Lord's Prayer

Our Father-Mother God who is within all life, we honor your Presence, the I AM, within us.

We accept your kingdom manifest on Earth through us.

We accept our responsibility to manifest your will on Earth, as it is manifest in Heaven.

We accept that you are giving us our daily opportunity to be all that you are.

We acknowledge that you forgive us our imperfections, as we forgive each other and surrender our will to the higher will within us.

We therefore accept the truth that the universe returns to us what we send out.

We take responsibility for our lives and our planet.

We vow to rise above the temptations of the lower self, so that you can deliver us from all imperfect energies.

We affirm that your kingdom, power and glory is manifest on Earth, now and forever.

Amen.

1. Oh God, I vow to keep your first commandment and not have any other gods before you. Oh God, I acknowledge that you are the source of all form and that you are beyond all form. Therefore, I understand that you can never be confined to any image, any doctrine or any single religion in this world of form. I accept the Presence of God within me, now and forever.

Hail Mary:

**Oh Mother Mary, we release
all thoughts and feelings less than peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

2. Oh God, I know that because you are beyond all form, your true Presence cannot be described by the words and images of this world. Therefore, I vow to never accept any graven image as a substitute for your true Presence. I accept that I can know you only when I look beyond all descriptions and doctrines found in this world. I accept that I can know your true Presence through a direct inner experience, whereby you reveal yourself to me. I accept that I do not need anyone or anything outside myself to have this experience. I accept the Presence of God within me, now and forever.

Give Hail Mary.

3. Oh God, I know that my outer mind, my carnal mind, wants to confine you to a graven image. Yet your true Presence can never be contained by any of the mental boxes created by the carnal mind and the forces of this world. I hereby surrender all graven images I have ever accepted, and I accept that your all-consuming fire erases them. I accept the Presence of God within me, now and forever.

Hail Mary

4. Oh God, I realize that the prince of this world wants to enslave me by getting me to accept a false image of you, thereby fooling me into worshiping an idol. I accept that your all-consuming fire sets me free from all idols and all desire for idol worship. I accept the Presence of God within me, now and forever.

Hail Mary

5. Oh God, I accept that you created human beings in your image and likeness. Yet I understand that after people fell into the lower state of consciousness, they created many false gods in the image and likeness of the dualistic forces of the carnal mind. I hereby declare that I am willing to rise above those false gods, and I accept that you set me free to experience your true Presence. I accept the Presence of God within me, now and forever.

**Oh Mother Mary, we release
all thoughts and feelings less than peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

6. Oh God, I realize that you are not the angry and judgmental God that human beings have created. I accept that you are a God of unconditional love, and I declare that I am willing to experience and accept your unconditional love for me. I am willing to let your perfect love consume all my fears of you, so I can fully accept that I am your son/daughter. I accept the Presence of God within me, now and forever.

Hail Mary

7. Oh God, I realize that because you are beyond all form, I can never know you through the human intellect or the carnal mind. I accept that I can experience your presence only by going beyond the outer mind and putting on the mind of Christ. I am willing to let this mind be in me, which was also in Christ Jesus. I accept the Presence of God within me, now and forever.

Hail Mary

8. Oh God, I declare that I am willing to experience your true Presence. Oh God, I will not

hide from you or run away from you any more. I understand that you will not judge or condemn me when I stop judging myself and others. Therefore, I recognize that in the innermost part of my being, I feel only love for you, and I desire to experience complete union with you. I accept the Presence of God within me, now and forever.

Hail Mary

9. Oh God, I truly accept you as my Father in Heaven, and I accept that I am your son/daughter. I accept that you are in me and that I am in you, and therefore you are me and I am you. Oh God, I fully and completely accept you as my God, now and for all eternity. Oh God, I accept that we are one, and I accept you as my God in the eternal now. Therefore, I accept that I AM THAT I AM is within me, and I declare that I will be who I AM. I accept the one true God as my only God. I accept the Presence of God within me, now and forever.

Hail Mary

Oh Mother Mary, help me accept my Self

Oh Mother Mary, help me overcome all tendency to feel that I am unacceptable in the eyes of God, all desire to run away from God or all fear of facing God. Help me accept that God will welcome me with unconditional love when I stop denying God's Presence within myself and all life, even within matter itself. Help me accept that it truly is the Father's good pleasure to give me the kingdom.

