

Invocation for Healing the Psyche of Europe

In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Mother of Light, Amen.

In the name of the I AM THAT I AM, Jesus Christ, I call to Mother Mary, Kuan Yin, Maraytaii, Omega and all representatives of the Divine Mother to send the infinite, unconditional and nurturing love of the Divine Mother to heal the collective psyche of Europe from all scars and wounds caused by the many wars, conflicts and atrocities on this continent. Heal also the individual psyches of the people who have incarnated on this continent many times, and have received scars that cause them to repeat the same patterns of behavior over and over again. We call to Saint Germain for the transmutation of all negative energy that traps people into allowing history to repeat itself. We call for them to be set free so they can know better, and thus have a real choice to do better.

(Describe the situations that you want enveloped in the Love of the Divine Mother.)

I AM being More

River of Life, abundant flow
with your light I am aglow.

I am flowing—I am growing,
one with your eternal knowing.
Fill my space—with your grace,
I am in my rightful place.
I will BE—forever free,
my God plan I always see.
Sacred dove—from above,
no conditions in God's love.
As I call—light does fall,
raising up the Christ in all.
Life is sealed—all are healed,
God's perfection is revealed.
We begin—without sin,
one with God, we will win.
Life is one—God has won,
a new day has begun.
Sacred light—oh so bright,

everything is now set right.
Earth is free—now to BE,
Freedom's Star for all to see.
Always MORE—than before,
River of Life I do adore.
I AM MORE—forevermore,
the Flow of Life I do restore.

River of life, through the Son,
Father, Mother are as one.

Europeans are free on all Seven Rays

In the name of Saint Germain, Jesus Christ, Archangel Michael and Mother Mary, I invoke oceans of violet flame to envelop the entire continent of Europe and clear the etheric, mental, emotional and physical realm from the records of war and conflict. Send the violet flame to heal the collective psyche from all wounds that cause people to repeat the same old patterns, whereby one conflict sets the stage for the next conflict.

1. God's Will is that I be set free,
his highest vision now I see.
I feel God's Mercy filling me,
and in that Mercy, I will BE.

Refrain:

**As I now follow Christ's own call,
and give forgiveness unto all.
I can let go of hurt and pain,
for what I give, I surely gain.**

**Oh Saint Germain, send violet flame,
consume all fear and guilt and shame.
As we surrender all that's past,
true freedom we will find at last.**

2. God's Wisdom makes it all so clear,
the truth will set all free from fear.
Surrender is the Master Key,
for setting every person free.

3. With no conditions from Above,
God gives to all his Sacred Love.
My own conditions I release,
all suffering will surely cease.

4. God's Purity will set all right,
and bring us out of soul's dark night.
Revenge and anger I let go,
I enter now the Sacred Flow.

5. God's healing Truth now fills my soul,
from all divisions I am whole.
In wholeness I know God's desire
is raising people ever higher.

6. God's Peace I give to every man,
fulfilling Heaven's highest plan.
For as we turn the other cheek,
the Earth is given to the meek.

7. God's Freedom surely will erase
all human error without trace.
As we surrender guilt and shame,
we are washed clean in Freedom's Flame.

8. By being right on every ray,
we are reborn to a new day.
The Flow of Life is now restored,
with God and man of one accord.

9. From figure-eight to sacred nine,
the Light of God will always shine.
The Golden Age is given birth,
God's kingdom is now here on Earth.

Coda:

**Violet flame, let it flow,
saturate all life below,
always flowing, ever growing
upon us all grace bestowing.**

**Violet fire, penetrate,
violet fire saturate,

in your light, we are sealed,
forever free
in God to be. (3X or 9X)**
