In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Miracle Mother, Amen.

(Insert personal prayer here)

Lord's Prayer

Our Father-Mother God who is within all life, we honor your Presence, the I AM, within us.

We accept your kingdom manifest on Earth through us.

We accept our responsibility to manifest your will on Earth, as it is manifest in Heaven.

We accept that you are giving us our daily opportunity to be all that you are.

We acknowledge that you forgive us our imperfections, as we forgive each other and surrender our will to the higher will within us.

We therefore accept the truth that the universe returns to us what we send out.

We take responsibility for our lives and our planet.

We vow to rise above the temptations of the lower self, so that you can deliver us from all imperfect energies.

We affirm that your kingdom, power and glory is manifest on Earth, now and forever.

Amen.

I abandon the illusion of separation

1. I acknowledge the Presence of Oneness, of undivided and indivisible oneness. I acknowledge the Presence of the One God who is within all manifestations. I acknowledge that all manifestations are the expressions of the One God. I acknowledge that all divisions are the divisions of the One, that cannot be split apart and is still the One no matter how many times it is divided. I affirm that the Presence of the One God is within me.

Hail Mary:

**Oh Mother Mary, we release
all thoughts and feelings less than peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

2. I accept that I am a son/daughter of the One God. I acknowledge my source, I acknowledge my Father-Mother God, I acknowledge my Creator, I acknowledge the one source that is behind the world of diversity in which I live. I affirm that the Presence of the One God is within me.

Hail Mary

3. Oh Mother Mary, I hereby open my heart to you and I am willing to let you take me to the realization that is the pivotal realization for any son and daughter of the One God. Oh Mother Mary, help me attain the realization that all manifestations and all appearances are expressions of the One God. I affirm that the Presence of the One God is within me.

Hail Mary

4. Oh Mother Mary, help me see that behind all divisions is the One God who cannot be split apart. Help me see beyond the divisions that seem so real in this world. Help me attain the realization that there is no separation because the divisions that I perceive exist only in my mind. I affirm that the Presence of the One God is within me.

Hail Mary

5. Oh Mother Mary, I acknowledge that the divisions of this world are illusions. They are mirages, created by minds that have partaken of the fruit of the knowledge of relative good and evil. I see that I have been trapped in a state of consciousness that makes it seem like divisions are set apart from each other and from the whole. I choose to abandon this dualistic mind and to reach for the single-eyed vision of the Christ mind. I affirm that the Presence of the One God is within me.

**Oh Mother Mary, we release
all thoughts and feelings less than peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

6. I acknowledge that the illusion of separation from the One God is the grand illusion of the ages. I see that this illusion has been programmed into the minds of human beings by dark beings who are trapped by this lie. Yet I now see through this illusion and I choose to let the mind of Christ in me release the truth that will set me free from this planetary illusion of separation. I affirm that the Presence of the One God is within me.

Hail Mary

7. I acknowledge that I have been trapped in a dualistic state of consciousness, yet I also know that I can overcome the illusion of separation. I now see that the illusion that anything can be separated from the oneness of God is the original sin. I see that all other sins are derived from the sense of separation from my source. I declare before God that I am willing to shed this illusion, enter my Father's kingdom and become an ascended being. I affirm that the Presence of the One God is within me.

Hail Mary

8. I acknowledge that it is only my carnal mind and my human ego that make the illusion of separation and division seem real. I call directly to my Christ self and to the entire Spirit of the Ascended Host to save me or I perish, to save me from this illusion and set my mind free to be still and know that the I AM Presence within me is God. I surrender my human ego, my carnal mind and all sense of identity based on division and separation. I affirm that the Presence of the One God is within me.

Hail Mary

9. I acknowledge that I cannot serve two masters, that I cannot serve God and mammon. I realize that mammon is the carnal state of consciousness that makes it seem like the things of this world are separated from God. I therefore choose this day to serve only the one true God, the I AM Presence within me who is an individualization of the One God that can be multiplied indefinitely but never split apart. I affirm that the Presence of the One God is within me.

