

# Exposing the False Foundation of Christianity

In the name of the Cosmic Christ, I call to the Divine Father and the Divine Mother, and I dedicate this invocation to the restoration of wholeness in people's vision of the true mission and teachings of Christ: (make specific calls)

## **God is Alpha and Omega**

God is Father, God is Mother,  
through the Son, one with each other.

Oh separation is the lie,  
the ego is the unseen tie.  
Conditions are the subtle tools  
to trap the unsuspecting fools.

All ownership a prison wall,  
and thus we rise to heed the call.  
Transcendence is the Master Key,  
becoming MORE is liberty.

Surrender is abundant life,  
surrender overcomes all strife.  
We plunge ourselves into the stream,  
fulfilling Heaven's highest dream.

Christ vision keeps us on our course,  
remembering our common Source.  
In balance we will always grow,  
remaining in the Sacred Flow.

We see the ONE beyond all form,  
as oneness is the only norm.  
Residing in the Sacred Space,  
enveloped in Eternal Grace.

God is Father, God is Mother,  
we see God in each other.

## **First Ray - Power**

1. I AM the ONE, I AM Alpha and Omega, the beginning and the ending. I will give unto them that are athirst of the fountain of the water of life freely.

Oh light of Christ

**Oh Light of Christ within my heart,  
Christianity we will restart.**

**For when we die and are reborn,  
we share the Joy of Easter morn.**

**There is no fear, there is no death,  
consumed by the eternal breath.  
Reborn, I am the open door,  
through which Christianity is MORE.**

2. I invoke the Sword of Christ to cut the veil and expose that the Peter consciousness set the pattern for the Catholic Church and thereby Christianity. The pattern is that people use their built-in ability to recognize Christ but are not willing to let Christ take them out of their mental boxes.

## **Oh light of Christ**

2. I invoke the Sword of Christ to cut the veil and expose the consciousness that people want the Living Christ to conform to their mental boxes, and validate the desire to avoid taking responsibility for changing our lives in order to follow Christ.

## **Oh light of Christ**

3. I invoke the Sword of Christ to cut the veil and expose the consciousness of not being willing to follow the eternal law to let the old die before the new can be reborn of the Spirit.

## **Oh light of Christ**

4. I invoke the Sword of Christ to cut the veil and expose how the fallen consciousness is permeating the Catholic Church and how the fallen beings in the false hierarchy were quick to join Christianity and use it for the purpose of manipulation and control.

**Oh Light of Christ within my heart,  
Christianity we will restart.  
For when we die and are reborn,  
we share the Joy of Easter morn.**

**There is no fear, there is no death,  
consumed by the eternal breath.  
Reborn, I am the open door,  
through which Christianity is MORE.**

5. I invoke the Sword of Christ to cut the veil and expose how people blinded by the consciousness of anti-christ joined the Christian religion in its early days, and how they perverted it by inserting toxic ideas that took Christianity into a downward spiral.

**Oh light of Christ**

6. I invoke the Sword of Christ to cut the veil and expose the truth behind the apostolic succession, namely that what that the Catholic Church has maintained from Peter is the death consciousness.

**Oh light of Christ**

7. I invoke the Sword of Christ to cut the veil and expose the reality that only the death consciousness can be maintained in an unbroken line in the physical, whereas the Holy Spirit cannot be confined to any structure, church or organization.

**Oh light of Christ**

8. I invoke the Sword of Christ to cut the veil and expose the impossibility of having an organization that has the unbroken flow of the Spirit. For when an organization reaches a certain size and complexity, the people who cre-

ated it will have endowed it with enough of their consciousness that they have created a living entity, a living beast. And that beast will use the outer organization that created it in order to sustain itself.

**Oh light of Christ**

**Second Ray - Wisdom**

1. I invoke the Sword of Christ to cut the veil and expose that if people in an organization are not willing to let their mortal identities die, even letting the organization seemingly die and be reborn continually, then they will worship the beast rather than become one with the Living Christ.

