

Invocation for Helping Europe Rise Above the Past

In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Mother of Light, Amen.

In the name of the I AM THAT I AM, Jesus Christ, I dedicate this invocation to the manifestation of the Flame of Unconditional Forgiveness in setting the entire continent of Europe free from the conflicts and wars of the past. I call forth a mass awakening to the need to forgive unconditionally, as the only way for Europe to be free of the past.

(Describe the situations that you want enveloped in the Flame of Forgiveness).

I AM being More

River of Life, abundant flow
with your light I am aglow.

I am flowing—I am growing,
one with your eternal knowing.
Fill my space—with your grace,
I am in my rightful place.
I will BE—forever free,
my God plan I always see.
Sacred dove—from above,
no conditions in God's love.
As I call—light does fall,
raising up the Christ in all.
Life is sealed—all are healed,
God's perfection is revealed.
We begin—without sin,
one with God, we will win.
Life is one—God has won,
a new day has begun.
Sacred light—oh so bright,
everything is now set right.
Earth is free—now to BE,
Freedom's Star for all to see.
Always MORE—than before,
River of Life I do adore.
I AM MORE—forevermore,
the Flow of Life I do restore.

River of life, through the Son,
Father, Mother are as one.

Archangel Michael, clear Europe from all records of conflict

1. In the name I AM THAT I AM, Jesus Christ, I command Archangel Michael to send legions of Blue-flame Angels to protect and seal myself and all people of Europe. Cut us free from all forces and energies that pull us into the dualistic struggle and prevent us from grasping Saint Germain's vision for a Golden Age in Europe.

Hail All-powerful Michael
**Archangel Michael, free all life,
from all that leads to war and strife.
Expose the forces that do hide
behind the ego's fear and pride.
From blindness clear our inner sight,
let all be seen in truth and light.**

**Archangel Michael, let your power,
erase all darkness in this hour.
Cut all people free from fear,
consume all non-forgiveness here.
Raise the Earth out of the night,
and keep her always in your light.**

2. In the name I AM THAT I AM, Jesus Christ, I command Archangel Michael to send legions of Blue-flame Angels to protect the top ten percent of the most spiritual people in Europe. Cut us free from all material circumstances and spiritual illusions that prevent us from fulfilling our divine plans to help manifest a Golden Age in Europe.

Hail All-powerful Michael

3. In the name I AM THAT I AM, Jesus Christ, I command Archangel Michael to send legions of Blue-flame Angels to cut free all people in Europe from the dualistic illusion that outer differences are more real or more important

than the underlying spiritual reality that all life is one.

**Archangel Michael, free all life,
from all that leads to war and strife.
Expose the forces that do hide
behind the ego's fear and pride.
From blindness clear our inner sight,
let all be seen in truth and light.**

**Archangel Michael, let your power,
erase all darkness in this hour.
Cut all people free from fear,
consume all non-forgiveness here.
Raise the Earth out of the night,
and keep her always in your light.**

4. In the name I AM THAT I AM, Jesus Christ, I command Archangel Michael to send legions of Blue-flame Angels to cut the people of Europe free from the dualistic illusion that causes us to identify ourselves based on nationality, race, ethnicity, sex, religion or any other outer characteristics. Cut us free to see that we all came from the same source.

Hail All-powerful Michael

5. In the name I AM THAT I AM, Jesus Christ, I command Archangel Michael to send legions of Blue-flame Angels to shatter and consume the entire consciousness of separation and division that envelops the continent of Europe as a dark cloud. Shatter that consciousness, so the Sun of each person's I AM Presence can shine through and illumine us to the reality of oneness.

Hail All-powerful Michael

6. In the name I AM THAT I AM, Jesus Christ, I command Archangel Michael to send legions of Blue-flame Angels to shatter and consume the records of division, conflict and warfare that have been building over Europe for centuries. Shatter the energies in the collective consciousness that prevent people from seeing the unreality and futility of continued conflict.

Hail All-powerful Michael

7. In the name I AM THAT I AM, Jesus Christ, I command Archangel Michael to send legions of Blue-flame Angels to shatter and bind the legions of dark forces that cause conflict in Europe. Cut the people of Europe free to see that these dark forces are inciting conflict so they can milk people of their spiritual energy.

Hail All-powerful Michael

8. In the name I AM THAT I AM, Jesus Christ, I command Archangel Michael to send legions of Blue-flame Angels to cut the people of Europe free from the illusion created by materialistic science that dark forces do not exist. Awaken people to the reality that these forces are like vampires, and when we engage in conflict, they milk our spiritual energy in order to survive and increase their power.