Hail Mary

Oh Mother Mary, help me accept the One God

Oh Mother Mary, help me internalize the fact that everything is created out of the One God, and therefore everything is one with God. Help me accept that I am one with my God.

Help me overcome the forces in this world who are seeking to prevent me from accepting my oneness with my God. Help me overcome the culture and religion that denies the Presence of the Living Christ within me and programs me to deny my oneness with God. Help me overcome the mindset that caused the persecution of Jesus and still causes the denial of the Living Christ within all life.

I accept that Jesus came to raise me into oneness with my God, the oneness that has been lost due to the original sin. I see that all sin started when my soul departed from the direct connection to my I AM Presence and became trapped in the consciousness of duality, division and separation. I hereby choose to repent for that sin and leave it behind.

I see that all problems and imperfections spring from separation from the One God. I accept that oneness with God is the ultimate solution to the problems on planet Earth. I choose to make it a priority in my life to reclaim my oneness with my God. I vow to climb the pyramid of life and reach the point of oneness. I vow to attain the single-eyed vision of the Christ mind that will empower me to put the capstone on the pyramid of my life. I vow to be who I truly am, namely an individualization of the One God, a part of the whole that has the whole within itself. I accept the One God as my only God.

I affirm God's judgment upon the Liars and their lie

1. In the name of Jesus Christ, I hereby allow the Presence of Undivided Oneness, of Indivisible Oneness, to express itself through my human vessel for the purpose of announcing the judgment of God upon all those who promote the lie of separation, including my human ego and carnal mind. I affirm that the Presence of the One God is within all life.

**Oh Mother Mary, we release
all thoughts and feelings less than peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

2. I hereby affirm God's judgment upon all institutions and individuals who promote the lie of separation. I hereby affirm God's judgment upon all forces, beyond the material realm and

in the material realm itself, who promote the lie of separation. I affirm that the Presence of the One God is within all life.

Hail Mary

3. I hereby affirm that the Presence of God within me says, "Enough is enough! Thus far and no farther! They shall not stand! Those who continue to promote the lie of separation have no protection against the forces they unleash. They are consumed by their own illusions and lies. They are consumed by the energies they misqualify through the lie of separation, the consciousness of separation, the mind of separation." I affirm that the Presence of the One God is within all life.

Hail Mary

4. The Presence of Indivisible Oneness within me says, "The mission of Jesus Christ is fulfilled in this hour, and from this day forward!" I affirm that the mission of Jesus Christ is to call the lost tribes of Israel to come home to their God. God in me is calling the sons and daughters of the Creator to come home to oneness with their God. God is calling the lost tribes to come to the wedding feast, whereby the soul can be wed to her I AM Presence and ascend back to the spiritual realm from which she came. I affirm that the Presence of the One God is within all life.

Hail Mary

5. I acknowledge that my soul has refused to come to the wedding feast because it has been too busy with the things of this world. I see that the attachment to the things of this world is centered in my human ego and springs from the illusion of separation from my source. I choose to let go of this illusion, and I declare that I am willing to leave behind the things of this world in order to win the immortal life of the Christ consciousness. I affirm that the Presence of the One God is within all life.

Hail Mary

6. I hereby surrender all attachments to the things of this world, to my limited, carnal sense of identity and my human ego. I declare that I am willing to lose this mortal sense of identity in order to come home to the Circle of Oneness that is the true kingdom of my God. I am willing to be among the chosen people and enter the wedding feast of my God. I affirm that the Presence of the One God is within all life.

**Oh Mother Mary, we release
all thoughts and feelings less than peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

7. I affirm that everything that was ever created was created out of the oneness of the one true God. I affirm that the One God can be divided indefinitely, yet no division of God can ever be separated from the One, from itself. Nothing created out of the One God can be separated from the whole. I affirm that the Presence of the One God is within all life.

