my lower being is again open to the Flow of Love. Beloved Jesus, I AM letting my light so shine before men that they may experience God's Love through me.

**Hail Unconditional Love**

5. I now see that my conscious self is an extension of my I AM Presence and is always worthy of Love. It is the ego that is not worthy of Love, and I consciously separate myself from the identity based on anti-love. In full awareness that I AM the conscious self and not the ego, I now choose to love my I AM Presence and my God with all my heart, soul and mind. I also choose to love all life and the Mother Light as my Self. Beloved Jesus, I AM letting

my light so shine before men that they may experience God's Love through me.

**Hail Unconditional Love**

6. I now see that those who reject God's Love have never experienced Unconditional Love. They reject Love without knowing what they are rejecting, meaning that they are not making a free choice. I AM here to give them an experience of God's Love so they can make a free choice. Beloved Jesus, I AM letting my light so shine before men that they may experience God's Love through me.

**Hail Unconditional Love**

7. I now see that I AM here to give people the choice between Love and anti-love. I AM not here to force them to choose Love. Thus, I respect the Law of Free will and I AM non-attached to their choices. I freely give the Love that I have freely received from Above, and I attach no conditions to how my Love is given and how it is received. Beloved Jesus, I AM letting my light so shine before men that they may experience God's Love through me.

**Hail Unconditional Love**

8. I now accept that my job is to give people an experience of Divine Love. When I have done that, my job is done. Thus, if people choose anti-love, I will not feel rejected. And I will rise above the ego's temptations to shut off the flow of Love through my Being. Beloved Jesus, I AM letting my light so shine before men that they may experience God's Love through me.

**Hail Unconditional Love**

9. I now accept that I AM the Omega polarity to Divine Love here on Earth. I AM the Living Christ, superimposing Divine Love upon the Mother Light. I AM a Sun of Divine Love that is always shining. I love God with all my heart, soul and mind and I love my neighbor as myself. And I love myself as God loves me. Beloved Jesus, I AM letting my light so shine before men that they may experience God's Love through me.

**No conditions in God's Love,  
ever flowing from Above.  
I AM in God's Sacred flow,  
I AM loved, this I know.  
I love my Self and I AM free,  
the Sun of Love on Earth to BE.**

**My Love for life will ever grow,  
nurturing all life below.  
As I no longer seek to hide,  
God's Love consumes all fear and pride.  
God's children are set free to BE,  
the Suns of God, eternally.**

## **2. Third Eye, Soul**

Hail Mary, we give praise  
the Mother Light in all you raise.  
In perfect balance light will stream,  
in harmony our souls will gleam.

Refrain:  
**Oh Mother Mary, we release  
all thoughts and feelings less than peace,  
releasing now all patterns old,  
we leave behind the mortal mold.**

**River of Life, eternal flow,  
we will to live, we will to grow.  
We will transcend and be the more,  
the joy of life we do adore.**

All troubles in the heart now cease,  
as Mary's love brings great release.  
The rose of twelve in fullest bloom,  
the soul is free to meet her groom.

The brow emits an emerald hue,  
Christ's perfect vision we pursue,  
and as we see God's perfect plan,  
we feel God's love for every man.

The soul is basking in delight,  
as violet flame is shining bright.  
The soul is breathing God's pure air,  
she feels so free in Mother's care.

When Mother Light and Buddha meet,  
the force of darkness they defeat,  
with Jesus and our Saint Germain.  
they bring the Golden Age again.

I feel the Mother's gentle kiss,  
as I am in eternal bliss,  
floating in a space sublime,  
in harmony with sacred chime.

Coda:  
By Mother Mary's endless Grace,  
we conquer time, we conquer space.  
The Buddha Nature is in all  
and thus we rise to heed the call  
to be the Christed ones on Earth,  
the Golden Age is given birth.

## **I AM the Sun of God**

1. I know I AM on Earth to be a Sun radiating Divine Love to all people. Yet I can love others only when I love myself, and I can love myself only when I feel God's Love for me. Thus, I allow God's Love to flow through my Being and consume all unlike itself. I AM the unstoppable flow of Unconditional Love, consuming all conditions.

## **Hail Unconditional Love**

2. I realize Divine Love is unconditional, meaning that it accepts no conditions for stopping its flow. Thus, I cannot experience God's Love if I see it as a static force that is outside myself and allow my ego to define conditions for its flow. I can experience God's Love only when I plunge myself into the Flow of Love, the River of Life itself. I can know Love only by BEING Love in action. I AM the unstoppable flow of Unconditional Love, consuming all conditions.