**Oh light of Christ**

2. I AM the ONE, becoming many forms that are destined to return to the One in the cosmic dance between the Divine Lover and the Beloved.

**Oh light of Christ**

3. I invoke the Sword of Christ to cut the veil and expose that those who will not transcend, who will not let the old die, will want continuity in the form of a structure, an organization, a church. And thus they have no connection to the reality and vibration of the Living Christ.

**Oh light of Christ**

4. I invoke the Sword of Christ to cut the veil and expose that there is no room for the Living Christ in the structure. The devotion people have is so colored by the graven images produced by the Catholic Church, and other mainstream Christian churches, that they do not have room for the Living Christ.

**Oh light of Christ**

5. I invoke the Sword of Christ to cut the veil and expose that most who call themselves Christians only have room in their hearts for the dead Christ that lives up to their image. And if Christ did not live up to their image, they would shun him, withdraw from him and even call him the devil.

**Oh Light of Christ within my heart,  
Christianity we will restart.  
For when we die and are reborn,  
we share the Joy of Easter morn.**

**There is no fear, there is no death,  
consumed by the eternal breath.  
Reborn, I am the open door,  
through which Christianity is MORE.**

6. I invoke the Sword of Christ to cut the veil and expose that most Christians would instantly reject the Living Spirit flowing through anyone. They will not recognize that anyone can have the Living Spirit, for they think the Spirit has been encaged in a structure, so that it rests only on the leaders of their church.

**Oh light of Christ**

7. I invoke the Sword of Christ to cut the veil and expose that Jesus did not want Christianity to become a mental box, where nothing takes people's thoughts and hearts towards God, but takes them towards a man-made image, a graven image, an idol.

**Oh light of Christ**

8. I invoke the Sword of Christ to cut the veil and expose that the idea behind the structure is to create something that occupies your attention here on Earth, gives you a ritual that takes your attention away from the reality that the kingdom of God is within your own heart.

**Oh light of Christ**

### **Third Ray - Love**

1. I invoke the Sword of Christ to cut the veil and expose that the structure will not allow you to find the inner kingdom. For you are supposed to follow the outer rules of the structure, set up by an organization that claims to be the only true church that represents Christ on Earth.

**Oh light of Christ**

2. I invoke the Sword of Christ to cut the veil and expose that the Christian churches represent nothing more than the unwillingness of human beings to surrender their mortal lives into the reality of Christ. They are seeking to save their lives; they are not willing to give up their lives for Christ's sake. And thus, those who deny Christ before men, those must Christ deny before the father.

**Oh light of Christ**

3. I AM the One, manifest as the trinity of Alpha and Omega, held in perfect creative tension by the only begotten Son, the Logos of the Christ mind.

**Oh light of Christ**

4. I invoke the Sword of Christ to cut the veil and expose the reality that those who have not internalized the Christ light – who have not surrendered the ego and the human consciousness – cannot enter the doorway to the ascension. For they cannot leave behind the mortal sense of self that they think can be perfected, or was saved by Jesus' sacrifice on the cross.

**Oh light of Christ**

5. I invoke the Sword of Christ to cut the veil and expose the urgent need for a sufficient number of Christians to wake up and demand change, refuse to believe these old doctrines and dogmas and say: "Let us go back and look at where they came from, let us look at the toxic ideas inserted into the Christian church. And then, let us use our Christ discernment and our hearts to determine what is in accordance with the vision of Christ and what is not. And then let us decide to root out that which is not in accordance with the reality of Christ's mission and vision."

**Oh Light of Christ within my heart,  
Christianity we will restart.  
For when we die and are reborn,  
we share the Joy of Easter morn.**

**There is no fear, there is no death,  
consumed by the eternal breath.  
Reborn, I am the open door,  
through which Christianity is MORE.**

6. I invoke the Sword of Christ to cut the veil and expose the reality that the Living Christ has pronounced the absolute and final judgment upon the beast of orthodox Christianity and the Catholic Church.