Hail Mary

8. I affirm that everything in this universe is created out of the one true God, yet it does not exist separately from or apart from God. It exists within the Being of the One God. Everything in this universe is one with God because it is God in manifestation. I affirm that the Presence of the One God is within all life.

Hail Mary

9. I affirm that the One God has no opposition and no enemies. In my oneness with the One true God, I have no opposition and no enemies. Because I am one with God, no one can be against me, and I follow the call of Jesus to love my enemies. I affirm that those who act as my enemies are trapped by the illusion of separation, and I hold the immaculate concept that

the one true God is within them. I affirm that the Presence of the One God is within all life.

Hail Mary

Oh Mother Mary, I choose Life!

Oh Mother Mary, I accept the fact that I am one with my God, that I never was separated from my God and that I never can be separated from my God. I am willing to rise above the heavy weight of the collective consciousness of humankind, a consciousness that springs from separation, division and duality. I vow to climb the pyramid of life that leads me to the point of oneness that empowers me to reclaim my oneness with God. Oh Mother Mary, help me overcome the gravitational force of the mass consciousness created by human beings and by the dark beings that roam this planet.

I accept that I too can climb the pyramid of life as Jesus and you did. I vow to follow the trail you have blazed, and I choose to let the ascending force, created by my ascended brothers and sisters, pull me up toward the apex of the pyramid of life. I choose to let the force of light be the deciding force in my life, and I am willing to be pulled up into the consciousness of life. Therefore, I say, "I choose life, I choose the consciousness of life that leads me to accept my oneness with my God!"

I affirm God's perfect vision

1. I realize that the prince of this world will come to me and tempt me to affirm the reality, the permanency or the inevitability of the many manifestations on Earth that are not in accordance with God's law or God's perfection. I affirm that these imperfect conditions are temporary and have no ultimate reality. I affirm that the Presence of the One God is within all appearances.

Hail Mary

2. I acknowledge that when my Creator created this universe, he had a plan and established laws that would ensure the manifestation of that plan. Yet my Creator also gave free will to the self-conscious beings that were meant to serve as co-creators and bring about God's plan from within creation itself. These co-creators have used their creative abilities to build a sense of separation from their God and to bring forth imperfect manifestations on Earth. I hereby choose to leave behind all sense of separation from my God, and I reach for the Christ mind that brings me into alignment with God and God's law. I affirm that the Presence of the One God is within all appearances.

**Oh Mother Mary, we release
all thoughts and feelings less than peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

3. I acknowledge that the imperfect manifestations on Earth are not in alignment with the will of my Creator or with the perfect vision and plan of my Creator. I also understand that even that which is imperfect, even that which appears to be in complete opposition to God's law, even that which to the human mind appears to be Hell itself, is still not separated from the One God. I affirm that the Presence of the One God is within all appearances.

Hail Mary

4. The manifestations that appear to be in opposition to the laws and the vision of the Creator have no objective or ultimate reality. They have a fleeting shimmer of reality because they exist only in the minds of self-conscious beings. Imperfect manifestations can continue to exist only as long as people choose to focus their attention on imperfect images. I see that focusing my attention on these graven images is indeed the worship of a false god, a god of

division and separation instead of the one true God. I affirm that the Presence of the One God is within all appearances.

Hail Mary

5. I choose to withdraw my attention from all imperfect images. I affirm that the energy used to create such imperfections is purified, because truly that which is out of alignment with the laws and the will of the Creator cannot continue to exist on its own. As a co-creator with God, I choose to stop affirming the reality of separation, and I accept that all imperfect energy in my life is requalified into the purity and the perfection of God. I affirm that the Presence of the One God is within all appearances.

Hail Mary

6. I affirm that the limitations, the suffering, the imperfections and the pain that people experience is not real. It exists only in our minds, and it will continue to exist only as long as we continue to affirm its existence through the power of our minds and attention. I affirm that God in me calls all human beings to rise above the consciousness of separation that causes them to see the divisions of the One God as being separated from the source and being separated from each other. I affirm that the Presence of the One God is within all appearances.