**No conditions in God's Love,  
ever flowing from Above.  
I AM in God's Sacred flow,  
I AM loved, this I know.  
I love my Self and I AM free,  
the Sun of Love on Earth to BE.**

**My Love for life will ever grow,  
nurturing all life below.  
As I no longer seek to hide,  
God's Love consumes all fear and pride.  
God's children are set free to BE,  
the Suns of God, eternally.**

3. I realize it is the ego that has created the conditions that cause me to withhold God's Love. I AM willing to let the ego die and be spiritually reborn, so that my lower being is a reflection of my Divine individuality. I AM willing to give Divine Love freely to all, letting my light shine before men regardless of inner and outer conditions. I AM the unstoppable flow of Unconditional Love, consuming all conditions.

#### **Hail Unconditional Love**

4. I realize that Love is a force of Oneness with the goal of setting all life free from anti-love. Divine Love superimposes the immaculate concept upon the Ma-ter light, so that the Earth becomes the kingdom of God. I now consciously accept that as a Child of Love I AM here to take dominion over the Earth, letting Divine Love replace the darkness of anti-love. I AM the unstoppable flow of Unconditional Love, consuming all conditions.

#### **Hail Unconditional Love**

5. I realize that the illusion of the ages is that I should not allow God's Love to flow through me, but that I should shut off the flow because of certain conditions on Earth. I now consciously reject this illusion and I vow to never allow my Love to become conditional. Thus, I surrender all human concepts of Love, letting Divine Love BE what it will BE in me and through me. I AM the unstoppable flow of Unconditional Love, consuming all conditions.

#### **Hail Unconditional Love**

6. I realize that my happiness, joy and fulfillment do not depend on any conditions on Earth. My happiness depends only on the flow of Divine Love through my Being. I now make it the goal of my life to maintain the flow of God's Love through all aspects of my Being, regardless of any conditions. I AM the unstoppable flow of Unconditional Love, consuming all conditions.

#### **Hail Unconditional Love**

7. I realize that the key to maintaining the flow of Love is to freely give what I have freely received. Only as I give Love will I feel the Flow of Love, and only then will I feel loved. Thus, I surrender all of my ego's conditions for withholding Love. I allow Divine Love to flow through my Being, guided only by the perfect vision of the Christ mind. I AM the unstoppable flow of Unconditional Love, consuming all conditions.

#### **Hail Unconditional Love**

8. I realize that another illusion of the ages is that God has abandoned the Earth or that God does not have the power to consume the imperfections on this planet. I now see that because God gave his co-creators dominion over the Earth, God's Love cannot flow unless co-creators choose to become the open doors. Thus, we are the ones limiting what God can do on Earth. I AM the unstoppable flow of Unconditional Love, consuming all conditions.

**No conditions in God's Love,  
ever flowing from Above.  
I AM in God's Sacred flow,  
I AM loved, this I know.  
I love my Self and I AM free,  
the Sun of Love on Earth to BE.**

**My Love for life will ever grow,  
nurturing all life below.  
As I no longer seek to hide,  
God's Love consumes all fear and pride.  
God's children are set free to BE,  
the Suns of God, eternally.**

9. I now vow to be the open door for God's Unconditional Love to flow through all aspects of my Being. I know Unconditional Love can consume all conditions and set the Earth and her people free to outpicture the immaculate concept held in the mind of Christ. I AM the open door for the Love of God, I AM the Sun of God on Earth. I AM the unstoppable flow of Unconditional Love, consuming all conditions.

**Hail Unconditional Love**

### **3. Crown, Base**

Hail Mary, we give praise  
the Mother Light in all you raise.  
In perfect balance light will stream,  
in harmony our souls will gleam.

Refrain:

**Oh Mother Mary, we release  
all thoughts and feelings less than peace,  
releasing now all patterns old,  
we leave behind the mortal mold.**

**River of Life, eternal flow,  
we will to live, we will to grow.  
We will transcend and be the more,  
the joy of life we do adore.**

All troubles in the heart now cease,  
as Mary's love brings great release.  
The rose of twelve in fullest bloom,  
the soul is free to meet her groom.

The crown is like a sea of gold,  
as thousand petals now unfold.  
We see the Buddha in the crown,  
arrayed in his celestial gown.

The base is of the purest white,  
four petals radiate your light.  
The Mother bows in purest love  
to God the Father from Above.

When Mother Light and Buddha meet,  
the force of darkness they defeat,  
with Jesus and our Saint Germain.  
they bring the Golden Age again.

I feel the Mother's gentle kiss,  
as I am in eternal bliss,  
floating in a space sublime,  
in harmony with sacred chime.

Coda:

By Mother Mary's endless Grace,  
we conquer time, we conquer space.  
The Buddha Nature is in all  
and thus we rise to heed the call  
to be the Christed ones on Earth,  
the Golden Age is given birth.

