

Invocation to Astrea for consuming Corona viruses

Astrea's instructions for the use of this invocation: Having now completed this action, my beloved, I wish to give you another dispensation, namely that I, Astrea, will sponsor a new invocation that can help you purify any nation and that you, of course, here in Korea can use to purify your nation. I will direct the messenger to make this invocation in a universal way that can be used by any nation and I will therefore vow that, when two or three people come together to give this invocation for their nation, I will multiply the light they invoke by a factor that I will determine as I see the dedication of the people and the needs of the nation. This will be a significant opportunity for all those who are willing to make that effort to purify their nation.

In the name of the I AM THAT I AM and the universal Christ mind within all life, we call upon Elohim Astrea to take command over the energetic matrix behind the SARS-CoV-2 virus, all other Corona viruses and the COVID-19 disease. Release your circle and sword to consume all impure energies, bind all fallen beings, demons and entities and cut people free from the spread of the COVID-19 disease

[Make your own calls here.]

Sealing

In the name of the I AM THAT I AM, the universal Christ mind within all life, we accept that Archangel Michael, Astrea and Saint Germain form an impenetrable shield around ourselves and all people in our nation, sealing us from all imperfect energies and dark forces in all four octaves. We accept that the violet flame transforms all imperfect energies in our beings so the prince of this world has nothing in us.