Hail Mary

7. I affirm that the Presence of Oneness consumes all unreality that causes brother to be divided against brother and nation against nation. I affirm that the Presence of Oneness calls the tribes of Israel to find themselves and reclaim their true identity and their connection to the One God. I affirm that the Presence of the One God is within all appearances.

Hail Mary

8. I affirm that the Presence of Oneness within me is calling all human beings to overcome the consciousness of separation and the illusion of death. God is calling all people to realize that the moment you separate yourself from your source, you are dead in a spiritual sense because your soul has lost the sense of identity that is the true meaning of the word “life.” I acknowledge that “life” means that I see myself as an extension of my I AM Presence, which is an extension of God, the One God behind all manifestations. I affirm that the Presence of the One God is within all appearances.

**Oh Mother Mary, we release
all thoughts and feelings less than peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

9. I choose life, and I affirm my oneness with the One God that is the source of spiritual life. I choose to abandon the illusion of separation from my source that is the true cause of spiritual death. I accept that the key to bringing peace to Earth is to help people overcome the sense of separation from their source. Therefore, the Presence of Oneness within me now says to all people on Earth, “Choose Life!” I affirm that the Presence of the One God is within all appearances.

Hail Mary

**Oh Mother Mary, help me abandon all
false religions**

I accept that the true goal of the Ascended Host is to bring God’s kingdom to Earth and that God’s kingdom is a state of consciousness. I vow to change my state of consciousness and embrace a new sense of identity that is not based on separation and division but on indivisible oneness with my God. I understand that there is only one message behind all religions,

and it is the message of oneness, the message that I am one with my God and that the sense of separation is an illusion.

Oh Mother Mary, help me look beyond the relative faculties of the carnal mind and the human intellect and see through all arguments for rejecting the message of oneness. I am willing to follow the way demonstrated by Jesus, and I accept that the way to salvation is the way to oneness with my God. I see that the key to oneness with my God is the Christ consciousness that Jesus demonstrated, and I vow to come into that oneness through the Sacred Heart of Jesus.

I accept the message of oneness, the Gospel of Oneness, the religion of oneness that is the one true religion. I vow to leave behind all idolatry of Jesus, and I leave behind the false religions preaching the Gospel of Separation. I vow to stop following the blind leaders, the false prophets, who are posturing as true leaders but are filled with dead men’s bones.

Oh Mother Mary, help me rise above the lies and the manipulations of the forces who have chosen to separate themselves from their God and have become trapped in the consciousness of separation. I vow to stop worshipping the false gods who are clamoring for my attention, and I vow to cast myself upon the rock of Christ and anchor myself firmly on the true way that leads to Christ consciousness. I vow to claim my oneness with my God as Jesus claimed his oneness.

I vow to fulfill my destiny

1. I acknowledge that the mystery of life on Earth, the mystery of individualization, is that my soul is meant to grow in self-awareness, until I affirm that I am an extension of the One God and that everything around me is an extension of the One God. I hereby claim the self-awareness that empowers me to realize that I am an extension of my I AM Presence, that my I AM Presence is an extension of the One God, and therefore I am one with my God. I affirm that the Presence of the One God is the only power that can act on planet Earth.

**Oh Mother Mary, we release
all thoughts and feelings less than peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

2. I acknowledge that it is the task of my soul to descend into the denser energies of the material realm and attain the Christ consciousness that empowers me to serve as a co-creator with God. I vow to fulfill my destiny and build the sense of oneness with my I AM Presence, so that I can be the open door for bringing God's kingdom to Earth. I affirm that the Presence of the One God is the only power that can act on planet Earth.

Hail Mary

3. I vow to build upon the realization of my own oneness with God to reach the even higher awareness that everything in this world of form is also one with the One God. I see that everything is made from the substance of the One God, and therefore everything is a manifestation of the One God. I affirm that the Presence of the One God is the only power that can act on planet Earth.