## **Oh Mother Mary, we are One in the River of Life**

In the beginning was only Love, the dynamic  
Love that desired to BE MORE of itself. Out of  
Love's desiring to BE MORE sprang the world  
of form, as a foundation for the cosmic dance  
between the Divine Lover and the beloved.  
Born from Love, creation is not a static world,  
but a constantly flowing, ever self-transcending  
River of Life in which the Divine Father and  
the Divine Mother are One.

In the beginning of my life as a self-  
conscious Being, I knew I AM a Child of Love.  
I too desired to be MORE of myself and joy-  
ously co-created in the River of Life. Out of  
my Love to be MORE, I descended into the  
denser spheres, to demonstrate that the beloved  
can be one with the Divine Lover even in a  
world of darkness.

Yet as my gift of Love was rejected over  
and over by those who have forgotten they are  
children of Love, I started withholding my  
Love, seeking to hide it from the profane. In  
doing so, I separated myself from the River of  
Life and I started to feel incomplete. I now en-  
tered an endless spiral of seeking to compen-  
sate for my incompleteness by having or doing  
"things" on Earth. I sought to cover my naked-  
ness with the "things" of this world and then  
hold on to them with all my strength.

I now realize that all this is vanity and will  
never restore my wholeness. For what shall it  
profit me that I possess the whole world and  
lose my wholeness? I will be whole only when  
I accept that I AM a Child of Love and allow  
the River of Life to flow through me without  
conditions.

I now hear and feel the unstoppable rushing  
of the Living Waters of the River of Life, as  
they are flowing by me, pulling on me to let go  
of my separate sense of identity and once again  
be free in my Oneness with Life itself. I now  
let go of all anti-love in my Being, feeling how  
it is washed away by the Living Waters of  
Love. And now, in a final act of total surrender,  
I let go of everything I hold on to in this world.  
I let go of the ego and its desperate attempts to  
hold on to the illusion that I am separated from

the River of Life, that the Divine Sun can be separated from the Divine Father and the Divine Mother.

Thus, I plunge myself into the River of Love with an ecstatic sense of being free to BE who I AM, once again the Child of Love who knows it is unconditionally loved by the Divine Father and personally loved by the Divine Mother. I allow the Living Waters of Love to wash away all attachments to any expression of anti-love, any illusion that I can be separated from Divine Love. Thus, I allow myself to be made perfect in Love.

I AM a Child of Love, and I now fully accept that I AM the Beloved of God. I no longer run away from the Unconditional Love of the Divine Father and the Nurturing Love of the Divine Mother. As I feel the Flow of Love through my Being, I feel whole, I feel complete. I experience Oneness with my Source, my I AM Presence as the representative of the Divine Father in my Being. I experience Oneness with Mother Mary as the representative of the Divine Mother in my Being. Mother Mary, I love you as my true Mother, my Divine Mother, and I accept that I AM worthy of your Nurturing Love that sets me free from all anti-love. Thus, we are One in that Love, now and forever, and our Love will nurture all people and set them free to BE here below all that they are Above. Thus, I hold the immaculate concept that all people are Suns of Love.

I affirm that Archangel Michael and his billions of Blue-flame Angels are clearing the beings of all people from the spirits and energies of anti-love.

I affirm that Archangel Michael and his billions of Blue-flame Angels are clearing the beings of all people from the lies of anti-love.

I affirm that Archangel Michael and his billions of Blue-flame Angels are clearing the beings of all people from spiritual slavery under the forces of anti-love.

I affirm that Archangel Michael and his billions of Blue-flame Angels are clearing the beings of all people from material slavery under the power elite of anti-love.

I choose to be one with my God, and therefore I AM the Presence of Archangel Michael clearing every nation and Mother Earth from anti-love.

**The Earth is the Lord's and the fullness of his Love.** (3X) Amen.

In the name of the Unconditional Love of the Father, the Son, the Holy Spirit and the Mother of Light, Amen.

### **Sealing**

I affirm that I AM sealed in the perpetual figure-eight flow of the Unconditional Love of God the Father, united with the Nurturing Love of God the Mother. I love the Earth and all life, and I vow to BE here below, all that I AM Above—and MORE. I declare my Oneness with my God Flame, and I vow to BE the open door for the sunlight of my I AM Presence to flow unrestricted through my Being. Thus, I AM the Sun of God on Earth, I AM the open door which no man can shut. I affirm that the Unconditional Love of God the Father is expressed through me as the Nurturing Love of God the Mother, sealing all life in Self-transcending Love.

In the name of the Father, the Son and the Holy Spirit, in the name of the Divine Mother, I affirm that the MORE of the River of Life is flowing through my Being, now and forever. I affirm that the MORE of the River of Life is flowing through the beings of all people, now and forever. I affirm that the MORE of the River of Life is flowing through the Being of Mother Earth, now and forever. Amen.