**Oh light of Christ**

7. I invoke the Sword of Christ to cut the veil and expose the reality that people have a new start, a new white page on which to write. Thus, I call for all people who follow a Christian religion to consciously recognize what they sense at inner levels, namely that a shift has occurred, that a cycle has come to an end.

**Oh light of Christ**

8. I invoke the Sword of Christ to cut the veil and expose the reality that Jesus has withdrawn his light, the light that has allowed so many people to be able to call themselves Christians while worshiping the idols of anti-christ.

**Oh light of Christ**

**Fourth Ray - Purity**

1. I invoke the Sword of Christ to cut the veil and expose that Jesus wanted to give people time to build the inner discernment and recognize the reality of Christ. Yet Jesus can no longer maintain this dispensation, and thus people must stand on their own, without having any of the light that has supported them.

**Oh light of Christ**

2. I invoke the Sword of Christ to cut the veil and expose that Christians will have to deal with their own karma, with their own thoughts, their own idols, their own dualistic images that they are constantly superimposing upon the Ma-ter light, and thereby superimposing upon themselves, their outer minds, their physical bodies.

**Oh light of Christ**

3. I invoke the Sword of Christ to cut the veil and expose that Jesus will no longer carry the "sins" of the world, carry the graven images of the world. Jesus has withdrawn his light and sponsorship from Christianity. There will be no opportunity for people to hide under the guise of being Christians while not living up to the commandments that Jesus gave. This hypocrisy will not be allowed to stand.

**Oh light of Christ**

4. I AM the ONE, the creative fount, expressed as the eternal flow of becoming that forms the River of Life, enfolding all that IS in the wings of the Holy Spirit.

**Oh light of Christ**

5. I invoke the Sword of Christ to cut the veil and expose that many people are meant to take part in exposing the hypocrisy and fallacy of orthodox Christianity. For this is the Age of Aquarius, the age of the Holy Spirit, the age of community, where many must come forward and play a part in this exposure.

**Oh Light of Christ within my heart,  
Christianity we will restart.**

**For when we die and are reborn,  
we share the Joy of Easter morn.**

**There is no fear, there is no death,  
consumed by the eternal breath.  
Reborn, I am the open door,  
through which Christianity is MORE.**

6. I invoke the Sword of Christ to cut the veil and expose that there is a way beyond the dualistic approach to spirituality and religion. There is a way to approach God and Christ that is not serious, that is not burdened by a hypocritical attitude. It is possible to approach spirituality through the flame of Living Joy that Jesus is.

**Oh light of Christ**

7. I invoke the Sword of Christ to cut the veil and expose that there is no joy in Christianity because it is based on the consciousness that you are a sinner, that you should feel guilty and that religion is an obligation and not a joy.

**Oh light of Christ**

8. I invoke the Sword of Christ to cut the veil and expose that if Catholics did not have the fear of hell or purgatory, if they did not have the sense of sin or guilt, nothing would drive them to go to their churches. For they would realize that they have no need for the outer church, but could find the Living Christ in their hearts.

**Oh light of Christ**

## **Fifth Ray - Truth**

1. I invoke the Sword of Christ to cut the veil and expose that the kingdom of God is not in the Catholic Churches or any other churches. The kingdom of God is within, which is why it is a fallacy that Jesus gave the keys to Peter. In reality, Jesus gave the keys to the consciousness which makes it possible for all people to recognize the Living Christ.

**Oh light of Christ**

2. I invoke the Sword of Christ to cut the veil and expose that the ability to see beyond our mental boxes is the real key to the kingdom, this is the key of knowledge that opens the doorway to the kingdom within our hearts—when we use it.

**Oh light of Christ**

3. I invoke the Sword of Christ to cut the veil and expose that when we do not use the Key of Knowledge, we become susceptible to the lie that we need an outer church, an outer organization, a vicar of Christ or even the sacrifice of Christ in order to be saved.

