

Healing Invocation for Disasters

In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Miracle Mother, Amen.

Beloved Archangel Michael, Mother Mary, Shiva, the Dhyani Buddhas and Kuan Yin, I dedicate this invocation to the manifestation of the protection and healing of all souls affected by . . .

(Describe the disaster or event for which you are invoking healing.)

Lord's Prayer

Our Father-Mother God who is within all life, we honor your Presence, the I AM, within us. We accept your kingdom manifest on Earth through us. We accept our responsibility to manifest your will on Earth, as it is manifest in Heaven. We accept that any disaster, natural or man-made, is the result of humankind's state of consciousness, and we vow to raise our consciousness and lift all people up with us.

We accept that you are giving us our daily opportunity to be all that you are. We acknowledge that you forgive us our imperfections, as we forgive each other and surrender our will to the higher will within us. We therefore accept the truth that the universe returns to us what we send out. We accept that this disaster is the result of the universe reflecting back the mis-qualified energies sent out by humankind, and we vow to stop the downward spiral of mis-qualified energy. We invoke the flame of Miracle Forgiveness to envelop all people who have been affected by this disaster, so they can forgive God, themselves and all people for any hurt resulting from this disaster.

We take responsibility for our lives and our planet. We vow to rise above the temptations of the lower self, so that you can deliver us from all imperfect energies. We affirm that your kingdom, power and glory is manifest on Earth, now and forever. We affirm that we will not blame you for this disaster and that we will

take responsibility for it, thereby setting ourselves free from all negative feelings that could only cause us to misqualify more energy and thereby set the stage for future disasters. We vow to stop the downward spiral of one disaster leading to further disasters, and we accept it done now by your all-power in Heaven, working through us as the all-power on Earth. Amen.

Hail Archangel Michael, Lord of Angels—SHIVA! (3X)

Hail Michael

**Help people Choose Life!
Beloved Archangel Michael, save all survivors before they perish! (3X)**

Archangel Michael, save all survivors from the consciousness of death that causes them to identify themselves as mortal human beings who are separated from their God.

Beloved Archangel Michael, thou Defender of Faith, if people knew better, they would do better, and I call you to cut free all survivors from the lies of anti-christ that have enveloped their souls, so they have no way of understanding the true, spiritual cause of this disaster. Archangel Michael, help them rise above the consciousness of death and be free to see the truth of Christ and the shining reality of God. Cut them free to see God and no longer live as human beings but live as the spiritual beings that they truly are.

Archangel Michael, by the authority of my free will, I now say on behalf of all of my brothers and sisters who are affected by this disaster: "We are willing to change our lives. We are willing to lose our mortal sense of life, our mortal sense of identity, that is based on the limitations of this world and the duality of the carnal mind. We are willing to let our eyes be single, so that we can see beyond the subtle lies of the serpentine mind and be filled with the Light of Christ. We are willing to surrender our emotional attachments to the things of this world and the limitations that seem so real. We are willing to lose this sense of life to win the immortal life of the Christ consciousness and accept our true identity as sons and daughters of God."

Therefore I now say, with the full authority of my free will and the power of the Christ Flame within me:

WE CHOOSE LIFE! (4X)

“We choose the consciousness of life, the Christ consciousness, and we accept that we are alive forevermore in the light of Christ. We accept that behind all appearances of this world is the reality of our God, and therefore we vow to nevermore give permanency to any worldly appearances. We affirm that God is everywhere and therefore also in us.”

“We choose to be one with our God, and therefore we are the Presence of Archangel Michael in this world.”

Archangel Michael, take command over all dark forces working in this situation

1. By the authority of the Christ Flame within me, I call to Archangel Michael to manifest your Flaming Presence over this disaster and bind and consume all dark forces and dark spirits seeking to trap people in a negative spiral in order to steal their spiritual light. Bind the forces of death and Hell who are seeking to gain entry into people’s energy fields or are using people’s negative emotions to form vortexes that pull people into the pits of despair. Archangel Michael, bind these dark forces, NOW!

