

Oneness with My I AM Presence

In the name of the Cosmic Christ, Lord Maitreya, in the name of Gautama Buddha and Jesus Christ, I call to the Divine Father, Alpha, and the Divine Mother, Omega, and I dedicate this invocation to the restoration of my connection to my I AM Presence, giving me a foundation for overcoming all sense of separation, until I can say with Jesus: "I and my Father are one!": ...

(Briefly describe the specific condition(s) you want to overcome.)

God is Alpha and Omega

God is Father, God is Mother,
through the Son, one with each other.

Oh separation is the lie,
the ego is the unseen tie.
Conditions are the subtle tools
to trap the unsuspecting fools.

All ownership a prison wall,
and thus we rise to heed the call.
Transcendence is the Master Key,
becoming MORE is liberty.

Surrender is abundant life,
surrender overcomes all strife.
We plunge ourselves into the stream,
fulfilling Heaven's highest dream.

Christ vision keeps us on our course,
remembering our common Source.
In balance we will always grow,
remaining in the Sacred Flow.

We see the ONE beyond all form,
as oneness is the only norm.
Residing in the Sacred Space,
enveloped in Eternal Grace.

God is Father, God is Mother,
we see God in each other.

First Ray - Power

1. I AM the ONE, I AM Alpha and Omega, the beginning and the ending. I will give unto them that are athirst of the fountain of the water of life freely.

Refrain 1:

**Beloved Mighty I AM Presence,
you are my very core.
Release your pure and holy essence,
in oneness we are MORE.**

**For I will be who I will be,
for you the open door.
Your Power flowing now through me
whereby all life is MORE.**

2. Beloved Mighty I AM Presence, I am willing to overcome the illusion of separation and transcend my self-awareness, until I experience myself as an extension of yourself in form.

Repeat Refrain 1

3. Beloved Mighty I AM Presence, I know that you have an Alpha aspect, namely the I AM THAT I AM, which is pure awareness.

Repeat Refrain 1

4. Beloved Mighty I AM Presence, I know that you have an Omega aspect, the I WILL BE WHO I WILL BE that desires to express itself in the material world.

Repeat Refrain 1

5. Beloved Mighty I AM Presence, I know that I am an expression of your Omega aspect, I am an expression of your desire to grow by experiencing this world and expressing your Divine individuality in this world.

Repeat Refrain 1

6. Beloved Mighty I AM Presence, I know you created me to be the open door in this world. I am willing to transcend my self-awareness, until I truly am your open door.

**Beloved Mighty I AM Presence,
you are my very core.
Release your pure and holy essence,
in oneness we are MORE.**

**For I will be who I will be,
for you the open door.
Your Power flowing now through me
whereby all life is MORE.**

7. Beloved Mighty I AM Presence, I know that I am not yet the open door, because I have created a separate self as a reaction to the conditions found in this world.

Repeat Refrain 1

8. Beloved Mighty I AM Presence, I know that this separate self is unreal and must die. I ask you to help me grow to the point of being willing to let the separate self die.

Repeat Refrain 1

Second Ray - Wisdom

1. Beloved Mighty I AM Presence, I know I created my separate self because the fallen beings rejected the gifts of your light and individuality.

Refrain 2:

**Beloved Mighty I AM Presence,
you are my very core.
Release your pure and holy essence,
in oneness we are MORE.**

**For I will be who I will be,
for you the open door.
Your Wisdom flowing now through me
whereby all life is MORE.**

2. I AM the ONE, becoming many forms that are destined to return to the One in the cosmic dance between the Divine Lover and the Beloved.

Repeat Refrain 2

3. Beloved Mighty I AM Presence, I know I made the decision to take this rejection personally, and I felt hurt by their rejection of you.

Repeat Refrain 2

4. Beloved Mighty I AM Presence, I know I created the separate self in order to protect myself from being hurt by the relentless accusations of the fallen beings.

Repeat Refrain 2

5. Beloved Mighty I AM Presence, I know I became trapped in the illusion that I should adapt my self-expression to the conditions and demands of the fallen beings.