**Oh light of Christ**

4. I invoke the Sword of Christ to cut the veil and expose the lie that we need an outer church, so that people can find a new freedom and use their time as an opportunity to overcome the death consciousness and find the Living Truth in their hearts.

**Oh light of Christ**

5. I AM the ONE, expressing myself as self-aware beings with the opportunity to become all that I AM through the process of consciously choosing to be MORE.

**Oh light of Christ**

6. I invoke the Sword of Christ to cut the veil and expose that the Living Truth is not found in structures, books or buildings. It is not found anywhere outside yourself. And if you focus on something outside yourself, then that outer thing has become an idol, a graven image that stands between you and the Living God that is beyond form.

**Oh Light of Christ within my heart,  
Christianity we will restart.  
For when we die and are reborn,  
we share the Joy of Easter morn.**

**There is no fear, there is no death,  
consumed by the eternal breath.  
Reborn, I am the open door,  
through which Christianity is MORE.**

7. I invoke the Sword of Christ to cut the veil and expose the reality that there is no one holy place, neither in Rome, Jerusalem or anywhere else. The holy place is within you, and if you do not find it there, you have made the external place into a sacrilege, an idol. And thus, it must indeed die before you can be free.

**Oh light of Christ**

8. I invoke the Sword of Christ to cut the veil and expose that if you will not let the idol die on its own, then you must die with it. For you become entrapped by your unwillingness to think, to take responsibility for your own being, spiritual path and salvation.

**Oh light of Christ**

### **Sixth Ray - Service**

1. I invoke the Sword of Christ to cut the veil and expose that the essence of Jesus' message is that the kingdom of God is within you. Therefore, you alone are responsible for finding the kingdom of God within YOU. Nobody can find it for you, nobody can take you to that kingdom unless you find it within yourself.

**Oh light of Christ**

2. I invoke the Sword of Christ to cut the veil and expose the reality that we are responsible for our own salvation, for we are responsible for the use of our free will. And we have used the force of our attention, our co-creative powers, to create a sense of identity as mortal human beings who cannot enter the kingdom of God by our own powers.

**Oh light of Christ**

3. I invoke the Sword of Christ to cut the veil and expose the fallacy which makes us think we must go through a process before we can enter the kingdom, instead of accepting what Jesus said 2,000 years ago: The kingdom of God is at hand—if we are willing to go within and find it there.

**Oh light of Christ**

4. I invoke the Sword of Christ to cut the veil and expose the fact that we can find the inner kingdom at any time. There is no process other than the process we need to go through in order to transcend the illusion that there is something that separates us from the kingdom of God.

**Oh light of Christ**

5. I invoke the Sword of Christ to cut the veil and expose that if we have elevated some condition in this world to have power over our Spirit, then that is the graven image we have set before the God in us. We have created it and only we can uncreate it, only we can go beyond it, only we can determine to let it die by not feeding the light into it over our attention.

**Oh light of Christ**

6. I AM the ONE, the self that encompasses all life, and as the self-aware extensions of myself become MORE, I become MORE.

**Oh light of Christ**

7. I invoke the Sword of Christ to cut the veil and expose that the real challenge Jesus hurled at humanity is the need to change our sense of what is real. In this age many people are prepared to take up the challenge, and thus I call for the unlocking of the inner memory of what people already know in their hearts.

**Oh Light of Christ within my heart,  
Christianity we will restart.  
For when we die and are reborn,  
we share the Joy of Easter morn.**

**There is no fear, there is no death,  
consumed by the eternal breath.  
Reborn, I am the open door,  
through which Christianity is MORE.**

8. I invoke the Sword of Christ to cut the veil and expose the reality that we are here to demonstrate that we are willing to take full and final responsibility for ourselves. We are willing to raise ourselves above the duality consciousness, exposing it in ourselves and exposing it in the external world, in religion, culture, family and society.

**Oh light of Christ**

### **Seventh Ray - Freedom**

1. I invoke the Sword of Christ to cut the veil and expose the need for people to be willing to speak out and say: "This simply makes no sense anymore. I refuse to believe it. I refuse to let it guide my life, to let it consume my life. I refuse it, and therefore I am willing to speak out. I am willing to speak out the reality that there is MORE."