Hail Archangel Michael, Lord of Angels—SHIVA! (3X)

Hail Archangel Michael, Lord of Angels, your Presence is always with us. Protect us from all forces of darkness, and bind the enemy within us. We take dominion over our lives, and manifest God’s kingdom on Earth.

2. Archangel Michael, bind and consume all dark forces that could cause people to take advantage of this situation for personal or political gain. Bind the power elite who seek to use any disaster to further their agenda of global control or who seek to profit from this event. Bind those who are seeking to use this event to further any selfish agenda instead of serving God in all people. Archangel Michael, bind these dark forces, NOW!

Hail Archangel Michael, Lord of Angels—SHIVA! (3X)

Hail Michael

3. Archangel Michael, manifest your Flaming Presence with all survivors and form an impenetrable shield around their energy fields. Protect them from all imperfect energies, dark spirits, discarnate souls and all forces of anti-christ. Enlighten them so they can identify dark vibrations and chose to stop them from entering their beings and drag them into a negative spiral or emotional paralysis. Archangel Michael, protect all survivors from all imperfect energies and dark spirits.

Hail Archangel Michael, Lord of Angels—SHIVA! (3X)

Hail Michael

4. Archangel Michael, manifest your Flaming Presence within the energy fields of all survivors. Bind and consume all vortexes of imperfect energies that threaten to overpower their minds and emotions. Cut them free from all connection to the planetary vortexes of negative energies. Enlighten them so they can identify all imperfect energies in their beings. Help them see that these energies are not part of their

beings and that they will only make the situation worse. Help people choose to let all dark energies go. Archangel Michael, consume all toxic vibrations in the energy fields of all survivors.

Hail Michael

6. Archangel Michael, bind and consume the carnal minds and human egos of all survivors, forming an anti-self that seeks to prevent people's recovery from this disaster. Enlighten them so they can identify the lies that their anti-selves are using to control their actions, feelings, thoughts and sense of identity. Help people see that the anti-self is not part of their true

identity and that they do not need it. Help them choose to let the anti-self go. Archangel Michael, bind the anti-selves of all people who are willing to be free.

Hail Archangel Michael, Lord of Angels—SHIVA! (3X)

Hail Michael

7. Archangel Michael, cut all survivors free from the gravitational force of the mass consciousness that pulls them into a negative spiral of fear, sorrow, hopelessness, paralysis, despair or anger against God, causing them to deny their potential to put on the mind of Christ and grow from this event. Strip the survivors of all spiritual blindness so they can see that there is a better way to respond to this disaster than the way that seems right unto a man. Give people the courage to come apart and belong to the separate and chosen people who are willing to move on and rebuild their lives. Help them elect to follow the Way of Life, the way to Christ consciousness. Archangel Michael, cut free all people who are willing to rise above the mass consciousness of this disaster.

Hail Archangel Michael, Lord of Angels—SHIVA! (3X)

Hail Michael

8. Archangel Michael, cut all survivors free from the consciousness of materialism that causes them to feel attachments to the things of this world, feeling like there is nothing more to live for, or that they lost their sense of identity along with their relatives or material belongings. Help them see that their Christ potential is the true key to the abundant life. Cut them free so they can choose to seek first the kingdom of God, and know that when they attain the Christ consciousness, all things will be added unto them. Hail Archangel Michael, Lord of Angels—SHIVA! (3X)

Hail Michael

I claim planet Earth for God

By the authority of the Christ Flame within my heart, I claim planet Earth for God and for the Ascended Host. I will not allow the forces of anti-christ to destroy this planet in their attempt to prove that God was wrong by giving us free will. I will not allow them to destroy souls in their prideful quest for revenge against God. Therefore, I use my free will to choose the truth of Christ over the lies of anti-christ.