Oh Mother Mary, help me accept that my true Self is fully worthy in the eyes of God and that I am worthy to enter God's kingdom. Help me understand that all lesser manifestations are temporary and will exist only as long as I give them power. Help me truly let go of the imperfections of this world and accept the perfection of my I AM Presence. Help me accept my Self.

Oh Mother Mary, help me truly accept and integrate the eternal truth that you and Jesus have ascended because you stopped denying God within yourselves. Help me accept that the same God who is in you is also in me, so that I can leave behind all denial of my Self as God.

Oh Mother Mary, I hereby surrender all denial of God in my Being. I make a solemn vow to stop limiting God's expression through me, and I accept that Jesus was right when he said that with God all things are possible. I accept that I and my I AM Presence are one and that my Presence works hitherto and I work.

1. Oh Jesus, I accept the fact that the same God who is in you is also in me. Therefore, I accept you as more than my Savior; I accept you as my older brother who is here to show me the way home. I accept the Miracle of God in my life, now and forever.

**Oh Mother Mary, we release
all thoughts and feelings less than peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

2. Oh Jesus, I understand that the greatest threat to the forces of this world is a Christed being walking the Earth. I see that this explains why they killed you. I also see that these forces will do anything to prevent others from following your example, including creating a cult of idolatry around you. I accept that your spiritual sword cuts me free from all idolatry of you, and I accept my potential to follow in your footsteps and manifest my personal Christhood. I accept the Miracle of God in my life, now and forever.

Hail Mary

3. Oh Jesus, I understand that the forces of this world have created an elaborate web of subtle lies to support the idea that no one can follow your example. I know they will accuse me of blasphemy as I walk the path of Christhood. Yet I affirm my determination to follow your example, and I accept that you set me free from all fear of being accused falsely for your sake. I accept the Miracle of God in my life, now and forever.

Hail Mary

4. Oh Jesus, I accept that my Christ self and you are setting me free from all influence from the lies, the serpentine lies, created by the forces of this world. I accept that the Christ mind in me will expose those lies, so that I can rightly divide the Word of Truth. I accept the Miracle of God in my life, now and forever.

Hail Mary

5. Oh Jesus, I understand that the most important aspect of the example you gave me is that you never said no to God, that you never limited God in you or God's ability to work through you. I accept that God can do the works through me that he did through you, and I vow to nevermore limit God's Being in me or God's expression through me. I accept the Miracle of God in my life, now and forever.

Hail Mary

6. Oh Jesus, I hereby surrender all mental images that put limitations on what I think God can or should do through me. I accept that the fire of your Sacred Heart consumes such limitations, and I affirm that I of my own self can do nothing, it is the I AM Presence within me who is doing the work. I accept the Miracle of God in my life, now and forever.

Hail Mary

7. Oh Jesus, I understand that the forces of this world think they know better than God how to run the universe. I see that they have created a set of subtle lies that have influenced every aspect of life, including my carnal mind. I recognize that these lies seek to limit God's influence on Earth. I accept that the all-consuming fire of God consumes all of these lies and all pride in my consciousness. I hereby leave this pride behind, and I humbly allow my I AM Presence to decide what God can and will do through me. I accept the Miracle of God in my life, now and forever.

**Oh Mother Mary, we release
all thoughts and feelings less than peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

8. Oh Jesus, I truly accept your statement that with God all things are possible. I accept the existence of a higher spiritual law that can supersede natural law and produce what seems like miracles. Therefore, I affirm that God in me can perform miracles, and I hereby give God the freedom to manifest unlimited miracles in my life. I accept the Miracle of God in my life, now and forever.

Hail Mary

9. Oh Jesus, I understand that the Kingdom of God can become manifest on Earth only when the Christ consciousness is expressed through people in embodiment. I affirm that I am willing to be part of the true second coming of Christ, and I accept that God's kingdom is manifest within me and will be manifest on Earth through me and through my brothers and sisters in Christ. I accept the Miracle of God in my life, now and forever.

Hail Mary

Oh Mother Mary, help me accept my Self

Oh Mother Mary, help me overcome all tendency to feel that I am unacceptable in the eyes of God, all desire to run away from God or all fear of facing God. Help me accept that God will welcome me with unconditional love when I stop denying God's Presence within myself and all life, even within matter itself. Help me accept that it truly is the Father's good pleasure to give me the kingdom.

