Dedication to the inner path

Beloved Mother Mary, I truly want the abundant life. I have had enough of my current limitations and I am willing to go beyond the human struggle. I am willing to change my life and I am willing to change myself.

Beloved Mother Mary, show me the true way that leads me to the kingdom of God, in which all good and perfect things are abundantly manifest. Show me how to find the kingdom that Jesus said is within me.

Beloved Mother Mary, I am willing to stop looking for God's kingdom outside myself, and I ask you to show me the inner path to the abundant life. Beloved Divine Mother, show me how to find my way home to the kingdom of my Divine Father. Help me accept his kingdom as a manifest reality in my life and on planet Earth.

1. Beloved Mother Mary, I recognize the eternal truth that the core of my identity is good, that I am a good person at heart. Therefore, if I knew better, I would do better. Beloved Mother Mary, I am willing to know better. Show me the way.

Hail Mother of Guidance

**Hail Mary, I will know
everything I need to grow.
As I leave behind all fear,
I feel your Presence ever near.**

**Holy Mary, I've been blind,
the key of knowledge I will find.
I take your hand and go within,
Christ victory I will to win.**

2. Beloved Mother Mary, I realize that the ultimate cause of any mistake I have ever made, any imperfect circumstance in my life, is ignorance. Thus, the master key to manifesting the abundant life is to expand my understanding of life. Beloved Mother Mary, with all my getting, I will get understanding. Show me the way.

Repeat Hail Mother of Guidance.

3. Beloved Mother Mary, I realize that in order to improve my life, I must get a higher understanding. I see the equation that if my current beliefs could tell me everything I needed to know, I would already have the abundant life. Beloved Mother Mary, I am willing to open my mind and heart to an understanding that is beyond my current knowledge and beliefs. Show me the way.

Repeat Hail Mother of Guidance.

4. Beloved Mother Mary, I realize that the cause of all human progress is a higher understanding. If my life is to improve, I must dare to think outside the box of my current beliefs. Beloved Mother Mary, I am willing to know what I need to know. Show me the way.

Repeat Hail Mother of Guidance.

5. Beloved Mother Mary, I realize that the true purpose of religion and science is to set us free from all human limitations. If I blindly follow an outer belief system, I close my mind and heart to the higher understanding that will set me free from my current limitations. Beloved Mother Mary, I am willing to let go of all beliefs that keep me from the abundant life. Show me the way.

Repeat Hail Mother of Guidance.

6. Beloved Mother Mary, I realize that if I keep doing the same thing and expect different results, I am trapped in a form of insanity. If my outer situation is to change, I must begin by changing myself. Beloved Mother Mary, I am willing to know how I need to change myself. Show me the way.

**Hail Mary, I will know
everything I need to grow.
As I leave behind all fear,
I feel your Presence ever near.**

**Holy Mary, I've been blind,
the key of knowledge I will find.
I take your hand and go within,
Christ victory I will to win.**

7. Beloved Mother Mary, I realize that if I see myself as a victim of circumstances beyond my control, I am giving away my power to improve my life. I cannot passively wait for God, fate or luck to change my life. Beloved Mother Mary, I am willing to take an active approach and I want to know what I can do to manifest the abundant life. Show me the way.

Repeat Hail Mother of Guidance.

8. Beloved Mother Mary, I realize that when Jesus told us to do unto others what we want them to do to us, he was truly saying that the universe is a mirror. Whatever I send out is reflected back to me by the cosmic mirror. The only way to change what comes back is to change what I send out. Beloved Mother Mary, I am willing to look at the beam in my own eye and change myself so that the universe can reflect back the abundant life. Show me the way.

Repeat Hail Mother of Guidance.

9. Beloved Mother Mary, I realize that it is the Father's good pleasure to give me his kingdom. The reason I do not have the abundant life is that in my subconscious mind are certain beliefs that cause me to reject what God offers me freely. Beloved Mother Mary, I am willing to

change all beliefs that keep me from manifesting the immaculate concept held in the mind of God.

Repeat Hail Mother of Guidance.

The Earth is the Lord's and the fullness thereof. (3X) Amen.

In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Miracle Mother, Amen.

Sealing of the rosary

Beloved Mother Mary, seal my heart, my mind and my feelings in your unconditional love and fill me with your infinite nurturance. I accept your love, and I allow myself to feel your Presence with me, now and forever. Amen.
