INV30 Healing the Emotional Body

In the name of the I AM THAT I AM, Jesus Christ, I call to Mother Mary and Archangel Raphael, Elohim Cyclopea and Virginia, Hilarion and all healing masters and angels to envelop and fill my emotional body with your all-penetrating, all-accelerating healing flame, that restores everything to the immaculate wholeness for my lifestream, making my emotional body the ideal instrument for the fulfillment of my Divine plan in this lifetime and for my ascension. I especially call for:

(Make personal calls)

Part 1

1. Mother Mary, I am aware that I am a co-creator with the cosmic hierarchy above me. I co-create by using the energy I receive from my I AM Presence and the ascended masters. I need no energy from this world in order to co-create.

O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.

O Mother Mary, you are real,
and therefore every wound you heal,
in Mother's Garden I feel free,
from all that used to burden me.

2. Mother Mary, I am aware that when I became blinded by the illusion that says I am a separate being, I did not experience the stream of energy from above. Thus, I thought I needed energy from this world.

O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.

O Mother Mary, I let go,
of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.

3. Mother Mary, I am aware that this set up a reverse energy flow, where my emotional body became an inroad for the energies from the collective consciousness and even from dark forces.

O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.

O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.

4. Mother Mary, I am aware that this means I now have subconscious selves that take in fear-based energies from this world, and this affects both my feelings, my thoughts and my sense of identity.

O Mother Mary, I am free,
reborn to new identity,
in pure awareness I am whole,
as I let go of worldly soul.

O Mother Mary, from beyond,
to earth I need no more respond,
in Mother's Garden I am free,
as in our oneness I will be.

5. Mother Mary, I am willing to have you take me through a systematic process whereby I close and seal my four lower bodies to this reverse energy flow.

O Mother Mary, I feel free,
surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.

O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.

6. Mother Mary, I want to return to the state of innocence, where energy only flows downwards from my I AM Presence and there is no energy flowing from this world into my four lower bodies.

O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.

O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.

7. Mother Mary, in order to achieve this, I am willing to look at all subconscious selves that make me see myself as a separate being, make me think my mind has no power over matter or make me feel like I need something from this world.

O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.

O Mother Mary, all is healed,
as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.

8. Mother Mary, I am willing to see all reactionary patterns that cause me to open my energy field to the lower energies in this world. I want to return to the state where energy only flows outward from my Presence, and no energy flows inwards from the world.

O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,
and I am free from worldly tie.

O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.

9. Mother Mary, I am willing to have you take me through a systematic process, whereby I take command over my sense of identity, my thoughts and my feelings, so I have dominion over these three bodies and can maintain the natural energy flow from Above to below.

O Mother Mary, what a sound,
that emanates from Holy Ground,
my heart in sync with Mother's heart,
as nothing will keep us apart.

O Mother Mary, I now see,
that Presence mine is truly me,
and in that oneness I will be,
whole for all eternity.

10. Mother Mary, I am aware that my separate selves will resist this because they can only be fed by fear-based energies, whether they come from the world or whether I produce them internally.

O Mother Mary, by your Grace,
in hierarchy I find my place,
as I decide to co-create,
all matter does accelerate.

O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.

11. Mother Mary, I am aware that these subconscious selves want me to react to the world in such a way that I either take in fear-based energy or that I produce it myself.

O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.

O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.

12. Mother Mary, I am willing to have you take me through a systematic process of becoming aware of my emotional patterns, so I can see that my reactions are based on the illusions created through the veil of separation.

O Mother Mary, you are here,
filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.

O Mother Mary, I now see,
my place in Cosmic Hierarchy,
to co-create a better earth,
the Golden Age is given birth.

Part 2

1. Mother Mary, I am aware that when I take command over my identity and mental bodies, these two bodies set the parameters for how I react to the world. Thus, my emotions will ideally fall within these parameters.

O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.

O Mother Mary, you are real,
and therefore every wound you heal,
in Mother's Garden I feel free,
from all that used to burden me.

2. Mother Mary, I am aware that when I take command over my identity and mental bodies, I can also take command over my emotional body, and thus I can keep it sealed off from any energies from this world.

O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.

O Mother Mary, I let go,
of all that pulls me from below,
your Healing Flame is such a Grace,

all my mistakes it does erase.

3. Mother Mary, I hereby take ownership of my identity, mental and emotional bodies by accepting that Christ is the head of the household, and as the Conscious You I am indeed the Christ in my Being.

O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.

O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.

4. Mother Mary, I am aware that since everything is made out of the Christ consciousness, my Conscious You is already the Christ consciousness, for how else could I be aware of myself?

O Mother Mary, I am free,
reborn to new identity,
in pure awareness I am whole,
as I let go of worldly soul.

O Mother Mary, from beyond,
to earth I need no more respond,
in Mother's Garden I am free,
as in our oneness I will be.

5. Mother Mary, I am aware that because I am already the Christ consciousness, I can let any subconscious self die, and when I do, I am reborn as a new being in Christ.

O Mother Mary, I feel free,
surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.

O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.

6. Mother Mary, I want to be reborn as a new being who does not react to this world, and thus does not need to take in anything from this world. Instead, I am focused on giving to this world by being the open door for the flow of energy from the cosmic hierarchy.

O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.

O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.