**Oh light of Christ**

2. I invoke the Sword of Christ to cut the veil and expose the reality that whatever we think of him, Jesus is always MORE. Jesus is more than anything that could be put into words, into any outer teaching. Jesus is more, and we will only know that more when we decide to look for it in our hearts. For it is only there that we

will find the Living Christ.

**Oh light of Christ**

3. I invoke the Sword of Christ to cut the veil and expose that we will find Christ only when we go within our hearts to find the point of stillness, the singularity that is the opening to the kingdom of God. For it is the opening that goes beyond space and time, that goes beyond form, and that is where we will find Christ.

**Oh light of Christ**

4. I invoke the Sword of Christ to cut the veil and expose that even though Christ can take on form, the Christ consciousness is always more than any form it takes on—just as we are more than the form we have taken on. And thus, before we can find Christ, we need to reconnect to the formless self that we are.

**Oh light of Christ**

5. I invoke the Sword of Christ to cut the veil and expose that we have a divine individuality and that it is beyond form. It does not have a form that we can pinpoint with the outer mind. We can only let it unfold itself; we will not know it before it is manifesting itself through us.

**Oh light of Christ**

6. I invoke the Sword of Christ to cut the veil and expose that the Peter consciousness is the idea that there is a gap between our actions and our inner knowing, so that we are supposed to know within what we will do. And then we have a space where we can decide whether we are willing to do it or not.

**Oh light of Christ**

7. I AM the ONE, and every being that came from my Being can become all that I AM, by transcending the sense of self in the cosmic dance, whereby the Beloved becomes the Divine Lover, loving all life.

**Oh Light of Christ within my heart,  
Christianity we will restart.  
For when we die and are reborn,  
we share the Joy of Easter morn.**

**There is no fear, there is no death,  
consumed by the eternal breath.  
Reborn, I am the open door,  
through which Christianity is MORE.**

8. I invoke the Sword of Christ to cut the veil and expose that this is the fallen consciousness, this is the duality consciousness that wants to judge everything based on an earthly, man-made standard, even a standard of perfection.

**Oh light of Christ**

### **Eight Ray - Integration**

1. I invoke the Sword of Christ to cut the veil and expose that the death consciousness is when you judge your impulses from your I AM Presence before you allow them to manifest as actions or words. Thus, you are not willing to let yourself die into the flow of the Spirit, where you do not know where the Holy Spirit will flow through you.

**Oh light of Christ**

2. I invoke the Sword of Christ to cut the veil and expose that when you want to judge, you are not willing to let the Spirit blow where it listeth. You want to know ahead of time whether it will flow in an appropriate way, and therefore, you stop its flow by that very desire to know before you see.

**Oh light of Christ**

3. I invoke the Sword of Christ to cut the veil and expose that Jesus wants us to become as

little children who are willing to express whatever comes through us from the Spirit. He also wants us to separate ourselves from the outer identity, so that we are not expressing from the ego and the fears of the human.

**Oh Light of Christ**

4. I invoke the Sword of Christ to cut the veil and expose that Jesus wants us to be fearless before God and fearless before men in allowing the Spirit to express itself through us. This is the Holy Spirit, this is the flow, this is the church that Jesus came to start, and this is the church against which the gates of hell shall not prevail.

**Oh light of Christ**

5. I invoke the Sword of Christ to cut the veil and expose that the “gates of hell” is the desire to make form permanent and to enclose Spirit in form. It cannot be done, and that is why the gates of hell will prevail against any church that seeks to enclose Spirit in form, as the Catholic Church has done for so long that everyone thinks this is the only way to be Christian. But it is not being truly Christian, for it is not being like Christ, who expressed whatever came to him from above.

**Oh light of Christ**

6. I invoke the Sword of Christ to cut the veil and expose that Jesus often had no idea what God would do through him, he simply allowed it to happen. Jesus had no sense of pre-destination, pre-definition or premonition.