Repeat Refrain 2

6. Beloved Mighty I AM Presence, I know that as I started judging myself as the fallen beings judged me, I started to deny your free expression through me.

Repeat Refrain 2

7. Beloved Mighty I AM Presence, I know that I stopped being the open door, because I was no longer willing to live by your credo: I WILL BE WHO I WILL BE.

Repeat Refrain 2

8. Beloved Mighty I AM Presence, I am willing to once again be the open door. I am willing to be who I will be by letting your I WILL BE WHO I WILL BE Presence express itself through me.

Repeat Refrain 2

Third Ray - Love

1. Beloved Mighty I AM Presence, I know that as an expression of you, I also have an Alpha and an Omega aspect.

Refrain 3:

**Beloved Mighty I AM Presence,
you are my very core.
Release your pure and holy essence,
in oneness we are MORE.**

**For I will be who I will be,
for you the open door.
Your Love is flowing now through me
whereby all life is MORE.**

2. Beloved Mighty I AM Presence, I know the Alpha aspect of my Conscious You is the I AM, which is pure, formless awareness.

Repeat Refrain 3

3. I AM the One, manifest as the trinity of Alpha and Omega, held in perfect creative tension by the only begotten Son, the Logos of the Christ mind.

Repeat Refrain 3

4. Beloved Mighty I AM Presence, I know the Omega aspect of my Conscious You is the "I Will Be Who I Will Be," the desire to be one with the creative flow of life itself.

Repeat Refrain 3

5. Beloved Mighty I AM Presence, I know it was my Omega aspect that fell for the illusion that I should adapt to the conditions defined by the fallen beings.

Repeat Refrain 3

6. Beloved Mighty I AM Presence, I know I decided to no longer allow you to be who you will be through me. Instead, I said that I will be who the fallen beings want me to be.

Repeat Refrain 3

7. Beloved Mighty I AM Presence, I know that over many embodiments I have built a complex separate self based on the fallen consciousness. Thus, my frame of reference has been the fallen beings instead of you.

Repeat Refrain 3

8. Beloved Mighty I AM Presence, I know this separate self is based on the belief that I have no right to be who I will be in this world, but that I should conform to the standards defined by the fallen beings.

Repeat Refrain 3

Fourth Ray - Purity

1. Beloved Mighty I AM Presence, I know that after I started awakening to my spiritual potential, my ego started taking on the appearance of being more spiritual.

Refrain 4:

**Beloved Mighty I AM Presence,
you are my very core.
Release your pure and holy essence,
in oneness we are MORE.**

**For I will be who I will be,
for you the open door.
Your Purity flowing now through me
whereby all life is MORE.**

2. Beloved Mighty I AM Presence, I know that my separate self has created an entirely false path, which makes it believe that I can qualify for my ascension by living up to a standard defined by the fallen beings.

Repeat Refrain 4

3. Beloved Mighty I AM Presence, I know that following this path is futile, and it is all vanity. The only way for me to ascend is to become pure, so that I am again the open door for your creative flow.

**Beloved Mighty I AM Presence,
you are my very core.
Release your pure and holy essence,
in oneness we are MORE.**

**For I will be who I will be,
for you the open door.
Your Purity flowing now through me
whereby all life is MORE.**

4. I AM the ONE, the creative fount, expressed as the eternal flow of becoming that forms the River of Life, enfolding all that IS in the wings of the Holy Spirit.

Repeat Refrain 4

5. Beloved Mighty I AM Presence, I know that in order to become the open door, I must overcome ALL of the illusions of my separate self, including the illusion that it was my creativity that caused me to fall, and thus I should stop experimenting.

Repeat Refrain 4

6. Beloved Mighty I AM Presence, I know my ascension is a creative process. As I used my creativity to get into separation, I must use my creativity to transcend separation and come into oneness with your creative flow.

Repeat Refrain 4

7. Beloved Mighty I AM Presence, I know I will not make my ascension by striving for oneness with your I AM aspect. I will win my ascension only by being one with the creative flow of your Omega aspect.