Hail All-powerful Michael

9. In the name I AM THAT I AM, Jesus Christ, I command Archangel Michael to send legions of Blue-flame Angels to shatter and consume the consciousness of superiority that hangs like another black cloud over Europe. Cut people free to see that if we all came from the same source, then no one can be the favored or the superior people. Cut us free to see that superiority can only lead to conflict, which is a form of slavery, whereas oneness is true freedom.

Hail All-powerful Michael

Archangel Michael, bind the forces of war in Europe

Beloved Archangel Michael, send legions of Blue-flame Angels to traverse the entire European continent and bind all dark forces that are contributing to division, conflict and war. Bind all demons of war and cut free all discarnate souls from past wars, so they can be taken to a higher realm and given an opportunity to grow.

1. Archangel Michael, take command,
God government in every land.
God's power, wisdom and his love
flows to each nation from Above.

Refrain:

**Archangel Michael, let your power
rain upon us every hour.
Fill us with God's Diamond Will,
our destiny we will fulfill.**

**Every nation is now free,
to manifest her destiny.
As Liberty is in command,
she spreads her light to every land.**

2. Raise up the torch of Freedom's Flame,
that all may know the "I AM" name.
We keep our course all through the night,
as we are guided by your light.

3. All Europeans are now free,
one people under God to be.
Our love for Europe so intense,
we take our stand in her defense.

4. Archangel Michael, you are here,
to keep our vision always clear.
As we our sacred work begin,
we know God's kingdom is within.

5. We form God's Body here below,
the open door for Grace to flow.
Consuming now all patterns old,
the future looks so bright and bold.

6. As into action now we spring,
the Golden Age we will to bring.
We have the vision and the fire
to lift up Europe ever higher.

NOTE: Give the entire decree at least one time. You can
give it as many times as you like before continuing the
invocation.

Beloved Jesus, awaken Europeans from the illusion of separateness

1. Beloved Jesus, use the Sword of Christ to cut
the people of Europe free from the illusion of
separation that makes us believe that people
can be divided into distinct groups, and that
one group of people can be superior to all other
groups of people.

Hail Merciful Christ

**Oh Jesus, we have eyes to see,
forgiveness will set all life free.
We know forgiving is the key
that leads us into mastery.
And thus we turn the other cheek,
as we the inner kingdom seek.**

**Oh Jesus, we will judge no man,
we know God has a Master Plan.
For as we reap what we do sow,
we learn to join the Sacred Flow.
We now surrender hurt and shame
and are reborn in Christ's own name.**

2. Beloved Jesus, use the Sword of Christ to cut
the people of Europe free from the illusions of
relativity that make us believe that outer char-
acteristics, such as religion, race, ethnicity, na-
tionality, economic class or sex prove that
some people are inherently superior to others.

Hail Merciful Christ

3. Beloved Jesus, use the Sword of Christ to cut
the people of Europe free from the illusion of
duality that makes us believe that people can be
grouped and that all members of a group are
either good or bad. Help us see the reality that
all people are unique individuals and are loved
by God with an infinite love.

Hail Merciful Christ

4. Beloved Jesus, use the Sword of Christ to cut
the people of Europe free from the illusion of
the Cain consciousness that makes us believe
that we are not our brother's keeper. Help us
see that we are all part of the Body of Christ on

Earth, because we all came from the same source.

**Oh Jesus, we have eyes to see,
forgiveness will set all life free.
We know forgiving is the key
that leads us into mastery.
And thus we turn the other cheek,
as we the inner kingdom seek.**

**Oh Jesus, we will judge no man,
we know God has a Master Plan.
For as we reap what we do sow,
we learn to join the Sacred Flow.
We now surrender hurt and shame
and are reborn in Christ's own name.**

5. Beloved Jesus, use the Sword of Christ to cut the people of Europe free from the illusion of separation that causes us to believe that we can harm others without affecting ourselves. Help us see that we are all interconnected, and that everything we do to others has a profound impact on our own lives.

Hail Merciful Christ

6. Beloved Jesus, use the Sword of Christ to cut the people of Europe free from the illusion of duality that makes us believe that it is possible and justified to raise some people above the rest. Help us see that God is no respecter of persons, and thus the concept of elitism is based on an illusion. What is truly best for the individual is what raises the All.

Hail Merciful Christ

7. Beloved Jesus, use the Sword of Christ to cut the people of Europe free from the illusion of duality that makes us believe that man-made conditions have any impact on the laws and the reality of God. Help us see that while an elite may seem superior based on man-made criteria, this superiority has no reality in the eyes of God.