Hail Mary

4. I affirm that the true purpose of Jesus Christ was to demonstrate and teach the process whereby a soul rises to the sense of oneness with its source that allows it to know and state, "I and my Father are one. I of my own self can do nothing, it is the Father within me who is doing the work. My Father works hitherto, and I work." I affirm that the Presence of the One God is the only power that can act on planet Earth.

Hail Mary

5. Anchored in oneness with my I AM Presence, I affirm God's judgment upon those who have misused and misinterpreted the magnificent example and teachings given by Jesus Christ. God's judgment is upon the false preachers in church and state, in the halls of science, in the media and wherever they are found on this planet. Those who continue to perpetuate the lie that only one son of God could attain oneness with God, those who continue to perpetuate the lie of separation, are now judged. I affirm that the Presence of the One God is the only power that can act on planet Earth.

Hail Mary

6. The Presence of Oneness within me affirms that this is a turning point in the history of Earth because the process of judgment, started by Jesus Christ when he said, "For judgment I am come," is now accelerated a thousand-fold by the Presence of Oneness that is within all manifestations. I affirm that the Presence of the One God is the only power that can act on planet Earth.

Hail Mary

7. The Presence of Oneness within me calls out to those who perpetuate the lie of separation and says: "Depart from your lies and your deceitful ways instantly, so that you will not destroy yourselves in the process of promoting the lie that is no longer allowed in the force-field of planet Earth." I affirm that the Presence of the One God is the only power that can act on planet Earth.

Hail Mary

8. The Presence of Oneness within me says, “Woe unto you lawyers, for ye have taken away the key of knowledge, the knowledge of the One God that is all and in all. You yourselves did not want to enter that kingdom of oneness, the kingdom of your true identity as one with God. And in your unwillingness to accept that oneness, you sought to hinder the innocent ones from entering into the Circle of Oneness that is the true kingdom of the Creator of this universe.” I affirm that God’s mercy has come to an end this day, and therefore these forces are judged. I affirm that the Presence of the One God is the only power that can act on planet Earth.

**Oh Mother Mary, we release
all thoughts and feelings less than peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

9. I follow the true teachings of my Lord and Savior Jesus Christ who came to call the lost tribes of Israel to repentance. I repent and declare that I am willing to leave behind the illusion of separation, and I choose this day to serve the One God who is in me and in everything else. I am willing to accept that the kingdom of God is within me because I now know that God is within me. I affirm that without him was not anything made that was made, and therefore nothing that is made can be separated from the One God. I affirm that the Presence of the One God is the only power that can act on planet Earth.

Hail Mary

Oh Mother Mary, I vow to multiply my talents!

I vow to use the teachings and the tools I have been given by Jesus and Mother Mary to multiply my talents, multiply my inner oneness. I

set my priorities straight so that I am no longer pulled hither and yon by the activities of this world that constantly seek to pull me away from oneness with my God. I hereby choose to make it the top priority of my life to follow the way that leads me to the apex of the pyramid of life, where I can reclaim my oneness with my God!

I vow to come home to the kingdom of my God and become an ascended being, an ascended master. I am willing to be a co-creator and help co-create the other mansions in my Father’s house. I vow to be faithful over a few things until my God makes me ruler over many things. I choose to BE, and therefore I affirm the Presence of Oneness in all conditions I encounter in my life. I choose to BE one with my God, and therefore I AM the Presence of Oneness in this world.

I accept my oneness with my God

1. I accept the call of the Presence of Oneness. I affirm that I have ears to hear, and I open my eyes and accept that I have the potential to start the process of changing my sense of identity. I see the self that gives me self-consciousness as an extension of God and as God. I affirm that the Presence of the One God is the only power that can act in my life.

Hail Mary

2. I change my vision and begin to see the One God behind all manifestations. I vow to give this task my undivided focus, attention and determination. I accept that what one human being has done, all have the potential to do. Because my older brother Jesus has blazed a trail for me, I have a greater opportunity than ever before to attain oneness with my God. I accept that it is time to make use of that opportunity as never before. I affirm that the Presence of the One God is the only power that can act in my life.