**Oh light of Christ**

7. I invoke the Sword of Christ to cut the veil and expose that even though Jesus had certain inklings and visions, he I did not allow them to trap his mind into wanting to make them happen, or fearing that they would happen. He surrendered and allowed God’s plan to unfold.

**Oh Light of Christ within my heart,  
Christianity we will restart.  
For when we die and are reborn,  
we share the Joy of Easter morn.**

**There is no fear, there is no death,  
consumed by the eternal breath.  
Reborn, I am the open door,  
through which Christianity is MORE.**

8. I AM the ONE, the Alpha and Omega, the beginning and the ending, which is, and which was, and which is to come, the Almighty. And I WILL BE WHO I WILL BE, for although I am the ONE, I am forever the MORE.

**Oh light of Christ**

### **Ninth Ray - Equilibrium**

1. I invoke the Sword of Christ to cut the veil and expose that even Jesus had moments of travail, where he had to confront his own ghosts and give them up to God. And this is a process that will be ongoing for all of us—this is part of being a true follower of Christ.

**Oh light of Christ**

2. I invoke the Sword of Christ to cut the veil and expose the need for us to go into a state of consciousness that is perpetual surrender, ongoing surrender, where we do not seek to control the flow of the Spirit that cannot be controlled, but we allow it to happen.

**Oh light of Christ**

3. I invoke the Sword of Christ to cut the veil and expose the need to allow ourselves the joy of being surprised over what the Spirit can do through us—things that our intellects and our outer minds cannot imagine, for they do not fit in our mental boxes.

**Oh light of Christ**

4. I invoke the Sword of Christ to cut the veil and expose that our teachers in the ascended realm have an infinite number of surprises that they would like to spring on this planet, in order to shake people out of their mental boxes. But they need willing minds and hearts, they need those who are willing to let themselves be surprised.

**Oh Light of Christ**

5. I invoke the Sword of Christ to cut the veil and expose that the Holy Spirit will not embarrass us, for the Holy Spirit will not make a spectacle of itself—it is the ego that does that. But the Holy Spirit will surprise us and others by how it will touch people's hearts in a sincere and transformative manner.

**Oh light of Christ**

6. I invoke the Sword of Christ to cut the veil and expose the need to be alert, so that we allow those words to come forth that will touch people's hearts. Not necessarily give them an ultimate awakening, but help them take the next step and begin the process that eventually will allow them to transcend their mental boxes.

**Oh light of Christ**

7. I invoke the Sword of Christ to cut the veil and expose that it is only the ego that envisions some ultimate gift of the Spirit, some ultimate event that will awaken everyone.

**Oh light of Christ**

8. I invoke the Sword of Christ to cut the veil and expose the fallacy of the fundamentalist Christians who expect Jesus' second coming any moment. They dream that Jesus will appear in the sky as some unmistakable manifestation that no one can deny, and therefore they can say, "Look at us, look at how wise we were that we knew Christ was coming in this way."

**Oh Light of Christ within my heart,  
Christianity we will restart.  
For when we die and are reborn,  
we share the Joy of Easter morn.**

**There is no fear, there is no death,  
consumed by the eternal breath.  
Reborn, I am the open door,  
through which Christianity is MORE.**

### **Tenth Ray - Transparency**

1. I invoke the Sword of Christ to cut the veil and expose that this dream comes from the evil and adulterous generation that lusteth after an outer sign. In reality, Christ will appear as the lightning from the East to the West, in ways that people will not recognize.

### **Oh light of Christ**

2. I invoke the Sword of Christ to cut the veil and expose that Christ will appear through many people, through a word here, a gesture there, a cup of cold water in Christ's name that sets somebody on a different track than the downward track they have been on for lifetimes.

### **Oh light of Christ**

3. I invoke the Sword of Christ to cut the veil and expose that the Spirit does not work in an outer, demonstrative way, but in many subtle ways. We need to allow this flow to happen by letting go of our rituals.

