

Archangel Michael's Rosary for Overcoming a Spiritual Crisis

In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Miracle Mother, Amen.

Beloved Archangel Michael, I dedicate this rosary to the manifestation of God's will and God's kingdom in . . .
(Describe the situations and conditions that you want Archangel Michael and his angels to resolve.)

Lord's Prayer

My Father-Mother God who is within all life, I honor your Presence, the I AM, within me. I accept your kingdom manifest on Earth through me. I accept my responsibility to manifest your will on Earth, as it is manifest in Heaven.

I accept that you are giving me my daily opportunity to be all that you are. I acknowledge that you forgive me my imperfections, as I forgive others and surrender my will to the higher will within me. I therefore accept the truth that the universe returns to me what I send out.

I take responsibility for my mind and my life. I vow to rise above the temptations of the lower self, so that you can deliver me from all imperfect energies. I affirm that your kingdom, power and glory is manifest in my being, now and forever. Amen.

Archangel Michael, I am willing to take an active approach

1. Archangel Michael, I acknowledge you as the Presence of the LORD who can withstand the onslaught of any force on Earth. I want to be part of your special dispensation and rise above all negative energy, the mass consciousness, my own momentums of the past and all dark forces.

Hail Michael

**Hail Archangel Michael, Lord of Angels,
Your Presence is always with me.
Protect me from all forces of darkness,
and bind the enemy within me.
I take dominion over my mind,
and manifest God's kingdom in my life.**

**Holy Michael, Defender of Faith.
I invoke your Blue-flame Sword.
Cut me free from the lies of anti-christ,
so I can pierce the veil of separation.
I affirm my oneness with God,
and join the Body of God on Earth.**

2. Archangel Michael, I know that I am facing a spiritual crisis, and I am willing to admit that I am being attacked by forces outside myself, forces that seem to be beyond my control. I now consciously place myself in the group of those who can be helped—because I am willing to acknowledge that I have a problem. Archangel Michael, I ask for your assistance and I am willing to receive part of the momentum that you are, the momentum of God's Will, the momentum of God's protection.

Hail Michael

3. Archangel Michael, I acknowledge that you are not locked in a dualistic battle with the devil and the demons and the forces of darkness—that you are not in duality. I understand that this is why no force on Earth can prevail against you, when you manifest your Presence in the full power that you are. I acknowledge the Law of Free Will, which mandates that I must determine what darkness I allow to remain and what Light is allowed to manifest in my forcefield. Thus, I say, "I want to rise above the darkness and rise into the Light of your Presence, the Light of God!"

Hail Michael

4. Archangel Michael, I know that my ego and the forces of darkness do not want me to give this rosary, for the Light I invoke will make them uncomfortable. Yet I will not fall prey to their subtle temptations to give up. Instead, I will use their resistance to expose them by monitoring my reactions and using my God-given will power – assisted by the infinite will power of Archangel Michael – to walk right through the opposition and establish a personal relationship with Michael, the Archangel of God’s Will.

**Hail Archangel Michael, Lord of Angels,
Your Presence is always with me.
Protect me from all forces of darkness,
and bind the enemy within me.
I take dominion over my mind,
and manifest God’s kingdom in my life.**

**Holy Michael, Defender of Faith.
I invoke your Blue-flame Sword.
Cut me free from the lies of anti-christ,
so I can pierce the veil of separation.
I affirm my oneness with God,
and join the Body of God on Earth.**

5. Archangel Michael, I acknowledge that when I feel like I am powerless, paralyzed, under attack or weighted down by burdens and forces that I cannot prevail against with the strength of my outer mind and being, this is all an illusion. And the core of this illusion is that I am the one who must be in control of my forcefield.

Hail Michael

6. Archangel Michael, I acknowledge that you will not violate my free will, whereas the forces of darkness WILL violate my free will. I understand that they can violate my free will only to the extent that I allow them to do so. Archangel Michael, I hereby invite you into my forcefield to banish the darkness from my Being. I understand that I am the one who must choose to let go of the darkness before it can be consumed by your Presence.