7. Mother Mary, I am aware that emotions are energy in motion, meaning that my emotional body is always moving. Instead of seeking to stop or calm my emotions, I will redirect my emotions based on the Christ mind.

O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.

O Mother Mary, all is healed,
as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.

8. Mother Mary, I am realigning my emotions with the Christ mind so I can flow with the River of Life, instead of being blown hither and yon by the currents in the collective consciousness.

O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,
and I am free from worldly tie.

O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.

9. Mother Mary, it does not matter to me at all that most people around me are trapped in fear-based emotional patterns. I have a right to keep my emotional body completely sealed off from the mass consciousness or from the emotions of specific people close to me.

O Mother Mary, what a sound,
that emanates from Holy Ground,
my heart in sync with Mother's heart,
as nothing will keep us apart.

O Mother Mary, I now see,
that Presence mine is truly me,
and in that oneness I will be,
whole for all eternity.

10. Mother Mary, I hereby claim my right to feel what I want to feel and not what other people, the mass consciousness or the fallen beings project that I should feel.

O Mother Mary, by your Grace,
in hierarchy I find my place,
as I decide to co-create,
all matter does accelerate.

O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.

11. Mother Mary, I hereby declare my independence from the emotional projections of all beings trapped in duality and separation.

O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.

O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.

12. Mother Mary, I hereby declare my right to let the Light of Christ flow through my emotions and to flood my emotional body, so I never feel a need to take in any energies or projections from this world.

O Mother Mary, you are here,
filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.

O Mother Mary, I now see,
my place in Cosmic Hierarchy,
to co-create a better earth,
the Golden Age is given birth.

Part 3

1. Mother Mary, my emotional body is an open door for the ever-flowing, inexhaustible stream of spiritual energy that flows from the entire cosmic hierarchy into this world.

O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.

O Mother Mary, you are real,
and therefore every wound you heal,
in Mother's Garden I feel free,
from all that used to burden me.

2. Mother Mary, my emotional body is not sealed off from the world, it is simply so filled with the ever-flowing stream of cosmic energy that no lower energies can enter.

O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.

O Mother Mary, I let go,
of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.

3. Mother Mary, I am aware that there is a certain momentum among spiritual people of wanting to calm the emotions and attain peace of mind. Yet I am not seeking to stop all emotions; I am letting the higher energies transform the lower energies.

O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.

O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.

4. Mother Mary, I am aware that higher energies can only flow into my emotional body when I am not seeking to use them for the purposes of the separate selves, but I am seeking to raise the whole.

O Mother Mary, I am free,
reborn to new identity,
in pure awareness I am whole,
as I let go of worldly soul.

O Mother Mary, from beyond,
to earth I need no more respond,
in Mother's Garden I am free,
as in our oneness I will be.

5. Mother Mary, I am willing to have you take me through a systematic process of transforming my approach to life, whereby I shift from focusing on protecting myself from the world to giving to the world.

O Mother Mary, I feel free,
surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.

O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.

6. Mother Mary, I am aware that the cosmic hierarchy has unlimited energy and ideas they want to give to the world, but they need those in embodiment who are willing to be the open doors through which this can be given.

O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.

O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.

7. Mother Mary, I am willing to be an open door for the cosmic hierarchy to give the gifts that you want to give through me. Thus, I am not seeking to suppress or even calm my emotions, I am seeking to let the higher energies flow through my emotional body.

O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.

O Mother Mary, all is healed,
as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.

8. Mother Mary, I am willing to have you take me through a systematic process, whereby I shift from being focused on protecting myself in order to avoid lower emotions, to where I am focused on being creative and allowing creative emotions to flow through me.

O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,
and I am free from worldly tie.

O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.

9. Mother Mary, I am willing to have you help me experience creative emotions, as opposed to the kind of emotions I have experienced thus far.

O Mother Mary, what a sound,
that emanates from Holy Ground,
my heart in sync with Mother's heart,
as nothing will keep us apart.

O Mother Mary, I now see,
that Presence mine is truly me,
and in that oneness I will be,
whole for all eternity.

10. Mother Mary, I am willing to experience that the River of Life flows through me and that the cosmic energies transform all lower energies stored in my identity, mental and emotional bodies.

O Mother Mary, by your Grace,
in hierarchy I find my place,
as I decide to co-create,
all matter does accelerate.

O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.

11. Mother Mary, my emotional body is the open door for the flow of the creative energies of the cosmic hierarchy, transforming my life and transforming life on earth.

O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.

O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.

12. Mother Mary, my emotional body is the Fountain of Youth where everything becomes new in the bubbling, ceaselessly flowing energies of the Holy Spirit, that can transform

anything that is apart from the River of Life. For it never accepts that any part of life could be apart from the River of Life.

O Mother Mary, you are here,
filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.

O Mother Mary, I now see,
my place in Cosmic Hierarchy,
to co-create a better earth,
the Golden Age is given birth.

Sealing

In the name of the Divine Mother, I call to Mother Mary and Archangel Raphael for the sealing of myself and all people in my circle of influence in the creative flow of the Divine Mother, the River of Life. I call for the multiplication of my calls by all representatives of the Divine Mother, so that we form the perfect figure-eight flow of “As Above, so below.” Thus, I accept that this is fully manifest, because the mouth of the Lord, the Divine Mother that I AM, has spoken it. Amen.
