

Awakening the Golden Age Consciousness in Russia

In the name of the Cosmic Christ, I call to the Divine Father and the Divine Mother, and I dedicate this invocation to the awakening of the most spiritual people in Russia to the consciousness of the Golden Age ... (Make specific calls.)

Prayer for Ecstatic peace

Lord, I choose to BE an instrument of your peace.

Where there is hatred, I AM the Flame of Love.

Where there is injury, I AM the Flame of Justice.

Where there is doubt, I AM the Flame of Truth.

Where there is despair, I AM the Flame of Vision.

Where there is darkness, I AM the Light of the world.

Where there is sadness, I AM the Flame of Blissful Joy.

O Divine Master, I choose to console others and in so doing find your consolation.

I choose to understand others and in so doing find your understanding.

I choose to love others and in so doing find your love for me.

For it is in giving of ourselves to others that we receive more of you.

It is in forgiving others that we find your forgiveness.

It is in letting the ego die that we are reborn into the eternal life of being the Living Christ—on Earth as we are in Heaven, now and foreverMORE.

It is when we dare to BE here below all that we are Above that Russia will be here below all that she is in the heart of God. And thus I AM the Golden Age made manifest in Russia, as I love God's flame of Ecstatic Peace with all my heart, soul and mind. For I AM the light of the world, and as long as I AM in the world, there is peace on Earth and God's will toward all life.

First Ray - Power

1. I AM the ONE, I AM Alpha and Omega, the beginning and the ending. I will give unto them that are athirst of the fountain of the water of life freely.

It is God's good pleasure to give the kingdom to the Russian people. The Russian people have a God-given creativity that can solve all problems and manifest the Golden Age in Russia.

The spiritual people are the open doors for the Light of God to expose all imperfections in Russian society and history. The light also illumines the potential for manifesting a Golden Age in Russia.

Let there be LIGHT in Russia! (Say this sentence 1X, 3X or more.)

2. Archangel Michael, awaken the spiritual people in Russia to the realization that all nations on Earth are currently far below the level of consciousness needed for them to manifest the Golden Age. And Russia is no exception to this.

Repeat Refrain 1

3. Archangel Michael, awaken the spiritual people in Russia to the realization that for Russia to close the gap between its present state and the level of the Golden Age, the Russian people must begin by recognizing that their nation is wanting, that there is work to be done and changes to be made.

Repeat Refrain 1

4. Archangel Michael, awaken the spiritual people in Russia to the realization that there is a unique mechanism in the Russian national psyche that prevents the full realization that much change is needed.

It is God's good pleasure to give the kingdom to the Russian people. The Russian people have a God-given creativity that can solve all problems and manifest the Golden Age in Russia.

The spiritual people are the open doors for the Light of God to expose all imperfections in Russian society and history. The light also illumines the potential for manifesting a Golden Age in Russia.

Let there be LIGHT in Russia! (1X, 3X or more.)

Repeat Refrain 1

7. Archangel Michael, awaken the spiritual people in Russia to the realization that the lack of true self-esteem has caused the Russian people to seek self-esteem in this world. During Soviet times, this was outplayed in the desire to establish Russian superiority through military might and by being feared by other nations.

Repeat Refrain 1

8. Archangel Michael, awaken the spiritual people in Russia to the realization that the desire for self-esteem in this world is precisely what blocks the Russian people from admitting that Russia needs to change and that it needs to learn from and co-operate with other nations.

Repeat Refrain 1

4. Archangel Jophiel, awaken the spiritual people in Russia to the realization that the only way to overcome the stalemate is for them to take a realistic look at Russia and its history, openly seeing and acknowledging how the insensitivity to life has affected every aspect of Russian society.

6. Archangel Jophiel, awaken the spiritual people in Russia to the realization that the insensitivity to life has also had the effect of numbing the Russian people to the pain caused by their separation from God's love. And it is precisely out of unwillingness to experience pain that they are not willing to take an honest look at their nation.

Repeat Refrain 1

Repeat Refrain 1

8. Archangel Chamuel, awaken the spiritual people in Russia to the realization that honest self-examination will lead many Russians to rediscover and experience God's love. Repeat Refrain 2

I AM the ONE

I AM the ONE, I AM Alpha and Omega, the beginning and the ending. I will give unto them that are athirst of the fountain of the water of life freely.

I AM the ONE, becoming many forms that are destined to return to the One in the cosmic dance between the Divine Lover and the Beloved.

I AM the One, manifest as the trinity of Alpha and Omega, held in perfect creative tension by the only begotten Son, the Logos of the Christ mind.

I AM the ONE, the creative fount, expressed as the eternal flow of becoming that forms the River of Life, enfolding all that IS in the wings of the Holy Spirit.

I AM the ONE, expressing myself as self-aware beings with the opportunity to become all that I AM through the process of consciously choosing to be MORE.

I AM the ONE, the self that encompasses all life, and as the self-aware extensions of myself become MORE, I become MORE.

I AM the ONE, and every being that came from my Being can become all that I AM, by transcending the sense of self in the cosmic dance, whereby the Beloved becomes the Divine Lover, loving all life.

I AM the ONE, the Alpha and Omega, the beginning and the ending, which is, and which was, and which is to come, the Almighty. And I WILL BE WHO I WILL BE, for although I am the ONE, I am forever the MORE.

Beloved Archangel Michael, Jophiel, Chamuel, Gabriel, Raphael, Uriel, Zadkiel, Uzziel and Uniel, awaken the spiritual people in Russia and then all Russians to the realization and acceptance that *they* are the Divine Mother in Russia. Awaken them from the illusion that someone outside themselves will come and make everything right. Awaken them to the reality that God *will* indeed manifest a Golden Age in Russia and the world, but only when *we* accept that God can do this only through us.

Thus, we are here to establish the vertical oneness of each person achieving oneness with his or her Higher Being. And then we establish the horizontal oneness of the spiritual people achieving oneness with each other beyond all earthly differences. Out of this oneness is born the Christ, which WILL manifest the Golden Age in Russia and on Earth. Thus, we say:

WE ARE THE ONE, AS ABOVE SO BELOW! (3, 9 times or more)

OM MANI PADME HUM (9, 33 or 144 times)

Russia is healed, Russia is sealed, God's own vision is revealed. (9, 33 or 144 times)

Sealing:

In the name of Alpha and Omega, I accept that the spiritual people of Russia have the perfect vision of their service to life, given to them by their Higher Selves.

On behalf of all Russians, I accept the single-eyed vision of Christ that exposes the beams in our own eyes, so that we can see and consciously surrender all dualistic illusions. I accept that the Russian people are awakened to see the difference between the reality of Christ and the unreality of the dualistic illusions that spring from the mind of anti-christ.

In unconditional surrender into oneness with my Higher Being, I see that nothing in this world has power over my Spirit, and thus I accept no imperfect conditions as permanent or even ultimately real. Thus, I become transparent to the illusions and the energies of this world. My eye is single, and thus the prince of this world has nothing in me. As I surrender all impurities in my being, I know that the immaculate concept for Russia is effortlessly manifest, and I accept that Russia is sealed in the perfect vision of God.

I know that that which is unreal cannot affect that which is real. I accept that I AM real and that only the immaculate concept for Russia is real. I accept that God created Russia and saw that "It was good." In the purity of this vision, Russia is sealed forevermore, and as I AM MORE, Russia is MORE and the Earth is MORE.