Hail Michael

7. Archangel Michael, I understand the equation of free will. I am willing to see how I have invited the forces of darkness into my being, even the ways that are unknown to me. I see that the world is so saturated with the subtle serpentine lies that I have invited the forces of darkness into my being without knowing what I was doing. I am willing to see the choices that I made, and I am willing to undo the choices that allowed the darkness to enter and allow it to remain.

Hail Michael

8. Archangel Michael, I am willing to awaken, to come up higher, and ultimately to take full and final responsibility for myself, my own being, my own path in life, even my own salvation. I know that the forces of darkness do not simply enter through activities that I see as clearly dark, but also through seemingly innocent means, even religious activities that portray the eternal lie that I need an external savior because I can do nothing to save myself.

Hail Michael

9. Archangel Michael, I am willing to awaken, to take responsibility, so that your power and Presence can enter my being. I will not fight against your Light, and I will not hold on to the darkness. I see that my ego holds on to the darkness because my ego is comfortable with the dark forces that give it some sense of power and control over me. Yet I know my conscious self is more than the ego, and thus I am willing to take a look at why I invited the forces of darkness in. I am willing to look at every decision that opened my being to the darkness and consciously undo it, so that I can be ultimately free.

Hail Michael

**I Choose Life!
Beloved Archangel Michael, save me or I
perish! (3X)**

Archangel Michael, save me from the consciousness of death that causes me to identify myself as a mortal human being who is separated from my God.

Beloved Archangel Michael, thou Defender of my Faith, if people knew better, they would do better, and by the authority of my God-given free will I hereby declare that I am willing to know better. I am willing to be cut free from the lies of anti-christ that have enveloped my soul, so that I am caught in a spider web of lies from which there seems to be no way out.

Archangel Michael, I am willing to rise above the consciousness of death and be free to see the truth of Christ and the shining reality of God. I am willing to see my God and no longer live as a human being but live as the spiritual being that I truly am.

Archangel Michael, I am willing to change my life. I am willing to lose my mortal sense of life, my mortal sense of identity, that is based on the limitations of this world and the duality of the carnal mind. I am willing to let mine eye be single, so that I can see beyond the subtle lies of the serpentine mind and be filled with the Light of Christ. I am willing to surrender my emotional attachments to the things of this world and the limitations that seem so real. I am willing to lose this sense of life to win the immortal life of the Christ consciousness and accept my true identity as a co-creator with God.

Therefore I now say, with the full authority of my free will and the power of the Christ Flame within me:

I CHOOSE LIFE! (4X)

I choose the consciousness of life, the Christ consciousness, and I accept that am alive forevermore in the light of Christ. I accept that behind all appearances of this world is the reality of my God, and therefore I vow to nevermore give permanency to any worldly appearances. I affirm that God is everywhere and therefore also in me.

I choose to be one with my God, and therefore I am the Presence of Archangel Michael in this world.

Archangel Michael, I acknowledge the power of God within me

1. Archangel Michael, I call to you to manifest as much of your Presence in my being as I can withstand. I vow to follow the gradual path that you offer. I hereby invite you into my being to banish the darkness. I will use the relief from my burdens to look at my illusions and undo the choices that make me vulnerable to dark forces and energies. I want to come up higher in consciousness and attain oneness with my own Higher Being, my I AM Presence. I am the wise workman who will multiply the talents so I will not again be burdened by the darkness.

**Hail Archangel Michael, Lord of Angels,
Your Presence is always with me.
Protect me from all forces of darkness,
and bind the enemy within me.
I take dominion over my mind,
and manifest God's kingdom in my life.**

**Holy Michael, Defender of Faith.
I invoke your Blue-flame Sword.
Cut me free from the lies of anti-christ,
so I can pierce the veil of separation.
I affirm my oneness with God,
and join the Body of God on Earth.**

2. Archangel Michael, I want to enter an ongoing relationship with you, so that when I multiply what I have received, you can give me further protection and relief—as I warrant it by my willingness to keep doing your rosary, to keep listening to your dictation, and to keep studying the teachings that I need to study in order to take command over my own psychology.