Hail Merciful Christ

8. Beloved Jesus, use the Sword of Christ to cut the people of Europe free from the illusions of duality that make us believe elitism is a necessary, inevitable or even God-ordained phenomenon. Help us see that elitism is a product of the duality consciousness and is the major cause of conflict in human history.

Hail Merciful Christ

9. Beloved Jesus, use the Sword of Christ to cut the people of Europe free from illusion, so we can see that elitism is created by a small group of prideful and ego-centered beings who think they know better than God and desire to prove God wrong. Thus, they are trying to enslave and control the rest of us in order to prove that they can do better than God.

Hail Merciful Christ

**Archangel Michael, bind the power elite
in Europe**

Beloved Archangel Michael, send legions of Blue-flame Angels to traverse the entire European continent and bind all forces behind the power elite and the power elite consciousness. Let those lifestreams who will not accept the judgment of Christ and transcend the power elite consciousness be taken to other realms, so they can no longer drag Europe and the Earth down into their consciousness of being at war with God and each other.

1. Archangel Michael, take command,
God government in every land.
God's power, wisdom and his love
flows to each nation from Above.

Refrain:

**Archangel Michael, let your power
rain upon us every hour.
Fill us with God's Diamond Will,
our destiny we will fulfill.**

**Every nation is now free,
to manifest her destiny.
As Liberty is in command,
she spreads her light to every land.**

2. Raise up the torch of Freedom's Flame,
that all may know the "I AM" name.
We keep our course all through the night,
as we are guided by your light.

3. All Europeans are now free,
one people under God to be.
Our love for Europe so intense,
we take our stand in her defense.

4. Archangel Michael, you are here,
to keep our vision always clear.
As we our sacred work begin,
we know God's kingdom is within.

5. We form God's Body here below,
the open door for Grace to flow.
Consuming now all patterns old,
the future looks so bright and bold.

6. As into action now we spring,
the Golden Age we will to bring.
We have the vision and the fire
to lift up Europe ever higher.

NOTE: Give the entire decree at least one time. You can give it as many times as you like before continuing the invocation.

**Saint Germain, cut people free to see
the power elite and its impact on history**

1. Beloved Saint Germain, send flood tides of violet flame to consume the smokescreen and awaken us to the reality that the wars that have been fought on the European continent were not caused by real conflicts between the people. They were caused by the fallen beings who

have formed various power elite groups, that have been fighting each other for ultimate control over this continent and the world.

Hail Mercy's Flame

**Oh Saint Germain, bring Mercy's Flame,
erase all errors in Christ's name.
We know the power of your Light
can instantly set all things right.
And thus, we call forth violet fire
to lift our vision ever higher.**

**Oh Saint Germain, awaken all
so we can follow Freedom's call.
For when forgiveness clears the mind,
all struggles we can leave behind.
And when we all let go of pain,
your Golden Age in Europe will reign.**

2. Beloved Saint Germain, send flood tides of violet flame to consume the smokescreen and awaken us to the reality that the various power elite groups have used many outer characteristics to "justify" their wars and incite the people to fight their wars for them. This includes wars over land and resources, wars over religion, wars between nation states and wars based on political ideologies.

Hail Mercy's Flame

3. Beloved Saint Germain, send flood tides of violet flame to consume the smokescreen and awaken us to the reality that the real cause of war is never these outer characteristics, but is always the quest for ultimate power and control by a power elite group. Thus, the belief that one religion or one ideology is the only right one and that a war to eliminate others will lead to some ultimate state of peace and prosperity is a complete fallacy.

Hail Mercy's Flame

4. Beloved Saint Germain, send flood tides of violet flame to consume the smokescreen and awaken us to the reality that the true key to creating a state of peace and prosperity in Europe is to eliminate the real cause of war,

namely the power elite groups and their quest for ultimate control. We the people must stop allowing ourselves to be divided over outer characteristics and unite behind a higher vision.

**Oh Saint Germain, bring Mercy's Flame,
erase all errors in Christ's name.
We know the power of your Light
can instantly set all things right.
And thus, we call forth violet fire
to lift our vision ever higher.**

**Oh Saint Germain, awaken all
so we can follow Freedom's call.
For when forgiveness clears the mind,
all struggles we can leave behind.
And when we all let go of pain,
your Golden Age in Europe will reign.**

5. Beloved Saint Germain, send flood tides of violet flame to consume the smokescreen and awaken us to the reality that for centuries you have attempted to establish a United States of Europe in order to eliminate the potential for war posed by separate nation states with conflicting religions or political ideologies. Thus, a higher spiritual union is the key to manifesting a Golden Age in Europe.