Beloved Archangel Michael, send billions of Blue-flame Angels to cut all souls free from the lies of anti-christ, the consciousness of death and the veil of separation. Beloved Jesus, send your angels of judgment to all souls and help them see beyond the duality of the carnal mind, so they can freely choose whom they will serve. Beloved Mother Mary, send your angels of unconditional love to set all souls free from fear. I call that all souls be empowered to make a completely free choice between the consciousness of death and the consciousness of life. By the authority of the Christ Flame within my heart, I call to the four corners of the Earth:

CHOOSE LIFE! (4X)

Archangel Michael, bind the souls who choose death and remove them from the Earth, so they cannot drag humanity down into their self-created Hell. Archangel Michael, protect those who choose life, so they can manifest the Christ consciousness and become the open doors for bringing God's kingdom into manifestation in the rebuilding of their lives, communities and nations.

I claim planet Earth for God, and I accept Jesus Christ as the spiritual King of Earth, now and forever. Amen.

Oh Mother Mary, teach all survivors unconditional forgiveness

Oh Mother Mary, help all survivors understand, accept and internalize the fundamental truth that at the level of their souls, they are who they think they are. Help them see that the universe is a mirror that reflects back to us whatever we send out. Therefore, our outer situation is a reflection of our sense of identity. Our world is what we think we are.

Oh Mother Mary, help all survivors see that when they choose to engage in anger, blame or a desire for revenge, they are truly hurting themselves more than anyone else. Help them know that the universe will reflect all negative feelings back to them, and they will build a prison around their souls. Help them see that

despite the overwhelming trauma of this disaster, engaging in imperfect feelings will only create a negative spiral that makes the situation worse for everyone involved.

Oh Mother Mary, help all survivors see that at the level of their I AM Presence, they are who God thinks they are, and this is their true and permanent identity. Help them see and accept that their I AM Presence is as pure and perfect as the day they were created as an immaculate concept in the mind of God. Therefore, nothing they have ever experienced in this world, including this disaster, has damaged or stained the divine perfection of who they really are.

Oh Mother Mary, help all survivors accept the divine truth that they can, at any moment, let that perfection shine through their souls and outer awareness. They simply need to forgive themselves and all life, so that they can let go of all imperfect identities, beliefs, feelings and manifestations that cover their true identity and form a wall around the light beam of their I AM Presence.

Oh Mother Mary, help all survivors see that when they forgive unconditionally, they are letting the light of their I AM Presence shine through them and bring God's perfection into this world. Help them accept that when they forgive, their Father works hitherto, and they work. Therefore, they and their Father are one!

Heal all survivors of all trauma

1. Beloved Mother Mary and Kuan Yin, manifest your Presence with all those who have survived this disaster or have been affected by it in other ways. Form the Omega polarity to the Alpha action of Archangel Michael and Shiva, so that those who have been cut free from all dark forces and imperfect energies can be healed from all trauma and move on with their lives.

2. Beloved Mother Mary and Kuan Yin, flood the Earth with your Miracle Comfort Flame to heal all people from all negative emotions, so that they can overcome the sense of being overwhelmed that leads to physical and spiritual paralysis. Therefore, no amount of sorrow, anger, blame or hurt can bring back their former lives. Impel them to accept the inevitable, and in that acceptance set themselves free from the paralyzing effects of regret and sorrow. Inspire them to stop looking to the past and raise their eyes to see the new day. Awaken them to glimpse the hope of a future that is better than what they see around them.

Hail Mary, one with grace—SHIVA! (3X)

5. Beloved Mother Mary and Kuan Yin, heal all survivors from the sense of loss and cut them free from all attachments to their former lives, especially their loved ones. Inspire them to acknowledge and accept their feelings of grief and sorrow, so they can go through the proper grieving process and release these emotions instead of pushing them into the subconscious minds of themselves and the Earth Mother. Heal them from all sense that they cannot go on without their loved ones or that life is not worth living. Inspire them to realize that there are always those who are worse off than themselves, and therefore they can channel their grief into compassion and the determination to help others rebuild their communities.