Repeat Refrain 4

8. Beloved Mighty I AM Presence, I declare my independence from the fallen beings and their judgmental, accusatory consciousness. Show me all illusions, and I will let the separate self die, bit by bit.

Repeat Refrain 4

Fifth Ray - Truth

1. Beloved Mighty I AM Presence, I know that it is precisely by being willing to be who I will be that I will start escaping the judgments and illusions of the fallen beings.

Refrain 5:

**Beloved Mighty I AM Presence,
you are my very core.
Release your pure and holy essence,
in oneness we are MORE.**

**For I will be who I will be,
for you the open door.
Your Truth is flowing now through me
whereby all life is MORE.**

2. Beloved Mighty I AM Presence, I know that as I experiment and go beyond the standards and the judgments of this world, I can reconnect with your creative flow.

Repeat Refrain 5

3. Beloved Mighty I AM Presence, I know that as I reconnect to the River of Life, I can gradually transcend all of my limitations and self-judgments. I will then be willing to be who I will be, regardless of how the world and the fallen beings judge me.

Repeat Refrain 5

4. Beloved Mighty I AM Presence, I know that your Omega aspect, your I WILL BE WHO I WILL BE Presence, is indeed an expression of the creative flow of the River of Life.

Repeat Refrain 5

5. I AM the ONE, expressing myself as self-aware beings with the opportunity to become all that I AM through the process of consciously choosing to be MORE.

Repeat Refrain 5

6. Beloved Mighty I AM Presence, I know that I will fulfill my reason for being only by becoming the open door for your creative expression.

**Beloved Mighty I AM Presence,
you are my very core.
Release your pure and holy essence,
in oneness we are MORE.**

**For I will be who I will be,
for you the open door.
Your Truth is flowing now through me
whereby all life is MORE.**

7. Beloved Mighty I AM Presence, I know you are beyond any and all of the standards and judgments of the fallen beings.

Repeat Refrain 5

8. Beloved Mighty I AM Presence, I know I can be your open door only when I am willing to express myself regardless of earthly appearances. I hereby let go of the illusion that anything in this world has power over me as a spiritual being.

Repeat Refrain 5

Sixth Ray - Service

1. Beloved Mighty I AM Presence, I know that in order to be your open door and give service to life, I cannot conform to the mental boxes based on the illusion of separation and the judgments of the fallen beings.

Refrain 6:

**Beloved Mighty I AM Presence,
you are my very core.
Release your pure and holy essence,
in oneness we are MORE.**

**For I will be who I will be,
for you the open door.
Your Peace is flowing now through me
whereby all life is MORE.**

2. Beloved Mighty I AM Presence, I know that the only way to give true service to life is to demonstrate that as a spiritual being, I will not conform to the mental boxes of this world.

Repeat Refrain 6

3. Beloved Mighty I AM Presence, I know that I do not help other people by either opposing or conforming to their mental boxes and their relative, dualistic value judgments.

Repeat Refrain 6

4. Beloved Mighty I AM Presence, I know my only opportunity for helping others is to demonstrate that even if I have grown up within a certain mental box, I can indeed transcend it and be MORE.

Repeat Refrain 6

5. Beloved Mighty I AM Presence, I know that my true service is to demonstrate that all human beings have the potential to become the open doors for the creative expression of Spirit.

Repeat Refrain 6

6. I AM the ONE, the self that encompasses all life, and as the self-aware extensions of myself become MORE, I become MORE.

Repeat Refrain 6

7. Beloved Mighty I AM Presence, I know that my true service is to be the open door for you, so that your creative expression will give people a frame of reference for transcending their mental boxes.

Repeat Refrain 6

8. Beloved Mighty I AM Presence, I know that I am willing to experiment, I am willing to be who I will be, until I become the open door for your I WILL BE WHO I WILL BE Presence.