Hail Mercy's Flame

6. Beloved Saint Germain, send flood tides of violet flame to consume the smokescreen and awaken us to the reality that although the current European Union can become a step toward true unity, it can also be used by power elite groups to control the people or create conflict with other power elite groups in Russia, the Middle East or even the United States.

Hail Mercy's Flame

7. Beloved Saint Germain, send flood tides of violet flame to consume the smokescreen and awaken us to the reality that the real key to manifesting a Golden Age in Europe is that we the people must unite spiritually and see beyond outer differences. We must refuse to let the power elite groups divide us, and instead

decide to take dominion over society and expose the influence of power elite groups.

Hail Mercy's Flame

8. Beloved Saint Germain, send flood tides of violet flame to consume the smokescreen and awaken us to the reality that the driving force in European history has NOT been a struggle between nations states, religions, or a class struggle. The driving force has been the struggle between power elite groups seeking to control the people and the people seeking to fulfill our divine mandate to have dominion over the Earth.

Hail Mercy's Flame

9. Beloved Saint Germain, send flood tides of violet flame to consume the smokescreen and awaken us to the reality that the real key to our freedom is to realize the existence and methods of the power elite, so we can free ourselves from those who are seeking to control us through all available means. Yet in order to do this, we must be willing to expose our own egos, so we do not fight the power elite but transcend their level of consciousness.

Hail Mercy's Flame

Europeans are free on all Seven Rays

In the name of Saint Germain, Jesus Christ, Archangel Michael and Mother Mary, I invoke oceans of violet flame to envelop the entire continent of Europe and clear the etheric, mental, emotional and physical realm from the records of war and conflict. Consume the illusion that warfare can lead to any final solution, and awaken people to the reality that peace can be attained only by transcending the consciousness of separation and division through unconditional forgiveness and mercy.

1. God's Will is that I be set free,
his highest vision now I see.
I feel God's Mercy filling me,
and in that Mercy, I will BE.

Refrain:

**As I now follow Christ's own call,
and give forgiveness unto all.
I can let go of hurt and pain,
for what I give, I surely gain.**

**Oh Saint Germain, send violet flame,
consume all fear and guilt and shame.
As we surrender all that's past,
true freedom we will find at last.**

2. God's Wisdom makes it all so clear,
the truth will set all free from fear.
Surrender is the Master Key,
for setting every person free.

3. With no conditions from Above,
God gives to all his Sacred Love.
My own conditions I release,
all suffering will surely cease.

4. God's Purity will set all right,
and bring us out of soul's dark night.
Revenge and anger I let go,
I enter now the Sacred Flow.

5. God's healing Truth now fills my soul,
from all divisions I am whole.
In wholeness I know God's desire
is raising people ever higher.

6. God's Peace I give to every man,
fulfilling Heaven's highest plan.
For as we turn the other cheek,
the Earth is given to the meek.

7. God's Freedom surely will erase
all human error without trace.
As we surrender guilt and shame,
we are washed clean in Freedom's Flame.

8. By being right on every ray,
we are reborn to a new day.
The Flow of Life is now restored,
with God and man of one accord.

9. From figure-eight to sacred nine,
the Light of God will always shine.
The Golden Age is given birth,
God's kingdom is now here on Earth.

Coda:

**Violet flame, let it flow,
saturate all life below,
always flowing, ever growing
upon us all grace bestowing.**

**Violet fire, penetrate,
violet fire saturate,
violet fire purify,
violet fire sanctify,
we are pure, we are healed,
in your light, we are sealed,
forever free
in God to be. (3X or 9X)**

NOTE: Repeat the Coda 3 or nine times for each time you give the decree. Give the entire decree at least one time. You can give it as many times as you like before continuing the invocation.

Mother Mary, purify the Ma-ter Light in Europe

1. Beloved Mother Mary, fill all people of Europe with your nurturing love, so we will be whole and overcome the illusion that we need an elite to lead us to the promised land. Help us awaken to the reality that it is NOT the power elite, but God working through each one of us, that will manifest the Golden Age in Europe.

Hail Healing Mother Flame
**Oh Mother Mary, help us see,
forgiving others sets us free.
Forgiveness will heal every soul,
and thus make every person whole.
In wholeness we are all as one,
and thus our victory is won.**

**Oh Mother Mary, we do love
our Higher Beings up Above.
And thus, we vow to take command
and bring God's kingdom to this land.
As God's own vision now we see,
the Mother Light we do set free.**

2. Beloved Mother Mary, fill all people of Europe with your nurturing love, so we will be whole and acknowledge that the divisions between us were never real but were caused by the illusions of our egos and the manipulation of the power elite.