Hail Mary, one with grace—SHIVA! (3X)

Hail Mary

6. Beloved Mother Mary and Kuan Yin, heal all survivors from the subtle sense of guilt because

they are alive and so many others have perished. Cut them free from all death-wish and heal them of the desire to die so they are not left alone. Impel them to overcome all self-centered feelings of aloneness, so they can see that they are alive because their souls wanted the opportunity to stay in embodiment. Inspire them to embrace the rest of their lives as an opportunity to move on and to help make the Earth a better place

Hail Mary, one with grace—SHIVA! (3X)

Hail Mary

7. Beloved Mother Mary and Kuan Yin, heal all survivors from the emotional attachments to their former lives, especially their material possessions or their expectations of what life should be. Inspire them to overcome the sense of emptiness, the sense that they have lost their identity or that life is no longer worth living. Awaken them to accept the fact that their lives will never be the same, and help them accept that this is an opportunity and not a curse. Impel them to let go of their former expectations of how the rest of their lives should unfold, so they can accept their new situations as an opportunity to go beyond their former limitations.

Hail Mary, one with grace—SHIVA! (3X)

Hail Mary

8. Beloved Mother Mary and Kuan Yin, heal all survivors from all imperfect feelings or beliefs that spring from their religion. Awaken them to overcome all sense that this is God's punishment and that they must have deserved this punishment because they are bad people. Cut them free from the trap of blaming God and being overwhelmed by an all-consuming anger against God. Inspire them to see that the fire of anger or the sense of guilt will not bring their lives back, but will only consume themselves and their opportunity to build a better future. Set them free from all belief that they are being punished by God or all desire to punish God.

Hail Mary, one with grace—SHIVA! (3X)

**Oh Mother Mary, we release
all thoughts and feelings less than peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

9. Beloved Mother Mary and Kuan Yin, awaken all survivors to see beyond the illusion that this disaster was a result of external events over which they have no control. Inspire them to realize and accept that there is a connection between the consciousness of humankind and all events that take place in the body of the Earth Mother. Impel them to overcome all sense of being at the mercy of forces beyond their control. Urge them to accept that we create our own reality, and guide them to channel this acceptance into a determination to help prevent future disasters. Enlighten them to see that the key to building a better future for all people is to raise their own consciousness by walking the path to individual Christhood.

Hail Mary, one with grace—SHIVA! (3X)

Hail Mary

Help us remember our first love

Beloved Mother Mary and Kuan Yin, help all survivors remember that before their souls came into this world, they made a choice to come here. Help them remember the moment when their I AM Presence stood before God, as God made the call for those who were willing to descend into God's latest creation, the material universe itself, and help it become a self-aware universe that could start the spiral of self-transcendence leading to full God consciousness.

Help them remember how they stood there in that central hall before the throne of God and looked out over the vastness of this beautiful

universe with its multitudes of galaxies and solar systems and planets. Help them remember that they saw plain as day the fact that someone had to descend into that universe to start the spiral, the ascending spiral of self awareness, that would lead the entire universe to become self-conscious and to become conscious of the self as God.

Help them remember how their I AM Presence looked upon this vast universe and felt the unconditional love of God, the drive for self-transcendence, well up from the very center of their being. Help them remember how they looked at God and said, "Here I am Lord, send me! I will go and bring your unconditional love into this universe until all becomes an expression of that unconditional love."

Help them see that behind all outer appearances is a greater purpose and that their souls are part of that purpose, not because they were forced to, but because they chose to be part of the grand scheme of life. Help them reconnect to the original vision and desire of their life-stream, so they can feel the inner peace and find the strength to move beyond the outer appearances and use them as a stepping stone for moving closer to the kingdom of God. Help them fulfill their original desire to help bring God's kingdom to Earth. Help them see that even a disaster can become a tool for awakening all life to a greater purpose and a determination to bring about the perfect vision of Christ in building a better future for all.

Help all survivors accept that they are your sons and daughters. Beloved Alpha and Omega, help all survivors accept that you made them to be co-creators with you. Help them see that they have a right to be alive on planet Earth and that they have a right to express their God-given individuality on this planet. Help them claim their right to help co-create the kingdom of God on planet Earth and thereby rebuild their lives and communities.