Hail Michael

3. Archangel Michael, I realize that for me to enter into a personal relationship with you, I must take an active approach. I hereby let go of the illusions of traditional religion that portray me as the passive recipient of the Grace from Heaven. And thus, I do not expect that I should be able to ask you to relieve my burden, and you should immediately step in and do it for me. I see that this is false religion, promoted by

the forces of darkness in order to give them an inroad into my being.

**Hail Archangel Michael, Lord of Angels,
Your Presence is always with me.
Protect me from all forces of darkness,
and bind the enemy within me.
I take dominion over my mind,
and manifest God's kingdom in my life.**

**Holy Michael, Defender of Faith.
I invoke your Blue-flame Sword.
Cut me free from the lies of anti-christ,
so I can pierce the veil of separation.
I affirm my oneness with God,
and join the Body of God on Earth.**

4. Archangel Michael, I recognize that it is the very belief that I am passive, and that I have no power on my own, that makes me vulnerable to the dark forces in the first place. I see that if you did something to confirm that belief, you would prevent my ultimate freedom. I now take charge and I say, "I AM responsible for my own household, I AM responsible for my own path in life. And thus I AM willing to look at the illusions that I have come to believe, the conditions I have set up, the expectations of life that I have. And therefore, I AM willing to see what is unreal, let go of what is unreal, and instead accept the truth of Christ that will make me free from the unreality."

Hail Michael

5. Archangel Michael, I see the difference between the true representatives of God in the Ascended Host and the myriad of false teachers who exist in the physical plane, the emotional plane, the mental plane, and the lowest levels of the etheric plane. I know they all want to tell me that I cannot save myself, that I cannot rise up on my own power, and that I need them to do something for me. I recognize the truth that I need nothing outside the power in my own Being, because the Kingdom of God is within me, meaning that I am created out of the Being of my Creator.

Hail Michael

6. Archangel Michael, I am willing to acknowledge the power of God within me—that I AM an extension of God's Being, I AM an individualization of the Creator. I hereby let go of the illusion of separation that causes me to believe that I am separated from my God and separated from the rest of creation. I see that this is the essential illusion of the serpentine consciousness and those in the fallen consciousness who want to enslave all people on Earth so they can milk them of their light and their energy. I understand that these dark beings can no longer receive light from God, and thus they must get me to misqualify light so they can absorb it.

Hail Michael

7. Archangel Michael, I now understand why the dark forces are pounding on me day and night to get me into an inharmonious and unbalanced state of mind. I know why they have set up so many lies and illusions, so many activities, that have no other purpose than to manipulate me into a state of consciousness, where I can be spiritually raped because I no longer have the protection of my auric field. I am determined to close up all openings in my energy field that give an inroad for the dark forces to walk in at any time of the day or night and take over my being. With your help, I will be in control of every situation, I will be in control of my actions, emotions, thoughts and my sense of who I am, so I can always feel uplifted and at peace.

Hail Michael

8. Archangel Michael, I recognize that there are certain outer activities in this world that are designed to open me up to the forces of darkness. I recognize that I cannot overcome a spiritual crisis and attain peace of mind while indulging in these activities. Thus, I am willing to put forth the effort of freeing myself from any and all outer activities that steal my peace. I seek the clarity and the peace that will empower me to free myself from these activities by taking responsibility for my past choices and making better choices in the present and the future.

**Hail Archangel Michael, Lord of Angels,
Your Presence is always with me.
Protect me from all forces of darkness,
and bind the enemy within me.
I take dominion over my mind,
and manifest God's kingdom in my life.**

**Holy Michael, Defender of Faith.
I invoke your Blue-flame Sword.
Cut me free from the lies of anti-christ,
so I can pierce the veil of separation.
I affirm my oneness with God,
and join the Body of God on Earth.**

9. Archangel Michael, I recognize that my ego will not understand the advantage of letting go of these activities, but I know I am more than my ego, and my conscious self will recognize the truth. I recognize that this part of my being is an extension of God, the Creator himself. Thus, I have the ability to make the choice to come up higher and I say, "This outer manifestation of imperfection and unreality, this outer manifestation of inharmony and imbalance, is not the true being that I AM. And therefore, I will no longer indulge in this, I will no longer indulge in the illusion that it has any power over me."