Hail Mary

3. I hereby affirm that I am willing to open my ears, my mind and my heart to the truth stated by the Presence of Oneness. I affirm that I now change the priorities of my life so that the one overall priority is to reestablish my true identity as a son or daughter of God, to reclaim my sense of oneness with my source and to see that source within all manifestations. I affirm that the Presence of the One God is the only power that can act in my life.

**Oh Mother Mary, we release
all thoughts and feelings less than peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

4. I accept that I have the potential to reach absolute oneness because inside my mind and heart is the door that no human can shut, the door of the Christ consciousness. I affirm that this door is open to me because Jesus has held it open for these past 2,000 years. Therefore, I affirm that I walk through that door and come home to the kingdom of oneness that is the true kingdom of the One God. I affirm that the Presence of the One God is the only power that can act in my life.

Hail Mary

5. I affirm that the Presence of Indivisible Oneness within me is here to help me manifest a sense of oneness with the One God. I invoke the Presence of Oneness and the Presence of Mother Mary. I invoke the Immaculate Heart that holds the immaculate vision for me as a co-creator with God and sees the One God behind all manifestations. Oh Mother Mary, set me free from all illusions that I may accept my oneness with my God. I affirm that the Presence of the One God is the only power that can act in my life.

Hail Mary

6. I affirm that I will follow in the footsteps of those who have walked before me, and I reclaim my oneness with my God. I leave behind the original sin of my separation from God and all of the sins that followed. I accept that all of my sins are washed white as snow, as I invoke the Presence of Oneness in myself, in all life and in all matter. I affirm that the Presence of the One God is the only power that can act in my life.

Hail Mary

7. I accept that I am sealed in the Presence of Oneness that consumes all illusions of separation. I affirm that there is only One God, and all manifestations of that One God are one with each other and with the whole. I affirm that the Presence of the One God is the only power that can act in my life.

Hail Mary

8. I affirm that one times one times one is still one. I accept the call of Jesus to multiply my talents, my inner oneness, and I vow to stop accumulating the things of this world. I affirm that I put first things first and that I put oneness before division. I affirm that the Presence of the One God is the only power that can act in my life.

Hail Mary

9. I affirm that I was created because the One God multiplied its oneness, and even though God's oneness has been multiplied innumerable times, the multiplication of the one is still one. Therefore, I now accept that I am spiritually reborn into a new sense of identity as being one with my God, the One God who is all and in all. I vow to go and sin no more by affirming that the Presence of Oneness is within all appearances. I affirm that the Presence of the One God is the only power that can act in my life.

Hail Mary

I affirm that the oneness of the One God is the only reality in all aspects of my consciousness and life.

I affirm that the oneness of the One God is the only reality in the consciousness and lives of all people.

I affirm that the oneness of the One God is the only reality in all aspects of life on planet Earth.

I choose to BE one with my God, and therefore I AM the Presence of Oneness in this world. (3X)

The Earth is the Lord's and the fullness thereof. (3X) Amen.

In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Miracle Mother, Amen.

Sealing

I hereby accept the reality that I was never separated from my source, and I accept my freedom from the illusion of separation and original sin. I accept that the one true God, the God of Oneness, is my God, and I accept that I am one with my God. My sense of oneness with God is truly the capstone on the pyramid of my life, and I accept the words of my God, "This is my beloved son/daughter in whom I am well pleased."

I accept that as long as I do not deny my oneness with the One God, I am sealed in the Circle of Oneness that can and will protect me from the forces of this world. Because they are trapped in the consciousness of separation, these forces cannot penetrate the Circle of Oneness in which I am. I accept that I am sealed in the Presence of Indivisible Oneness, which is within all life and therefore also in me. I accept that I and my I AM Presence are one, and through that oneness I am one with my God, now and forever. Amen.