**Beloved Mighty I AM Presence,
you are my very core.
Release your pure and holy essence,
in oneness we are MORE.**

**For I will be who I will be,
for you the open door.
Your Peace is flowing now through me
whereby all life is MORE.**

Seventh Ray - Freedom

1. Beloved Mighty I AM Presence, I know that in order to be the open door, I must be free to exercise my will – your will – independently of any restrictions on Earth, especially the judgments of the fallen beings.

Refrain 7:
**Beloved Mighty I AM Presence,
you are my very core.
Release your pure and holy essence,
in oneness we are MORE.**

**For I will be who I will be,
for you the open door.
Your Freedom flowing now through me
whereby all life is MORE.**

2. Beloved Mighty I AM Presence, I know that in order for my will to be truly free, I must understand and accept the Law of Free Will.

Repeat Refrain 7

3. Beloved Mighty I AM Presence, I know the law makes me fully responsible for my own choices, and it gives me no responsibility for the choices of others.

Repeat Refrain 7

4. Beloved Mighty I AM Presence, I know that I will never be free as long as I take upon myself any responsibility for the choices of other people.

Repeat Refrain 7

5. Beloved Mighty I AM Presence, I know that feeling such responsibility will trap me in the dualistic game of seeking to force others “for their own good.”

Repeat Refrain 7

6. Beloved Mighty I AM Presence, I know that the only way to avoid this trap is to let go of all responsibility for others and accept full responsibility for my own state of mind.

Repeat Refrain 7

7. I AM the ONE, and every being that came from my Being can become all that I AM, by transcending the sense of self in the cosmic dance, whereby the Beloved becomes the Divine Lover, loving all life.

Repeat Refrain 7

8. Beloved Mighty I AM Presence, I hereby declare that I am fully responsible for my state of mind. I have the right to choose my own state of mind, regardless of the choices of other people or the judgments of the fallen beings.

Repeat Refrain 7

Eight Ray - Integration

1. Beloved Mighty I AM Presence, I know that true freedom is when I can choose to remain in a state of peace and bliss, regardless of the conditions I encounter on Earth.

Refrain 8:
**Beloved Mighty I AM Presence,
you are my very core.
Release your pure and holy essence,
in oneness we are MORE.**

**For I will be who I will be,
for you the open door.
Your Light is flowing now through me
whereby all life is MORE.**

2. Beloved Mighty I AM Presence, I know that this peace is possible only when I reconnect to the Alpha aspect of my Conscious You, namely the I AM of pure, formless awareness.

**Beloved Mighty I AM Presence,
you are my very core.
Release your pure and holy essence,
in oneness we are MORE.**

**For I will be who I will be,
for you the open door.
Your Light is flowing now through me
whereby all life is MORE.**

3. Beloved Mighty I AM Presence, I know that as long as I have not experienced pure awareness, I have no frame of reference for how you see the world and my personal situation.

Repeat Refrain 8

4. Beloved Mighty I AM Presence, I know that I cannot be the open door as long as I experience life through the subjective perception filter of the separate self.

Repeat Refrain 8

5. Beloved Mighty I AM Presence, I hereby declare that I am willing to see the world as you see it.

Repeat Refrain 8

6. Beloved Mighty I AM Presence, I hereby declare that I am willing to see my personal life and psychology, including my ego, as you see it.

Repeat Refrain 8

7. Beloved Mighty I AM Presence, I ask you to help me pierce the veil of Maya, so that I may see life through your pure perception. I am willing to see all that is less, so that I may choose to be MORE.

Repeat Refrain 8

8. I AM the ONE, the Alpha and Omega, the beginning and the ending, which is, and which was, and which is to come, the Almighty. And I WILL BE WHO I WILL BE, for although I am the ONE, I am forever the MORE.

Repeat Refrain 8

Oneness Decree

1. Surya, thou perfectly balanced one, shining your light like a radiant sun, from the God Star infusing the Earth with unstoppable power, producing rebirth.

**Oh Alpha-Omega in Great Central Sun,
release now the Infinite Power of One,
to shatter the veil of duality's lies,
cutting all people free from its ties.**

**Beloved Surya, your balancing power,
flooding the Earth like a radiant shower,
as Father and Mother in oneness we see,
in infinite bliss forever we'll be.**

2. Resurrecting the feminine in woman and man, revealing the matrix of God's perfect plan, consuming all images graven and old, raising religion beyond earthly mold.