Hail Michael

**I Choose Life!
Beloved Archangel Michael, save me or I
perish! (3X)**

Archangel Michael, save me from the consciousness of death that causes me to identify myself as a mortal human being who is separated from my God.

Beloved Archangel Michael, thou Defender of my Faith, if people knew better, they would do better, and by the authority of my God-given free will I hereby declare that I am willing to know better. I affirm that God is everywhere and therefore also in me.

I choose to be one with my God, and therefore I am the Presence of Archangel Michael in this world.

**Archangel Michael, I am willing to be
spiritually self-sufficient**

1. Archangel Michael, I recognize that there is no condition in this world that has any ultimate reality to it whatsoever. There is no condition in this world that has any power over the real me, the conscious self, my Higher Being. I see that the ultimate way to be free from the forces of this world is to realize that they are unreal—and because they are unreal, they have no power over me.

Hail Archangel Michael, Lord of Angels,

**Your Presence is always with me.
Protect me from all forces of darkness,
and bind the enemy within me.
I take dominion over my mind,
and manifest God's kingdom in my life.**

**Holy Michael, Defender of Faith.
I invoke your Blue-flame Sword.
Cut me free from the lies of anti-christ,
so I can pierce the veil of separation.
I affirm my oneness with God,
and join the Body of God on Earth.**

2. Archangel Michael, I realize that nothing that is unreal can possibly threaten that which is real. Thus, I call to my Christ self to help me attain Christ discernment to separate the real from the unreal in my being and world. I realize that while I am burdened by this or that energy and force, I cannot have full Christ discernment. Yet I know there is a reality in my being that can know what is real and unreal in my immediate situation. I can know what is the next step I need to take in order to overcome my present burden, to come out of my present crisis.

Hail Michael

3. Archangel Michael, I recognize the inner reality of my Being and I am awakening to the realization that I am God—I am an individualization of God! Thus, I am making the choice that God would make in my present situation, so that I can overcome the burden that seems insurmountable with my human consciousness. I acknowledge the truth in the words of Jesus, "With men this is impossible but with God all things are possible."

Hail Michael

4. Archangel Michael, I acknowledge the spark of God in my being. I also see that I cannot yet unleash the power of God from within myself. Therefore, I ask you to be the vicarious power of God for a time, until I am fully connected to the power of God within myself, and thus I am spiritually self-sufficient.

Hail Michael

5. Archangel Michael, I am not expecting you to save me permanently. I ask you to come on a temporary basis to uplift me so that I can have freedom and peace to connect to the power of God within myself. And so that, after a time, I no longer need your Presence as the external power of God, for I have now discovered the internal power of God that I truly am. And thus I realize that in the inner parts of my being, I am one with the entire Ascended Host, with the entire Body of God.

Hail Michael

6. Archangel Michael, I realize that you are not truly outside of me. I recognize that you have a universal Presence that cannot be confined to time and space, and thus you are also inside of me. I know you represent the Power of God, and the Power of God can stream through me from the inside, making me spiritually self-sufficient. And that is when the demons of darkness will run from me because they will know that they have lost their power over me, as they lost their power over Christ.

Hail Michael

7. Archangel Michael, I want ultimate freedom. I am willing to look at every illusion, every serpentine lie that has crept into my consciousness. I know this can be done, for I have a Christ Self that is internal to me. And when I connect to that Christ Self, I get the inner recognition that shows me what is real and what is unreal in my being and world.

Hail Michael

8. Archangel Michael, I will be alert and true to the inner promptings of my Christ self, so that I can take the steps that are specific to my immediate situation and will help me rise one step higher on my path and attain a greater degree of freedom from the darkness. I know that by taking one doable step at a time, I WILL gradually overcome all of the darkness.