Hail Healing Mother Flame

3. Beloved Mother Mary, fill all people of Europe with your nurturing love, so we will be whole and see that when divisions are unreal, we must all have come from the same source, meaning we are all part of the Body of Christ in Europe.

Hail Healing Mother Flame

4. Beloved Mother Mary, fill all people of Europe with your nurturing love, so we will be whole and see that because the divisions from the past are unreal, we can rise above our past by forgiving each other freely and unconditionally.

Hail Healing Mother Flame

5. Beloved Mother Mary, fill all people of Europe with the unconditional mercy and forgiveness of the Divine Mother, so we will be free in forgiving ourselves and each other for any conflicts, wars and wrongdoings from the past. Help us see that when we forgive others, we set ourselves free from the heavy burden of

the past.

Hail Healing Mother Flame

6. Beloved Mother Mary, fill all people of Europe with the unconditional mercy and forgiveness of the Divine Mother, so we will be free from all desire for revenge or all feeling that other people should be punished for their wrongdoings. Help us see that the desire for revenge imprisons ourselves and our societies in the consciousness of duality that can never bring peace.

Hail Healing Mother Flame

7. Beloved Mother Mary, fill all people of Europe with the unconditional mercy and forgiveness of the Divine Mother, so we will be free to acknowledge that wars can never be overcome by the same consciousness that created them. Thus, the ONLY way to bring true peace is by unconditionally forgiving each other, whereby we transcend the very consciousness that led to all wars.

Hail Healing Mother Flame

8. Beloved Mother Mary, fill all people of Europe with the unconditional mercy and forgiveness of the Divine Mother, so we will be free to see that we can only have peace when we transcend divisions and build a sense of unity and oneness. Help us awaken to the determination to never again let our egos and the power elite divide us from each other and from the God within each of us.

Hail Healing Mother Flame

9. Beloved Mother Mary, in perfect union of hearts, we call forth the judgment of the Divine Mother upon those who have misused the Mother Light to create conflict and wars in Europe. In the name of Jesus Christ, we demand that the Mother Light itself will withdraw from these lifestreams, so their opportunity to misuse the light will come to an end. We demand that the Mother Light that makes up the

European continent will be free to manifest the Golden Age of Saint Germain.

**Oh Mother Mary, help us see,
forgiving others sets us free.
Forgiveness will heal every soul,
and thus make every person whole.
In wholeness we are all as one,
and thus our victory is won.**

**Oh Mother Mary, we do love
our Higher Beings up Above.
And thus, we vow to take command
and bring God's kingdom to this land.
As God's own vision now we see,
the Mother Light we do set free.**

power of unconditional forgiveness. (3X)**

OM MANI PADME HUM (9X or 33X)

I affirm that Archangel Michael and his billions of Blue Flame Angels set all people in Europe free from the dark spirits and dark energies of non-forgiveness.

I affirm that Archangel Michael and his billions of Blue Flame Angels set all people in Europe free from the lies of non-forgiveness.

I affirm that Archangel Michael and his billions of Blue Flame Angels set all people in Europe free from spiritual slavery under the forces of non-forgiveness.

I affirm that Archangel Michael and his billions of Blue Flame Angels set all people in Europe free from material slavery under the power elite of non-forgiveness.

I affirm that the unstoppable flow of the River of Life sets all people in Europe free to forgive each other and BE MORE, transforming the European continent into the MORE of the kingdom of God.

**Europe is the Lord's and the fullness of his
Mercy. (3X) Amen.**

In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Mother of Light, Amen.

Sealing

I affirm that all people in Europe are sealed in the perpetual figure-eight flow of the Holy Spirit. We love the Holy Spirit and we vow to BE here below, all that we are Above—and MORE. We declare our oneness with our I AM Presences and with each other, thus claiming both our vertical and horizontal oneness. We vow to forgive God, ourselves and all life unconditionally. We vow to multiply our talents and BE MORE in every situation. We vow to transcend all limitations so that we can remain in the flow of the River of Life.

In the name of the Father, the Son and the Holy Spirit, in the name of the Divine Mother, we affirm that we are sealed in the Flame of Unconditional Forgiveness, now and forever. We affirm that all people in Europe are sealed in the Flame of Unconditional Forgiveness, now and forever. We affirm that the European continent is sealed in the Flame of Unconditional Forgiveness, now and forever. Amen.