OM I AM THAT I AM OM (9X)

Hail Mary

9. Beloved Mother Mary and Kuan Yin, help all survivors to be filled with your infinite mercy and your unconditional forgiveness. Help all people see that total forgiveness is the only path to total spiritual and material freedom. Fill all survivors with the unconditional love that casts out their fear of letting go of all resentment toward any part of life. Help them lovingly and willingly surrender all non-forgiveness in their beings and extend unconditional, infinite mercy toward themselves, all other people and God.

OM MANI PADME HUM—SHIVA! (33X)

Hail Mary

Take command over the Earth

I call to the Miracle Mother East and West to take command over this matter world and consume all that is less than the perfection of God through your Miracle Grace. Raise up your own to be the handmaidens of the Lord and give birth to the Christ consciousness that truly is the open door which no human can shut. Raise up your own substance, matter itself, to

outpicture only the perfect thoughtforms of the Christ consciousness.

Beloved Kuan Yin and Mother Mary, bring forth through your mercy and miracle grace the manifestation of a mass awakening that will empower all people to see the reality that the Earth Mother is burdened by the negative energies of humankind. Shake people out of their spiritual blindness so they can accept that all natural and man-made disasters are manifestations of the imperfect beliefs in their own consciousness, generating imperfect energies that burden the Earth Mother.

Awaken people to the reality that when we overcome the sense of illusion, irresponsibility and spiritual paralysis, we can invoke the light of God that will erase all imperfect energies and the memory of this disaster and all imperfections from the past. Help all people realize that it is up to us to prevent future disasters, that we have everything we need to do so and that we are the authors and finishers of our own destiny. Help people develop the determination to take responsibility for the Earth, so we can stop all future disasters and manifest God's kingdom on this planet.

We express our gratitude for your infinite mercy, your unconditional forgiveness and your all-accomplishing Miracle Grace. We are so grateful to be alive at this cosmic moment to help the Earth turn a new leaf in history and turn into Freedom's Star to light the Galaxy and bring new hope that God conquers all.

I affirm that Archangel Michael and his billions of Blue-flame Angels are cutting all people free from dark spirits and dark energies.

I affirm that Archangel Michael and his billions of Blue-flame Angels are cutting all people free from all trauma, shock and fear.

I affirm that Archangel Michael and his billions of Blue-flame Angels are cutting all people free from spiritual slavery under the forces of anti-christ.

I affirm that Archangel Michael and his billions of Blue-flame Angels are cutting all people free from material slavery under the power elite.

I choose to be one with my God, and therefore I am the Presence of Archangel Michael binding all illusion on planet Earth and awakening all people to the reality of life.

I accept that Mother Mary and Kuan Yin envelop myself and all survivors in the infinite and unconditional love of the Divine Mother. I accept that we are worthy to receive that love, and I absorb it into my being. I allow this perfect love to cast out all fears and other imperfect feelings in myself and all people. I accept that our souls are finally free to respond to all situations with love. I accept that I am a sun, radiating divine love to everyone I meet. I accept that as God's love streams through me, it consumes all unlike itself, it consumes all forces of anti-love on this planet.

The Earth is the Lord's and the fullness thereof. (3X) Amen.

In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Miracle Mother, Amen.

Sealing

I affirm that Archangel Michael and his Blue-flame Angels surround myself, my family and all people with an impenetrable shield of Blue-flame energy. I affirm that we are sealed from all toxic energies resulting from this disaster. I accept that Archangel Michael binds the enemy within all survivors, the human ego, so that when the prince of this world comes, he has nothing in them. I surrender the anti-self of the mass consciousness and accept that it is consumed by the Violet Flame and the unconditional love of Mother Mary. I accept that the anti-self is replaced by the Christ self, now and forever.

By the power of the Christ Flame within me, I affirm that the kingdom of God is manifest on Earth. It is manifest through the infinite power of God, acting through my I AM Presence and the presence of the I AM THAT I AM, Archangel Michael and Shiva. Amen.