Oh Mother Mary, help me accept that my true Self is fully worthy in the eyes of God and that I am worthy to enter God's kingdom. Help me understand that all lesser manifestations are temporary and will exist only as long as I give them power. Help me truly let go of the imperfections of this world and accept the perfection of my I AM Presence. Help me accept my Self.

Oh Mother Mary, help me truly accept and integrate the eternal truth that you and Jesus have ascended because you stopped denying God within yourselves. Help me accept that the same God who is in you is also in me, so that I can leave behind all denial of my Self as God.

Oh Mother Mary, I hereby surrender all denial of God in my Being. I make a solemn vow to stop limiting God's expression through me, and I accept that Jesus was right when he said that with God all things are possible. I accept that I and my I AM Presence are one and that my Presence works hitherto and I work.

1. Oh Mother Mary, I realize that matter itself is only a reflection of the mind. Therefore, matter is meant to outpicture the perfect images of the Christ mind. I declare that I am willing to let the mind of Christ be in me and take command over my life in this matter realm, and I accept it done now. I accept the Presence of God within all life, now and forever.

Hail Mary

2. Oh Mother Mary, I realize that matter is meant to outpicture the will and the perfect vision of God, projected through the mind of Christ. I accept that the perfect will of my I AM Presence is projected through my Christ self and that it will manifest God's perfection in all aspects of my life. I accept the Presence of God within all life, now and forever.

**Oh Mother Mary, we release
all thoughts and feelings less than peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

3. Oh Mother Mary, I understand that my human ego thinks it knows better than my I AM Presence how to run my life. I see that so far my soul has been held hostage by my ego, which is the abomination of desolation standing in the Holy place of my identity where it ought not. Oh Mother Mary, I hereby completely surrender my ego, and I accept that my Christ self replaces it now. I accept the Presence of God within all life, now and forever.

Hail Mary

4. Oh Mother Mary, I see that the collective consciousness of humankind has created a giant ego that overpowers and enslaves most people. In the name of Jesus Christ, I call to Archangel Michael and his legions of angels to bind the dragons of my personal ego and the collective ego, and I accept it done now. I accept the Presence of God within all life, now and forever.

Hail Mary

5. Oh Mother Mary, I now see that it is the human ego that gives dark forces an inroad into my consciousness and into the consciousness of all people. I see that the tyranny of the ego and of dark forces has led to the creation of all

ungodly conditions on Earth. In the name of Jesus Christ I cry out to God, "How long oh Lord?" I call to Jesus to judge all dark forces on Earth, and I call to Archangel Michael to bind them all and set the Earth free. I accept the Presence of God within all life, now and forever.

Hail Mary

6. Oh Mother Mary, I understand the power of free will, and I understand that one righteous person can cause a city to be spared. Therefore, I vow to be the righteous person where I am, and I accept the Kingdom of God manifest where I am. I accept the Presence of God within all life, now and forever.

Hail Mary

7. Oh Mother Mary, I understand that the Earth Mother is so burdened by the negative energies generated by humankind that she can scarcely carry this burden. In the name of Jesus Christ I call forth legions of angels to consume this dark energy and gently lead the Earth Mother back to balance. I accept that the Earth is gently returned to balance on its axis. I accept the Presence of God within all life, now and forever.

Hail Mary

8. Oh Mother Mary, I understand that negative energy can cause natural disasters. In the name of Jesus Christ I call out to God to save the Earth Mother before she perishes. I call forth legions of angels to consume all imperfect energy and gently raise the vibration of the Earth's crust, so that the Earth can enter the consciousness of the new age with a minimum of natural disasters and loss of life. I accept that matter is infused with the Light of God. I accept the Presence of God within all life, now and forever.

Hail Mary

9. Oh Mother Mary, I understand that the natural environment is deeply affected by the toxic energies and the toxic waste produced by humankind. In the name of Jesus Christ I call forth legions of angels to consume all burdens upon nature and the nature spirits and thereby restore the perfect balance to Mother Nature. I accept that nature and all lifeforms on Earth outpicture the perfection of God. I accept the Presence of God within all life, now and forever.