Hail Michael

9. Archangel Michael, I understand that one can become used to the illusions, and even the presence of dark forces can become almost an

addiction, where the outer mind is so addicted to these dark forces and what they do, that the outer mind cannot let it go. I see that behind any addiction is the outer mind's sense that it cannot do without the darkness. It has so internalized the darkness and made it part of its own being that it literally could not maintain a sense of continuity and identity without it. Yet I also know I am more than the outer mind and the body. Thus, the conscious self is hereby letting go of all darkness in my being.

**Hail Archangel Michael, Lord of Angels,
Your Presence is always with me.
Protect me from all forces of darkness,
and bind the enemy within me.
I take dominion over my mind,
and manifest God's kingdom in my life.**

**Holy Michael, Defender of Faith.
I invoke your Blue-flame Sword.
Cut me free from the lies of anti-christ,
so I can pierce the veil of separation.
I affirm my oneness with God,
and join the Body of God on Earth.**

**I Choose Life!

I affirm that God is everywhere and therefore also in me.

I choose to be one with my God, and therefore I am the Presence of Archangel Michael in this world.

**Archangel Michael, I will keep going to
the victory**

1. Archangel Michael, I recognize that even if I have a long road ahead of me, you are willing to walk with me every step of the way—as I am willing to keep taking one small step at a time. I do not expect that I can come up to the full freedom in an instant. I know that a journey of a thousand miles is completed only when I keep taking one small step at a time.

Hail Michael

2. Archangel Michael, I decide right now that I want to be free of this darkness, and I will keep taking one small step at a time. Archangel Michael, I believe your promise that eventually the forces of darkness will lose their grip over my mind. I realize that I can indeed be free, that I WILL indeed be free—if I keep taking one step at a time.

**Hail Archangel Michael, Lord of Angels,
Your Presence is always with me.
Protect me from all forces of darkness,
and bind the enemy within me.
I take dominion over my mind,
and manifest God's kingdom in my life.**

**Holy Michael, Defender of Faith.
I invoke your Blue-flame Sword.
Cut me free from the lies of anti-christ,
so I can pierce the veil of separation.
I affirm my oneness with God,
and join the Body of God on Earth.**

3. Archangel Michael, I recognize that no matter how burdened I might be, I can always take some small step—and I am willing to do so. I recognize that the law of free will mandates that you can only help those who are willing to help themselves by making decisions. I know that God did not create darkness or allowed it to be on Earth, but that it is created through the law of free will, whereby the people on Earth have allowed the darkness to enter this planet and have continued to allow it to maintain a presence here.

Hail Michael

4. Archangel Michael, I recognize that my conscious self has the ability to connect to the reality of God and experience that God is beyond duality. I am willing to keep taking one small step at a time and rise in consciousness, until the clouds part and I suddenly see a glimpse of the non-dualistic reality of God. At that point I will know that what you say is true, even though I cannot know it with the outer mind right now.

Hail Michael

5. Archangel Michael, I will continue your program of giving this rosary and listening to your dictation until I have taken back control over my being. I refuse to continue the same old momentums of letting my emotional body and my thoughts run wild because they are taken over by the darkness. Instead, I will remain in your Presence for as long as I need, until I feel that the darkness has receded enough to allow me to make clear decisions and go on with my daily life. I am determined that with your empowerment, I will not be among those who go down in a downward spiral, a black hole of self-destruction. Instead, I am willing to make my own decisions, to help myself come up higher—and to keep taking that one small step at a time.

Hail Michael

6. Archangel Michael, with your help I will not expect immediate relief, I will not get discouraged or bored or start doubting that this will work in the end. I recognize that discouragement is the sharpest tool in the devil's toolkit. I know the dark forces will try to discourage me, yet I will keep on keeping on, until I break through to a higher level of consciousness. I will not allow doubt to creep into my mind or become discouraged at the last minute. I will go with you all the way until I experience an entirely new phase in my life.