### **Oh light of Christ**

4. I invoke the Sword of Christ to cut the veil and expose that in the Catholic Church and other mainstream churches everything is set in stone in rituals and dogmas, and this has squeezed out the Spirit.

### **Oh light of Christ**

5. I invoke the Sword of Christ to cut the veil and expose the need for us to be honest and

look in the mirror. We must look at the structures we have built in our own minds, thinking that one day somebody on Earth will recognize our superior wisdom or intellect—even though it is truly ego.

### **Oh Light of Christ**

6. I invoke the Sword of Christ to cut the veil and expose the need for us to look at those structures and then allow them to crumble before the winds of the spirit. Then we will feel the new freedom, joy and innocence that Jesus desires us to have.

### **Oh light of Christ**

7. I invoke the Sword of Christ to cut the veil and expose that in the Aquarian age, it will not be the lone ascetic, celibate priest that brings people to God. It will be those who live a normal lifestyle, but they are not living it in a normal way because they have transcended the traditional roles of male and female.

### **Oh light of Christ**

8. I invoke the Sword of Christ to cut the veil and expose the need for all Christians to transcend the fallen consciousness, wanting to blame women for the fall and suppress the female element in themselves and in what they see as their religion, church or movement.

### **Oh light of Christ**

## **I AM the ONE**

I AM the ONE, I AM Alpha and Omega, the beginning and the ending. I will give unto them that are athirst of the fountain of the water of life freely.

I AM the ONE, becoming many forms that are destined to return to the One in the cosmic dance between the Divine Lover and the Beloved.

I AM the One, manifest as the trinity of Alpha and Omega, held in perfect creative tension by the only begotten Son, the Logos of the Christ mind.

I AM the ONE, the creative fount, expressed as the eternal flow of becoming that forms the River of Life, enfolding all that IS in the wings of the Holy Spirit.

I AM the ONE, expressing myself as self-aware beings with the opportunity to become all that I AM through the process of consciously choosing to be MORE.

I AM the ONE, the self that encompasses all life, and as the self-aware extensions of myself become MORE, I become MORE.

I AM the ONE, and every being that came from my Being can become all that I AM, by transcending the sense of self in the cosmic dance, whereby the Beloved becomes the Divine Lover, loving all life.

I AM the ONE, the Alpha and Omega, the beginning and the ending, which is, and which was, and which is to come, the Almighty. And I WILL BE WHO I WILL BE, for although I am the ONE, I am forever the MORE.

**OM MANI PADME HUM** (9, 33 or 144 times)

**I am healed, I am sealed,  
God's own vision is revealed.** (9, 33 or 144 times)

## **Sealing:**

In the name of Alpha and Omega, I accept the perfect vision of my service to life, given to me by my Higher Self. I surrender all desires, wants and expectations of the separate self and plunge myself into the River of Life. I allow the Holy Spirit to move me to where I can flow with the River of Life and effortlessly fulfill my Divine plan.

I accept the single-eyed vision of Christ that exposes the beams in my own eye, so that I can see and consciously surrender all dualistic illusions in my being. I stand naked before Christ, as I seek to hide nothing from the all-seeing eye of God. I consciously surrender the ego's illusion that what is hidden from men is also hidden from God. I hold on to nothing, and I am willing to see and surrender any and all illusions.

In this unconditional surrender, I see that nothing in this world has power over my Spirit, and thus I accept no imperfect conditions as permanent or even ultimately real. Thus, I become transparent to the illusions and the energies of this world. My eye is single, and thus the prince of this world has nothing in me. As I surrender all impurities in my being, I know that the immaculate concept for the Christian movement is effortlessly manifest, and I accept that Christianity is sealed in the perfect vision of God.

I know that that which is unreal cannot affect that which is real. I accept that I AM real and that only the immaculate concept for my life is real. I accept that God created me and saw that "It was good." In the purity of this vision I remain sealed forevermore, as I AM MORE.