3. Saint Germain's Golden Age a reality at last, the lies of duality a thing of the past, the Mother Divine is raised up in all, who listen within and follow the call.

4. Maraytaii is the name of the Mother Divine, who calls all her children to let their light shine, with Jesus we now take the ultimate stand, affirming the Kingdom of God is at hand.

5. Mother Mary is showing all people the way, to the kingdom within through the feminine ray, for when we see God within every form, we know that abundance is truly the norm.

6. And now we are led by the great Master MORE, across the vast sea to a welcoming shore, where all of duality's voices will cease, as with the Lord Buddha we're centered in peace.

Oh Alpha-Omega in Great Central Sun, release now the Infinite Power of One, to shatter the veil of duality's lies, cutting all people free from its ties.

Beloved Surya, your balancing power, flooding the Earth like a radiant shower, as Father and Mother in oneness we see, in infinite bliss forever we'll be.

7. As Alpha-Omega their union reveal, we know separation cannot be real, and thus we can enter the Great Central Sun, where ultimate victory of union is won.

8. And thus we go forth to proclaim the great plan, to bridge separation between God and Man. Accepting the call co-creators to be, as we raise the Earth to her God-victory.

NOTE: Give this decree as many times as you like before continuing the invocation.

I AM the ONE

I AM the ONE, I AM Alpha and Omega, the beginning and the ending. I will give unto them that are athirst of the fountain of the water of life freely.

I AM the ONE, becoming many forms that are destined to return to the One in the cosmic dance between the Divine Lover and the Beloved.

I AM the One, manifest as the trinity of Alpha and Omega, held in perfect creative tension by the only begotten Son, the Logos of the Christ mind.

I AM the ONE, expressing myself as self-aware beings with the opportunity to become all that I AM through the process of consciously choosing to be MORE.

I AM the ONE, the self that encompasses all life, and as the self-aware extensions of myself become MORE, I become MORE.

I AM the ONE, and every being that came from my Being can become all that I AM, by transcending the sense of self in the cosmic dance, whereby the Beloved becomes the Divine Lover, loving all life.

OM MANI PADME HUM (9, 33 or 144 times)

I AM in the Alpha Peace of my I AM THAT I AM Presence.

I am in the Omega Bliss of my I WILL BE WHO I WILL BE Presence.

(3, 9, 33 or 144 times)

Sealing:

In the name of Alpha and Omega, I accept that I am centered in the unconditional peace of my I AM THAT I AM Presence. I accept that I am always transcending myself in the bliss of my I WILL BE WHO I WILL BE Presence. Thus, I am flowing with the creative expression of the River of Life, expressed through my Presence.

I surrender all desires, wants and expectations of the separate self and the judgments of the fallen beings. I plunge myself into the River of Life, and I allow the Holy Spirit to move me to where I can effortlessly fulfill my Divine plan.

I accept the single-eyed vision of Christ that exposes the beams in my own eye, so that I can see and consciously surrender all dualistic perceptions. I stand naked before my Presence, as I seek to hide nothing from the all-seeing eye of God. I consciously surrender the ego's illusion that what is hidden from men is also hidden from God. I hold on to nothing, and I am willing to see and surrender any and all illusions.

In this unconditional surrender, I see that nothing in this world has power over my Spirit, and thus I accept no imperfect conditions as permanent or even ultimately real. Thus, I become transparent to the illusions and the energies of this world. My eye is single, and thus the prince of this world comes and has nothing in me. As I surrender all impurities in my being, I know that the immaculate concept for my four lower bodies is effortlessly manifest, and I accept that I am sealed in the perfect vision of God.

I know that that which is unreal cannot affect that which is real. I accept that I AM real and that the only reality in my life is the vision of my Presence. I accept that God created me and saw that "It was good." In the purity of this vision, I remain sealed forevermore, as I WILL BE MORE.