Hail Michael

7. Archangel Michael, I recognize that you have given me the tool to turn my life around. I know I have the potential to come up higher and turn my life into a positive spiral. I will not fall prey to any excuse from my ego or the dark forces to stop. I know that by listening to your words and giving this rosary, they become so uncomfortable that they can barely stand to be in my auric field. And I want nothing more than to see them go so that I can move into oneness with my own Higher Being and attain peace of mind.

Hail Michael

8. Archangel Michael, I am willing to let your Presence be with me, and I allow you full and

unrestricted access to my being, so that you can shine your light and remove all hiding places for the darkness. I will listen beyond your words to the vibration that you are. I recognize the reality that even though the forces of darkness that have burdened and controlled me may seem to have power, Archangel Michael does not accept that they have any power over me. Therefore, neither do I accept that they have any power over me.

**Hail Archangel Michael, Lord of Angels,
Your Presence is always with me.
Protect me from all forces of darkness,
and bind the enemy within me.
I take dominion over my mind,
and manifest God's kingdom in my life.**

**Holy Michael, Defender of Faith.
I invoke your Blue-flame Sword.
Cut me free from the lies of anti-christ,
so I can pierce the veil of separation.
I affirm my oneness with God,
and join the Body of God on Earth.**

9. Archangel Michael, I recognize that the dark forces and my ego have controlled my ability to make choices to the point where I cannot see the reality that allows me to make free choices. Yet I will no longer allow the forces of darkness to influence my choosing, and I take up your offer to become one with your will power and your reality. I know that I will thereby gain strength to make my own choices by taking back my power of will. I will find the element of peace, comfort, and the sense that there is hope ahead. Thus, I accept that there is still a sun shining above the storm clouds in my forcefield. And that sun is my own I AM Presence, which is my true identity in God. Thus, I know all lower sense of identity is unreal, and I hereby let it go. I am willing to lose my mortal life in order to win the eternal life of Christ.

Hail Michael

I Choose Life!

Beloved Archangel Michael, save me or I perish! (3X)

Archangel Michael, save me from the consciousness of death that causes me to identify myself as a mortal human being who is separated from my God.

Beloved Archangel Michael, thou Defender of my Faith, if people knew better, they would do better, and by the authority of my God-given free will I hereby declare that I am willing to know better. I choose the consciousness of life, the Christ consciousness, and I accept that am alive forevermore in the light of Christ. I accept that behind all appearances of this world is the reality of my God, and therefore I vow to nevermore give permanency to any worldly appear-

ances. I affirm that God is everywhere and therefore also in me.

I choose to be one with my God, and therefore I am the Presence of Archangel Michael in this world.

I affirm that Archangel Michael and his billions of Blue-flame Angels are cutting me free from dark spirits and dark energies.

I affirm that Archangel Michael and his billions of Blue-flame Angels are cutting me free from the lies of anti-christ.

I affirm that Archangel Michael and his billions of Blue-flame Angels are cutting me free from spiritual slavery under the forces of anti-christ.

I affirm that Archangel Michael and his billions of Blue-flame Angels are cutting me free from material slavery under the power elite.

My being and world is the Lord's and the fullness thereof. (3X) Amen.

In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Miracle Mother, Amen.

Sealing

Archangel Michael, I will no longer listen to the demons and the ego that howl their songs incessantly, trying to overwhelm me. I will listen to the voice and absorb the vibration of an archangel. And in your vibration, I am sealed in the inner knowing that no external force can take away. I know there is a God, that God is real and that God is everywhere, including in me. I now find the God within, and I accept the reality of that God and that it is the only reality.

I am sealed in the knowing that all manifestations on this Earth are ultimately illusions that have no power over the real spiritual being that I AM. I am sealed in that reality, and I accept the Presence of an archangel until I can accept the Presence of my own Higher Being.

I am sealed in the God Power of the first ray of the Will of God—the infinite faith that is beyond doubt because it is not faith, it is not belief, it is Oneness with reality, the reality that

I AM.
